5 (10 ILCS 5/1-16 new)

6 Sec. 1-16. Election authorities; notices by electronic
7 mail. If an election authority is required by law to send an
8 election-related notice to an individual, that election
9 authority may send that notice solely by electronic mail if the

12 by electronic mail. For the purposes of this Section, the term
13 "notice" does not include a ballot or any notice required under
14 Sections 1A-16.5 or 1A-16.7 of this Code.

15 (10 ILCS 5/1A-16.1 new)

16 Sec. 1A-16.1. Automatic voter registration; Secretary of
17 State.

18 (a) The Office of the Secretary of State and the State
19 Board of Elections, pursuant to an interagency contract and
20 jointly-adopted rules, shall establish an automatic voter
21 registration program that satisfies the requirements of this
22 Section and other applicable law.

23 (b) If an application, an application for renewal, a change

1 of address form, or a recertification form for a driver's
2 license, other than a temporary visitor's driver's license, or
3 a State identification card issued by the Office of the
4 Secretary of State meets the requirements of the federal REAL
5 ID Act of 2005, then that application shall serve as a
6 dual-purpose application. The dual-purpose application shall:

7 (1) also serve as an application to register to vote in
8 Illinois;

9 (2) allow an applicant to change his or her registered
10 residence address or name as it appears on the voter
11 registration rolls;

12 (3) provide the applicant with an opportunity to
13 affirmatively decline to register to vote or to change his
14 or her registered residence address or name by providing a
15 check box on the application form without requiring the
16 applicant to state the reason; and

17 (4) unless the applicant declines to register to vote
18 or change his or her registered residence address or name,
19 require the applicant to attest, by signature under penalty
20 of perjury as described in subsection (e) of this Section,
21 to meeting the qualifications to register to vote in
22 Illinois at his or her residence address as indicated on
23 his or her driver's license or identification card
24 dual-purpose application.

25 (b-5) If an application, an application for renewal, a
26 change of address form, or a recertification form for a

1 driver's license, other than a temporary visitor's driver's
2 license, or a State identification card issued by the Office of
3 the Secretary of State does not meet the requirements of the
4 federal REAL ID Act of 2005, then that application shall serve
5 as a dual-purpose application. The dual-purpose application
6 shall:

7 (1) also serve as an application to register to vote in
8 Illinois;

9 (2) allow an applicant to change his or her registered
10 residence address or name as it appears on the voter
11 registration rolls; and

12 (3) if the applicant chooses to register to vote or to
13 change his or her registered residence address or name,
14 then require the applicant to attest, by a separate
15 signature under penalty of perjury, to meeting the
16 qualifications to register to vote in Illinois at his or
17 her residence address as indicated on his or her
18 dual-purpose application.

19 (b-10) The Office of the Secretary of State shall clearly
20 and conspicuously inform each applicant in writing: (i) of the
21 qualifications to register to vote in Illinois, (ii) of the
22 penalties provided by law for submission of a false voter
23 registration application, (iii) that, unless the applicant
24 declines to register to vote or update his or her voter
25 registration, his or her dual-purpose application shall also
26 serve as both an application to register to vote and his or her

1 attestation that he or she meets the eligibility requirements
2 for voter registration, and that his or her application to
3 register to vote or update his or her registration will be
4 transmitted to the State Board of Elections for the purpose of
5 registering the person to vote at the residence address to be
6 indicated on his or her driver's license or identification
7 card, and (iv) that declining to register to vote is
8 confidential and will not affect any services the person may be
9 seeking from the Office of the Secretary of State.

10 (c) The Office of the Secretary of State shall review
11 information provided to the Office of the Secretary of State by
12 the State Board of Elections to inform each applicant for a
13 driver's license or permit, other than a temporary visitor's
14 driver's license, or a State identification card issued by the
15 Office of the Secretary of State whether the applicant is
16 currently registered to vote in Illinois and, if registered, at
17 what address.

18 (d) The Office of the Secretary of State shall not require
19 an applicant for a driver's license or State identification
20 card to provide duplicate identification or information in
21 order to complete an application to register to vote or change
22 his or her registered residence address or name. Before
23 transmitting any personal information about an applicant to the
24 State Board of Elections, the Office of the Secretary of State
25 shall review its records of the identification documents the
26 applicant provided in order to complete the application for a

1 driver's license or State identification card, to confirm that
2 nothing in those documents indicates that the applicant does
3 not satisfy the qualifications to register to vote in Illinois
4 at his or her residence address.

5 (e) A completed, signed application for (i) a driver's
6 license or permit, other than a temporary visitor's driver's
7 license, or a State identification card issued by the Office of
8 the Secretary of State, that meets the requirements of the
9 federal REAL ID Act of 2005; or (ii) a completed application
10 under subsection (b-5) of this Section with a separate
11 signature attesting the applicant meets the qualifications to
12 register to vote in Illinois at his or her residence address as
13 indicated on his or her application shall constitute a signed
14 application to register to vote in Illinois at the residence
15 address indicated in the application unless the person
16 affirmatively declined in the application to register to vote
17 or to change his or her registered residence address or name.
18 If the identification documents provided to complete the
19 dual-purpose application indicate that he or she does not
20 satisfy the qualifications to register to vote in Illinois at
21 his or her residence address, the application shall be marked
22 as incomplete.

23 (f) For each completed and signed application that
24 constitutes an application to register to vote in Illinois or
25 provides for a change in the applicant's registered residence
26 address or name, the Office of the Secretary of State shall

1 electronically transmit to the State Board of Elections
2 personal information needed to complete the person's
3 registration to vote in Illinois at his or her residence
4 address. The application to register to vote shall be processed
5 in accordance with Section 1A-16.7.

6 (g) If the federal REAL ID Act of 2005 is repealed,
7 abrogated, superseded, or otherwise no longer in effect, then
8 the State Board of Elections shall establish criteria for
9 determining reliable personal information indicating
10 citizenship status and shall adopt rules as necessary for the
11 Secretary of State to continue processing dual-purpose
12 applications under this Section.

13 (h) As used in this Section, "dual-purpose application"
14 means an application, an application for renewal, a change of
15 address form, or a recertification form for driver's license or
16 permit, other than a temporary visitor's driver's license, or a
17 State identification card offered by the Secretary of State
18 that also serves as an application to register to vote in
19 Illinois. "Dual-purpose application" does not mean an
20 application under subsection (c) of Section 6-109 of the
21 Illinois Vehicle Code.

22 (10 ILCS 5/1A-16.2 new)

23 Sec. 1A-16.2. Automatic voter registration; designated
24 automatic voter registration agencies.

25 (a) Each designated automatic voter registration agency

1 shall, pursuant to an interagency contract and jointly-adopted
2 rules with the State Board of Elections, agree to participate
3 in an automatic voter registration program established by the
4 State Board of Elections that satisfies the requirements of
5 this Section and other applicable law. If the designated
6 automatic voter registration agency provides applications,
7 applications for renewal, change of address forms, or
8 recertification forms to individuals for services offered by
9 another agency, then the State Board of Elections and the
10 designated automatic voter agency shall consult with the other
11 agency. The State Board of Elections shall consider the current
12 technological capabilities of the designated voter
13 registration agency when drafting interagency contracts and
14 jointly-adopted rules. The State Board of Elections and the
15 designated automatic voter registration agency shall amend
16 these contracts and rules as the technological capabilities of
17 the designated voter registration agencies improve.

18 (b) As provided in subsection (a) of this Section, each
19 designated automatic voter registration agency that collects
20 or cross-references reliable personal information indicating
21 citizenship status may provide that an application for a
22 license, permit, program, or service shall serve as a
23 dual-purpose application. The dual-purpose application shall:

24 (1) also serve as an application to register to vote in
25 Illinois;

26 (2) allow an applicant to change his or her registered

1 residence address or name as it appears on the voter
2 registration rolls;

3 (3) provide the applicant with an opportunity to
4 affirmatively decline to register to vote or change his or
5 her registered residence address or name by providing a
6 check box on the application form without requiring the
7 applicant to state the reason; and

8 (4) unless the applicant declines to register to vote
9 or to change his or her registered residence address or
10 name, require the applicant to attest, by signature under
11 penalty of perjury, to meeting the qualifications to
12 register to vote in Illinois at his or her residence
13 address as indicated on his or her dual-purpose
14 application.

15 (c) As provided in subsection (a) of this Section, each
16 designated automatic voter registration agency that does not
17 collect or cross-reference records containing reliable
18 personal information indicating citizenship status may provide
19 that an application, an application for renewal, a change of
20 address form, or a recertification form for a license, permit,
21 program, or service shall serve as a dual-purpose application.
22 The dual-purpose application shall:

23 (1) also serve as an application to register to vote in
24 Illinois;

25 (2) allow an applicant to change his or her registered
26 residence address or name as it appears on the voter

1 registration rolls; and

2 (3) if the applicant chooses to register to vote or to
3 change his or her registered residence address or name,
4 then require the applicant to attest, by a separate
5 signature under penalty of perjury, to meeting the
6 qualifications to register to vote in Illinois at his or
7 her residence address as indicated on his or her
8 dual-purpose application.

9 (c-5) The designated automatic voter registration agency
10 shall clearly and conspicuously inform each applicant in
11 writing: (i) of the qualifications to register to vote in
12 Illinois, (ii) of the penalties provided by law for submission
13 of a false voter registration application, (iii) that, unless
14 the applicant declines to register to vote or update his or her
15 voter registration, his or her application shall also serve as
16 both an application to register to vote and his or her
17 attestation that he or she meets the eligibility requirements
18 for voter registration, and that his or her application to
19 register to vote or update his or her registration will be
20 transmitted to the State Board of Elections for the purpose of
21 registering the person to vote at the residence address to be
22 indicated on the dual-purpose application, (iv) that
23 information identifying the agency at which he or she applied
24 to register to vote is confidential, (v) that declining to
25 register to vote is confidential and will not affect any
26 services the person may be seeking from the agency, and (vi)

1 any additional information needed in order to comply with
2 Section 7 of the federal National Voter Registration Act of
3 1993.

4 (d) The designated automatic voter registration agency
5 shall review information provided to the agency by the State
6 Board of Elections to inform each applicant whether the
7 applicant is currently registered to vote in Illinois and, if
8 registered, at what address.

9 (e) The designated automatic voter registration agency
10 shall not require an applicant for a dual-purpose application
11 to provide duplicate identification or information in order to
12 complete an application to register to vote or change his or
13 her registered residence address or name. Before transmitting
14 any personal information about an applicant to the State Board
15 of Elections, the agency shall review its records of the
16 identification documents the applicant provided or that the
17 agency cross-references in order to complete the dual-purpose
18 application, to confirm that nothing in those documents
19 indicates that the applicant does not satisfy the
20 qualifications to register to vote in Illinois at his or her
21 residence address. A completed and signed dual-purpose
22 application, including a completed application under
23 subsection (c) of this Section with a separate signature
24 attesting that the applicant meets the qualifications to
25 register to vote in Illinois at his or her residence address as
26 indicated on his or her application, shall constitute an

1 application to register to vote in Illinois at the residence
2 address indicated in the application unless the person
3 affirmatively declined in the application to register to vote
4 or to change his or her registered residence address or name.
5 If the identification documents provided to complete the
6 dual-purpose application, or that the agency cross-references,
7 indicate that he or she does not satisfy the qualifications to
8 register to vote in Illinois at his or her residence address,
9 the application shall be marked as incomplete.

10 (f) For each completed and signed dual-purpose application
11 that constitutes an application to register to vote in Illinois
12 or provides for a change in the applicant's registered
13 residence address or name, the designated automatic voter
14 registration agency shall electronically transmit to the State
15 Board of Elections personal information needed to complete the
16 person's registration to vote in Illinois at his or her
17 residence address. The application to register to vote shall be
18 processed in accordance with Section 1A-16.7.

19 (g) As used in this Section:

20 "Designated automatic voter registration agency" or
21 "agency" means the divisions of Family and Community
22 Services and Rehabilitation Services of the Department of
23 Human Services, the Department of Employment Security, the
24 Department of Financial and Professional Regulation, the
25 Department of Natural Resources, or an agency of the State
26 or federal government that has been determined by the State

1 Board of Elections to have access to reliable personal
2 information and has entered into an interagency contract
3 with the State Board of Elections to participate in the
4 automatic voter registration program under this Section.

5 "Dual-purpose application" means an application, an
6 application for renewal, a change of address form, or a
7 recertification form for a license, permit, program, or
8 service offered by a designated automatic voter
9 registration agency that also serves as an application to
10 register to vote in Illinois.

11 "Reliable personal information" means information
12 about individuals obtained from government sources that
13 may be used to verify whether an individual is eligible to
14 register to vote.

15 (h) This Section shall be implemented no later than July,
16 1, 2019.

17 (10 ILCS 5/1A-16.6)

18 Sec. 1A-16.6. Government agency voter registration.

19 (a) By April 1, 2016, the State Board of Elections shall
20 establish and maintain a portal for government agency
21 registration that permits an eligible person to electronically
22 apply to register to vote or to update his or her existing
23 voter registration whenever he or she conducts business, either
24 online or in person, with a designated government agency. The
25 portal shall interface with the online voter registration

1 system established in Section 1A-16.5 of this Code and shall be
2 capable of receiving and processing voter registration
3 application information, including electronic signatures, from
4 a designated government agency. The State Board of Elections
5 shall modify the online voter registration system as necessary
6 to implement this Section.

7 Voter registration data received from a designated
8 government agency through the online registration system shall
9 be processed as provided for in Section 1A-16.5 of this Code.

10 Whenever the registration interface is accessible to the
11 general public, including, but not limited to, online
12 transactions, the interface shall allow the applicant to
13 complete the process as provided for in Section 1A-16.5 of this
14 Code. The online interface shall be capable of providing the
15 applicant with the applicant's voter registration status with
16 the State Board of Elections and, if registered, the
17 applicant's current registration address. The applicant shall
18 not be required to re-enter any registration data, such as
19 name, address, and birth date, if the designated government
20 agency already has that information on file. The applicant
21 shall be informed that by choosing to register to vote or to
22 update his or her existing voter registration, the applicant
23 consents to the transfer of the applicant's personal
24 information to the State Board of Elections.

25 Whenever a government employee is accessing the
26 registration system while servicing the applicant, the

1 government employee shall notify the applicant of the
2 applicant's registration status with the State Board of
3 Elections and, if registered, the applicant's current
4 registration address. If the applicant elects to register to
5 vote or to update his or her existing voter registration, the
6 government employee shall collect the needed information and
7 assist the applicant with his or her registration. The
8 applicant shall be informed that by choosing to register to
9 vote or to update his or her existing voter registration, the
10 applicant consents to the transfer of the applicant's personal
11 information to the State Board of Elections.

12 In accordance with technical specifications provided by
13 the State Board of Elections, each designated government agency
14 shall maintain a data transfer mechanism capable of
15 transmitting voter registration application information,
16 including electronic signatures where available, to the online
17 voter registration system established in Section 1A-16.5 of
18 this Code. Each designated government agency shall establish
19 and operate a voter registration system capable of transmitting
20 voter registration application information to the portal as
21 described in this Section by July 1, 2016.

22 (b) Whenever an applicant's data is transferred from a
23 designated government agency, the agency must transmit a
24 signature image if available. If no signature image was
25 provided by the agency or if no signature image is available in
26 the Secretary of State's database or the statewide voter

1 registration database, the applicant must be notified that
2 their registration will remain in a pending status and the
3 applicant will be required to provide identification and a
4 signature to the election authority on Election Day in the
5 polling place or during early voting.

6 (c) The State Board of Elections shall track registration
7 data received through the online registration system that
8 originated from a designated government agency for the purposes
9 of maintaining statistics required by the federal National
10 Voter Registration Act of 1993, as amended.

11 (d) The State Board of Elections shall submit a report to
12 the General Assembly and the Governor by December 1, 2015
13 detailing the progress made to implement the government agency
14 voter registration portal described in this Section.

15 (e) The Board shall adopt rules, in consultation with the
16 impacted agencies.

17 (f) As used in this Section, a "designated government
18 agency" means the Secretary of State's Driver Services and
19 Vehicle Services Departments, the Department of Human
20 Services, the Department of Healthcare and Family Services, the
21 Department of Employment Security, and the Department on Aging;
22 however, if the designated government agency becomes a
23 designated automatic voter registration agency under Section
24 1A-16.1 or Section 1A-16.2 of this Code, that agency shall
25 cease to be a designated government agency under this Section.

3 (a) The State Board of Elections shall establish and
4 maintain a portal for automatic government agency voter
5 registration that permits an eligible person to electronically
6 apply to register to vote or to update his or her existing
7 voter registration as provided in Section 1A-16.1 or Section
8 1A-16.2. The portal shall interface with the online voter
9 registration system established in Section 1A-16.5 of this Code
10 and shall be capable of receiving and processing voter
11 registration application information, including electronic
12 signatures, from the Office of the Secretary of State and each
13 designated automatic voter registration agency, as defined in
14 Section 1A-16.2. The State Board of Elections may
15 cross-reference voter registration information from any
16 designated automatic voter registration agency, as defined
17 under Section 1A-16.2 of this Code, with information contained
18 in the database of the Secretary of State as provided under
19 subsection (c) of Section 1A-16.5 of this Code. The State Board
20 of Elections shall modify the online voter registration system
21 as necessary to implement this Section.

22 (b) Voter registration data received from the Office of the
23 Secretary of State or a designated automatic voter registration
24 agency through the online registration application system
25 shall be processed as provided in Section 1A-16.5 of this Code.

1 (c) The State Board of Elections shall establish technical
2 specifications applicable to each automatic government
3 registration program, including data format and transmission
4 specifications. The Office of the Secretary of State and each
5 designated automatic voter registration agency shall maintain
6 a data transfer mechanism capable of transmitting voter
7 registration application information, including electronic
8 signatures where available, to the online voter registration
9 system established in Section 1A-16.5 of this Code.

10 (d) The State Board of Elections shall, by rule, establish
11 criteria and procedures for determining whether an agency of
12 the State or federal government seeking to become a designated
13 automatic voter registration agency has access to reliable
14 personal information, as defined under this subsection (d) and
15 subsection (f) of Section 1A-16.2 of this Code, and otherwise
16 meets the requirements to enter into an interagency contract
17 and to operate as a designated automatic voter registration
18 agency. The State Board of Elections shall approve each
19 interagency contract upon affirmative vote of a majority of its
20 members.

21 As used in this subsection (d), "reliable personal
22 information" means information about individuals obtained from
23 government sources that may be used to verify whether an
24 individual is eligible to register to vote.

25 (e) Whenever an applicant's data is transferred from the
26 Office of the Secretary of State or a designated automatic

1 voter registration agency, the agency must transmit a signature
2 image if available. If no signature image was provided by the
3 agency, or if no signature image is available in the Office of
4 the Secretary of State's database or the statewide voter
5 registration database, the applicant must be notified that his
6 or her registration will remain in a pending status, and the
7 applicant will be required to provide identification that
8 complies with the federal Help America Vote Act of 2002 and a
9 signature to the election authority on election day in the
10 polling place or during early voting.

11 (f) Upon receipt of personal information collected and
12 transferred by the Office of the Secretary of State or a
13 designated automatic voter registration agency, the State
14 Board of Elections shall check the information against the
15 statewide voter registration database. The State Board of
16 Elections shall create and electronically transmit to the
17 appropriate election authority a voter registration
18 application for any individual who is not registered to vote in
19 Illinois and is not disqualified as provided in this Section or
20 whose information reliably indicates a more recent update to
21 the name or address of a person already included in the
22 statewide voter database. The election authority shall process
23 the application accordingly.

24 (g) The appropriate election authority shall ensure that
25 any applicant who is registered to vote or whose existing voter
26 registration is updated under this Section is promptly sent

1 written notice of the change. The notice required by this
2 subsection (g) may be sent or combined with other notices
3 required or permitted by law, including, but not limited to,
4 any notices sent pursuant to Section 1A-16.5 of this Code. Any
5 notice required by this subsection (g) shall contain, at a
6 minimum: (i) the applicant's name and residential address as
7 reflected on the voter registration list; (ii) a statement
8 notifying the applicant to contact the appropriate election
9 authority if his or her voter registration has been updated in
10 error; (iii) the qualifications to register to vote in
11 Illinois; (iv) a statement notifying the applicant that he or
12 she may opt out of voter registration or request a change to
13 his or her registration information at any time by contacting
14 an election official; and (v) contact information for the
15 appropriate election authority, including a phone number,
16 address, electronic mail address, and website address.

17 (h) The appropriate election authority shall ensure that
18 any applicant whose voter registration application is not
19 accepted or deemed incomplete is promptly sent written notice
20 of the application's status. The notice required by this
21 subsection may be sent or combined with other notices required
22 or permitted by law, including, but not limited to, any notices
23 sent pursuant to Section 1A-16.5 of this Code. Any notice
24 required by this subsection (h) shall contain, at a minimum,
25 the reason the application was not accepted or deemed
26 incomplete and contact information for the appropriate

1 election authority, including a phone number, address,
2 electronic mail address, and website address.

3 (i) If the Office of the Secretary of State or a designated
4 automatic voter registration agency transfers information, or
5 if the State Board of Elections creates and transmits a voter
6 registration application, for a person who does not qualify as
7 an eligible voter, then it shall not constitute a completed
8 voter registration form, and the person shall not be considered
9 to have registered to vote.

10 (j) If the registration is processed by any election
11 authority, then it shall be presumed to have been effected and
12 officially authorized by the State, and that person shall not
13 be found on that basis to have made a false claim to
14 citizenship or to have committed an act of moral turpitude, nor
15 shall that person be subject to penalty under any relevant
16 laws, including, but not limited to, Sections 29-10 and 29-19
17 of this Code. This subsection (j) does not apply to a person
18 who knows that he or she is not entitled to register to vote
19 and who willfully votes, registers to vote, or attests under
20 penalty of perjury that he or she is eligible to register to
21 vote or willfully attempts to vote or to register to vote.

22 (k) The State Board of Elections, the Office of the
23 Secretary of State, and each designated automatic voter
24 registration agency shall implement policies and procedures to
25 protect the privacy and security of voter information as it is
26 acquired, stored, and transmitted among agencies, including

1 policies for the retention and preservation of voter
2 information. Information designated as confidential under this
3 Section may be recorded and shared among the State Board of
4 Elections, election authorities, the Office of the Secretary of
5 State, and designated automatic voter registration agencies,
6 but shall be used only for voter registration purposes, shall
7 not be disclosed to the public except in the aggregate as
8 required by subsection (m) of this Section, and shall not be
9 subject to the Freedom of Information Act. The following
10 information shall be designated as confidential:

11 (1) any portion of an applicant's Social Security
12 number;

13 (2) any portion of an applicant's driver's license
14 number or State identification number;

15 (3) an applicant's decision to decline voter
16 registration;

17 (4) the identity of the person providing information
18 relating to a specific applicant; and

19 (5) the personal residence and contact information of
20 any applicant for whom notice has been given by an
21 appropriate legal authority.

22 This subsection (k) shall not apply to information the
23 State Board of Elections is required to share with the
24 Electronic Registration Information Center.

25 (1) The voter registration procedures implemented under
26 this Section shall comport with the federal National Voter

1 Registration Act of 1993, as amended, and shall specifically
2 require that the State Board of Elections track registration
3 data received through the online registration system that
4 originated from a designated automatic voter registration
5 agency for the purposes of maintaining statistics.

6 Nothing in this Code shall require designated voter
7 registration agencies to transmit information that is
8 confidential client information under State or federal law
9 without the consent of the applicant.

10 (m) The State Board of Elections, each election authority
11 that maintains a website, the Office of the Secretary of State,
12 and each designated automatic voter registration agency that
13 maintains a website shall provide information on their websites
14 informing the public about the new registration procedures
15 described in this Section. The Office of the Secretary of State
16 and each designated automatic voter registration agency shall
17 display signage or provide literature for the public containing
18 information about the new registration procedures described in
19 this Section.

20 (n) No later than 6 months after the effective date of this
21 amendatory Act of the 100th General Assembly, the State Board
22 of Elections shall hold at least one public hearing on
23 implementing this amendatory Act of the 100th General Assembly
24 at which the public may provide input.

25 (o) The State Board of Elections shall submit an annual
26 public report to the General Assembly and the Governor

1 detailing the progress made to implement this Section. The
2 report shall include all of the following: the number of
3 records transferred under this Section by agency, the number of
4 voters newly added to the statewide voter registration list
5 because of records transferred under this Section by agency,
6 the number of updated registrations under this Section by
7 agency, the number of persons who opted out of voter
8 registration, and the number of voters who submitted voter
9 registration forms using the online procedure described in
10 Section 1A-16.5 of this Code. The 2018 and 2019 annual reports
11 may include less detail if election authorities are not
12 equipped to provide complete information to the State Board of
13 Elections. Any report produced under this subsection (o) shall
14 exclude any information that identifies any individual
15 personally.

16 (p) The State Board of Elections, in consultation with
17 election authorities, the Office of the Secretary of State,
18 designated automatic voter registration agencies, and
19 community organizations, shall adopt rules as necessary to
20 implement the provisions of this Section.

21 (10 ILCS 5/1A-16.8)

22 Sec. 1A-16.8. Automatic transfer of registration based
23 upon information from the National Change of Address database
24 and designated automatic voter registration agencies.

25 (a) The State Board of Elections shall cross-reference the

1 statewide voter registration database against the United
2 States Postal Service's National Change of Address database
3 twice each calendar year, April 15 and October 1 in
4 odd-numbered years and April 15 and December 1 in even-numbered
5 years or with the same frequency as in subsection (b) of this
6 Section, and shall share the findings with the election
7 authorities.

8 (b) In addition, beginning no later than September 1, 2017,
9 the State Board of Elections shall utilize data provided as
10 part of its membership in the Electronic Registration
11 Information Center in order to cross-reference the statewide
12 voter registration database against databases of relevant
13 personal information kept by designated automatic voter
14 registration agencies, including, but not limited to, driver's
15 license information kept by the Secretary of State, at least 6
16 times each calendar year and shall share the findings with
17 election authorities.

18 This subsection (b) shall no longer apply once Sections
19 1A-16.1 and 1A-16.2 of this Code are fully implemented as
20 determined by the State Board of Elections. Upon a
21 determination by the State Board of Elections of full
22 implementation of Sections 1A-16.1 and 1A-16.2 of this Code,
23 the State Board of Elections shall file notice of full
24 implementation and the inapplicability of this subsection (b)
25 with the Index Department of the Office of the Secretary of
26 State, the Governor, the General Assembly, and the Legislative

1 Reference Bureau.

2 (b-5) The State Board of Elections shall not be required to
3 share any data on any voter attained using the National Change
4 of Address database under subsection (a) of this Section if
5 that voter has a more recent government transaction indicated
6 using the cross-reference under subsection (b) of this Section.
7 If there is contradictory or unclear data between data obtained
8 under subsections (a) and (b) of this Section, then data
9 obtained under subsection (b) of this Section shall take
10 priority.

11 (c) An election authority shall automatically register any
12 voter who has moved into its jurisdiction from another
13 jurisdiction in Illinois or has moved within its jurisdiction
14 provided that:

15 (1) the election authority whose jurisdiction includes
16 the new registration address provides the voter an
17 opportunity to reject the change in registration address
18 through a mailing, sent by non-forwardable mail, to the new
19 registration address, and

20 (2) when the election authority whose jurisdiction
21 includes the previous registration address is a different
22 election authority, then that election authority provides
23 the same opportunity through a mailing, sent by forwardable
24 mail, to the previous registration address.

25 This change in registration shall trigger the same
26 inter-jurisdictional or intra-jurisdictional workflows as if

1 the voter completed a new registration card, including the
2 cancellation of the voter's previous registration. Should the
3 registration of a voter be changed from one address to another
4 within the State and should the voter appear at the polls and
5 offer to vote from the prior registration address, attesting
6 that the prior registration address is the true current
7 address, the voter, if confirmed by the election authority as
8 having been registered at the prior registration address and
9 canceled only by the process authorized by this Section, shall
10 be issued a regular ballot, and the change of registration
11 address shall be canceled. If the election authority is unable
12 to immediately confirm the registration, the voter shall be
13 permitted to register and vote a regular ballot, provided that
14 he or she meets the documentary requirements for same-day
15 registration. If the election authority is unable to confirm
16 the registration and the voter does not meet the requirements
17 for same-day registration, the voter shall be issued a
18 provisional ballot.

19 (d) No voter shall be disqualified from voting due to an
20 error relating to an update of registration under this Section.

17 constructed thereon shall be vested in the Secretary of State.
18 Expenditures for the construction and equipping of any of such
19 buildings upon premises owned by another public entity shall
20 not be subject to the provisions of any State law requiring
21 that the State be vested with absolute fee title to the
22 premises. The exercise of the authority vested in the Secretary
23 of State by this Section is subject to the appropriation of the
24 necessary funds.

1 (c) Pursuant to Sections 1A-16.1, 1A-16.7, and Section

5 (d) (Blank).

6 (e) Each person applying at a driver services facility for
7 a driver's license or permit, a corrected driver's license or
8 permit, an Illinois identification card or a corrected Illinois
9 identification card shall be notified, under the procedures set
10 forth in Sections 1A-16.1 and 1A-16.7 of the Election Code,
11 that unless he or she affirmatively declines, his or her

22 (f) Any person applying at a driver services facility for
23 issuance or renewal of a driver's license or Illinois
24 Identification Card shall be provided, without charge, with a
