

1 AN ACT concerning transportation.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 PART 5. NEW HARMONY BRIDGE AUTHORITY ACT

5 Section 5-1. Short title. This Part may be cited as the New  
6 Harmony Bridge Authority Act. References in this Part to "this  
7 Act" mean this Part.

8 Section 5-5. Findings; intent. The General Assembly finds  
9 that the New Harmony Bridge, which crosses the Wabash River  
10 south of Interstate 64 and has an entrance span in Illinois and  
11 Indiana, is in need of rehabilitation. The White County Bridge  
12 Commission, a private entity created by Congress in 1941, lacks  
13 the resources necessary to rehabilitate and maintain the  
14 bridge. The New Harmony Bridge provides an important link  
15 between this State and Indiana. The rehabilitation and  
16 continued use of the New Harmony Bridge is essential to  
17 preserve and improve the public welfare and prosperity of the  
18 people of this State. It is in the best interests of the public  
19 welfare and public safety that this State and the State of  
20 Indiana work together to repair and maintain this historical  
21 bridge. The intent of this Act is to ensure that the New  
22 Harmony Bridge is rehabilitated and maintained so that it can

1 meet the needs of motorists for years to come.

2 Section 5-10. Definitions. As used in this Act:

3 (1) "Bridge" means the White County bridge over the Wabash  
4 River that connects White County, Illinois, and Posey County,  
5 Indiana. "Bridge" includes all approaches and rights of way  
6 necessary or desirable for the operation and maintenance of the  
7 bridge.

8 (2) "Bridge authority" means the New Harmony River Bridge  
9 Authority created by Section 5-15.

10 (3) "Commission" refers to the White County bridge  
11 commission created by Congressional Act of April 12, 1941,  
12 Public Law 77-37, 55 Stat. 140.

13 Section 5-15. Authority establishment.

18 into any contract that may be necessary to implement this Act.  
19 The bridge authority's contract power includes the ability to

23 (2) grant to the bridge authority the power to own and  
24 operate assets in the state of Indiana that are transferred

22 then the joint bridge authority may determine the  
23 membership and term of office for any bridge authority  
24 member representing Indiana or an Indiana entity.

2 Governor, by and with the advice and consent of the Senate, for  
3 the unexpired term. In the case of a vacancy while the Senate  
4 is not in session, the Governor shall make a temporary  
5 appointment until the next meeting of the Senate, when the
