1 AMENDMENT TO SENATE BILL 2898

2 AMENDMENT NO. \_\_\_\_\_. Amend Senate Bill 2898 by replacing  
3 everything after the enacting clause with the following:

4 "Section 5. The Illinois Public Aid Code is amended by  
5 changing Section 5-1 as follows:

6 (305 ILCS 5/5-1) (from Ch. 23, par. 5-1)

7 Sec. 5-1. Declaration of purpose. It is the ~~the~~ purpose of  
8 this Article to provide a program of essential medical care and  
9 rehabilitative services for persons receiving basic  
10 maintenance grants under this Code and for other persons who  
11 are unable, because of inadequate resources, to meet their  
12 essential medical needs.

13 Preservation of health, alleviation of sickness, and  
14 correction of disabling conditions for persons requiring  
15 maintenance support are essential if they are to have an  
16 opportunity to become self-supporting or to attain a greater

1 capacity for self-care. For persons who are medically indigent  
2 but otherwise able to provide themselves with a livelihood, it  
3 is of special importance to maintain their incentives for  
4 continued independence and preserve their limited resources  
5 for ordinary maintenance needs to prevent their total or  
6 substantial dependency.
