Member municipalities, public water districts, townships, State universities, or counties may, for the purposes of, and upon request by, the Municipal Joint Action Water Agency, exercise the power of eminent domain available to them, convey property so acquired to the Agency for the cost of acquisition, and be reimbursed for all expenses related to this exercise of eminent domain power on behalf of the Agency.

13 All property, income and receipts of or transactions by a 14 Municipal Joint Action Water Agency shall be exempt from all 15 taxation, the same as if it were the property, income or 16 receipts of or transaction by the member municipalities, public 17 water districts, townships, State universities, or counties.

(d) A Municipal Joint Action Water Agency established 18 19 pursuant to this Section 3.1 shall have the power to buy water 20 and to enter into contracts with any person, corporation or 21 public agency (including any member municipality, public water 22 district, township, or county) for that purpose. SB3086 Enrolled - 8 - LRB100 19664 RJF 34938 b

available or delivered to the Agency or whether any project for 1 2 the supply of water contemplated by any such contract is 3 completed, operable or operating and notwithstanding any suspension, interruption, interference, reduction 4 or 5 curtailment of the supply of water from such project. Any such contract may provide that if one or more of the other 6 7 purchasers defaults in the payment of its obligations under 8 such contract or a similar contract made with the supplier of 9 the water one or more of the remaining purchasers party to such 10 contract or such similar contract shall be required to pay for 11 all or a portion of the obligations of the defaulting 12 purchasers. No such contract may have a term in excess of 50 13 years.

14 A Municipal Joint Action Water Agency shall have the power 15 to sell water and to enter into contracts with any person, 16 corporation or public agency (including any member 17 municipality, any public water district, any township, any State university, or any county on behalf of a county service 18 area as set forth in this Section) for that purpose. No such 19 20 contract may have a term in excess of 50 years. Any such contract entered into to sell water to a public agency may 21 22 provide that the payments to be made thereunder by such public 23 agency shall be made solely from revenues to be derived by such 24 public agency from the operation of its waterworks system or 25 its combined waterworks and sewerage system. Any public agency 26 so contracting to purchase water shall establish from time to

SB3086 Enrolled - 9 - LRB100 19664 RJF 34938 b

1 time such fees and charges for its water service or combined 2 water and sewer service as will produce revenues sufficient at 3 all times to pay its obligations to the Agency under the purchase contract. Any such contract so providing shall not 4 5 constitute indebtedness of such public agency so contracting to buy water within the meaning of any statutory or constitutional 6 7 limitation. Any such contract of a public agency to buy water 8 shall be a continuing, valid and binding obligation of such 9 public agency payable from such revenues.

10 A Municipal Joint Action Water Agency shall establish fees 11 and charges for the purchase of water from it or for the use of 12 its facilities. No prior appropriation shall be required by 13 either the Municipal Joint Action Water Agency or any public 14 agency before entering into any contract authorized by this 15 paragraph (d).

16 The changes in this Section made by this amendatory Act of 17 1984 are intended to be declarative of existing law.

(e) 1. A Municipal Joint Action Water Agency established 18 19 pursuant to this Section 3.1 may, from time to time, borrow 20 money and, in evidence of its obligation to repay the borrowing, issue its negotiable water revenue bonds or notes 21 22 pursuant to this paragraph (e) for any of the following 23 purposes: for paying costs of constructing, acquiring, 24 improving or extending a joint waterworks or water supply 25 system; for paying other expenses incident to or incurred in 26 connection with such construction, acquisition, improvement or

extension; for repaying advances made to or by the Agency for 1 2 such purposes; for paying interest on the bonds or notes until the estimated date of completion of any such construction, 3 acquisition, improvement or extension and for such period after 4 5 the estimated completion date as the Board of Directors of the 6 Agency shall determine; for paying financial, legal, 7 administrative and other expenses of the authorization, 8 issuance, sale or delivery of bonds or notes; for paying costs 9 of insuring payment of the bonds or notes; for providing or increasing a debt service reserve fund with respect to any or 10 11 all of the Agency's bonds or notes; and for paying, refunding 12 or redeeming any of the Agency's bonds or notes before, after or at their maturity, including paying redemption premiums or 13 interest accruing or to accrue on such bonds or notes being 14 15 paid or redeemed or for paying any other costs in connection 16 with any such payment or redemption.

17 2. Any bonds or notes issued pursuant to this paragraph (e) by a Municipal Joint Action Water Agency shall be authorized by 18 a resolution of the Board of Directors of the Agency adopted by 19 20 the affirmative vote of Directors from a majority of the member municipalities, public water districts, townships, 21 State 22 universities, and counties, and any additional requirements as 23 may be set forth in the agreement establishing the Agency. The authorizing resolution may be effective immediately upon its 24 25 adoption. The authorizing resolution shall describe in a 26 general way any project contemplated to be financed by the

bonds or notes, shall set forth the estimated cost of the 1 2 project and shall determine its period of usefulness. The 3 authorizing resolution shall determine the maturity or maturities of the bonds or notes, the rate or rates at which 4 5 the bonds or notes are to bear interest and all the other terms and details of the bonds or notes. All such bonds or notes 6 7 shall mature within the period of estimated usefulness of the 8 project with respect to which such bonds or notes are issued, 9 as determined by the Board of Directors, but in any event not 10 more than 50 years from their date of issue. The bonds and 11 notes may bear interest, payable at such times, at a rate or 12 rates not exceeding the maximum rate established in the Bond 13 Authorization Act, as from time to time in effect. Bonds or 14 notes of a Municipal Joint Action Water Agency shall be sold in 15 such manner as the Board of Directors of the Agency shall 16 determine, either at par or at a premium or discount, but such 17 that the effective interest cost (excluding any redemption premium) to the Agency of the bonds or notes shall not exceed a 18 19 rate equal to the rate of interest specified in the Act 20 referred to in the preceding sentence.

The resolution authorizing the issuance of any bonds or notes pursuant to this paragraph (e) shall constitute a contract with the holders of the bonds and notes. The resolution may contain such covenants and restrictions with respect to the purchase or sale of water by the Agency and the contracts for such purchases or sales, the operation of the SB3086 Enrolled - 12 - LRB100 19664 RJF 34938 b

joint waterworks system or water supply system, the issuance of additional bonds or notes by the Agency, the security for the bonds and notes, and any other matters, as may be deemed necessary or advisable by the Board of Directors to assure the payment of the bonds or notes of the Agency.

6 3. The resolution authorizing the issuance of bonds or 7 notes by a Municipal Joint Action Water Agency shall pledge and 8 provide for the application of revenues derived from the 9 operation of the Agency's joint waterworks or water supply 10 system (including from contracts for the sale of water by the 11 Agency) and investment earnings thereon to the payment of the 12 cost of operation and maintenance of the system (including 13 costs of purchasing water), to provision of adequate 14 depreciation, reserve or replacement funds with respect to the 15 system or the bonds or notes, and to the payment of principal, 16 premium, if any, and interest on the bonds or notes of the 17 Agency (including amounts for the purchase of such bonds or notes). The resolution shall provide that revenues of the 18 19 Municipal Joint Action Water Agency so derived from the 20 operation of the system, sufficient (together with other receipts of the Agency which may be applied to such purposes) 21 22 to provide for such purposes, shall be set aside as collected 23 in a separate fund or funds and used for such purposes. The resolution may provide that revenues not required for such 24 25 purposes may be used for any proper purpose of the Agency or 26 may be returned to member municipalities.

Any notes of a Municipal Joint Action Water Agency issued in anticipation of the issuance of bonds by it may, in addition, be secured by a pledge of proceeds of bonds to be issued by the Agency, as specified in the resolution authorizing the issuance of such notes.

6 4. (i) Except as provided in clauses (ii) and (iii) of this 7 subparagraph 4 of this paragraph (e), all bonds and notes of 8 the Municipal Joint Action Water Agency issued pursuant to this 9 paragraph (e) shall be revenue bonds or notes. Such revenue 10 bonds or notes shall have no claim for payment other than from 11 revenues of the Agency derived from the operation of its joint 12 waterworks or water supply system (including from contracts for 13 the sale of water by the Agency) and investment earnings 14 thereon, from bond or note proceeds and investment earnings 15 thereon, or from such other receipts of the Agency as the 16 agreement establishing the Agency may authorize to be pledged 17 to the payment of revenue bonds or notes, all as and to the extent as provided in the resolution of the Board of Directors 18 19 authorizing the issuance of the revenue bonds or notes. Revenue 20 bonds or notes issued by a Municipal Joint Action Water Agency pursuant to this paragraph (e) shall not constitute an 21 22 indebtedness of the Agency or of any member municipality, 23 public water district, township, or county within the meaning of any constitutional or statutory limitation. It shall be 24 25 plainly stated on each revenue bond and note that it does not 26 constitute an indebtedness of the Municipal Joint Action Water

Agency or of any member municipality, public water district,
 township, or county within the meaning of any constitutional or
 statutory limitation.

(ii) If the Agreement so provides and subject to the 4 5 referendum provided for in clause (iii) of this subparagraph 4 of this paragraph (e), the Municipal Joint Action Water Agency 6 7 may borrow money for corporate purposes on the credit of the 8 Municipal Joint Action Water Agency, and issue general 9 obligation bonds therefor, in such amounts and form and on such 10 conditions as it shall prescribe, but shall not become indebted 11 in any manner or for any purpose in an amount including 12 existing indebtedness in the aggregate which exceeds 5.75% of 13 the aggregate value of the taxable property within the 14 boundaries of the participating municipalities, public water 15 districts, townships, and county service areas within a member 16 county determined by the governing body of the county by 17 resolution to be served by the Municipal Joint Action Water Agency (including any territory added to the Agency after the 18 19 issuance of such general obligation bonds), collectively 20 defined as the "Service Area", as equalized and assessed by the Department of Revenue and as most recently available at the 21 22 time of the issue of said bonds. Before or at the time of 23 incurring any such general obligation indebtedness, the 24 Municipal Joint Action Water Agency shall provide for the 25 collection of a direct annual tax, which shall be unlimited as 26 to rate or amount, sufficient to pay the interest on such debt

as it falls due and also to pay and discharge the principal 1 2 thereof at maturity, which shall be within 40 years after the date of issue thereof. Such tax shall be levied upon and 3 collected from all of the taxable property within 4 the 5 territorial boundaries of such Service Area at the time of the referendum provided for in clause (iii) and shall be levied 6 7 upon and collected from all taxable property within the 8 boundaries of any territory subsequently added to the Service 9 Area. Dissolution of the Municipal Joint Action Water Agency 10 for any reason shall not relieve the taxable property within 11 such Service Area from liability for such tax. Liability for 12 such tax for property transferred to or released from such 13 Service Area shall be determined in the same manner as for 14 general obligation bonds of such county, if in an 15 unincorporated area, and of such municipality, if within the 16 boundaries thereof. The clerk or other officer of the Municipal 17 Joint Action Water Agency shall file a certified copy of the resolution or ordinance by which such bonds are authorized to 18 be issued and such tax is levied with the County Clerk or 19 20 Clerks of the county or counties containing the Service Area, and such filing shall constitute, without the doing of any 21 22 other act, full and complete authority for such County Clerk or 23 Clerks to extend such tax for collection upon all the taxable 24 property within the Service Area subject to such tax in each 25 and every year, as required, in amounts sufficient to pay the 26 principal of and interest on such bonds, as aforesaid, without

limit as to rate or amount. Such tax shall be in addition to and in excess of all other taxes authorized to be levied by the Municipal Joint Action Water Agency or by such county, municipality, township, or public water district. The issuance of such general obligation bonds shall be subject to the other provisions of this paragraph (e), except for the provisions of clause (i) of this subparagraph 4.

8 (iii) No issue of general obligation bonds of the Municipal 9 Joint Action Water Agency (except bonds to refund an existing 10 bonded indebtedness) shall be authorized unless the Municipal 11 Joint Action Water Agency certifies the proposition of issuing 12 such bonds to the proper election authorities, who shall submit the proposition to the voters in the Service Area at an 13 14 election in accordance with the general election law, and the 15 proposition has been approved by a majority of those voting on 16 the proposition.

17 The proposition shall be substantially in the following 18 form:

_____ 19 20 Shall general obligation 21 bonds for the purpose of (state 22 purpose), in the sum not to 23 exceed \$.... (insert amount), Yes _____ 24 be issued by the 25 (insert corporate name of the No 26 Municipal Joint Action Water

1 Agency)?

3 5. As long as any bonds or notes of a Municipal Joint Action Water Agency created pursuant to this Section 3.1 are 4 5 outstanding and unpaid, the Agency shall not terminate or dissolve and, except as permitted by the resolution or 6 7 resolutions authorizing outstanding bonds or notes, no member 8 municipality, public water district, township, or county may 9 withdraw from the Agency. While any such bonds or notes are 10 outstanding, all contracts for the sale of water by the Agency 11 to member municipalities, public water districts, townships, 12 or counties shall be irrevocable except as permitted by the resolution or resolutions authorizing such bonds or notes. The 13 14 Agency shall establish fees and charges for its operations 15 sufficient to provide adequate revenues to meet all of the 16 requirements under its various resolutions authorizing bonds 17 or notes.

6. A holder of any bond or note issued pursuant to this 18 paragraph (e) may, in any civil action, mandamus or other 19 proceeding, enforce and compel performance of all duties 20 required to be performed by the Agency or such counties, as 21 22 provided in the authorizing resolution, or by any of the public 23 agencies contracting with the Agency to purchase water, 24 including the imposition of fees and charges, the collection of 25 sufficient revenues and the proper application of revenues as 26 provided in this paragraph (e) and the levying, extension and SB3086 Enrolled - 18 - LRB100 19664 RJF 34938 b

1 collection of such taxes.

2 7. In addition, the resolution authorizing any bonds or 3 notes issued pursuant to this paragraph (e) may provide for a pledge, assignment, lien or security interest, for the benefit 4 5 of the holders of any or all bonds or notes of the Agency, (i) on any or all revenues derived from the operation of the joint 6 7 waterworks or water supply system (including from contracts for 8 the sale of water) and investment earnings thereon or (ii) on 9 funds or accounts securing the payment of the bonds or notes as 10 provided in the authorizing resolution. In addition, such a 11 pledge, assignment, lien or security interest may be made with 12 respect to any receipts of the Agency which the agreement 13 establishing the Agency authorizes it to apply to payment of bonds or notes. Any such pledge, assignment, lien or security 14 interest for the benefit of holders of bonds or notes shall be 15 16 valid and binding from the time the bonds or notes are issued, 17 without any physical delivery or further act, and shall be valid and binding as against or prior to any claims of any 18 other party having any claims of any kind against the Agency 19 20 irrespective of whether such other parties have notice of such pledge, assignment, lien or security interest. 21

A resolution of a Municipal Joint Water Agency authorizing the issuance of bonds or notes pursuant to this paragraph (e) may provide for the appointment of a corporate trustee with respect to any or all of such bonds or notes (which trustee may be any trust company or state or national bank having the power SB3086 Enrolled - 19 - LRB100 19664 RJF 34938 b

of a trust company within Illinois). In that event, the 1 2 resolution shall prescribe the rights, duties and powers of the trustee to be exercised for the benefit of the Agency and the 3 protection of the holders of such bonds or notes. 4 The 5 resolution may provide for the trustee to hold in trust, invest and use amounts in funds and accounts created as provided in 6 7 the resolution. The resolution authorizing the bonds or notes 8 may provide for the assignment and direct payment to the 9 trustee of amounts owed by public agencies to the Municipal 10 Joint Action Water Agency under water sales contracts for 11 application by the trustee to the purposes for which such 12 revenues are to be used as provided in this paragraph (e) and 13 as provided in the authorizing resolution. Upon receipt of 14 notice of such assignment, the public agency shall thereafter 15 make the assigned payments directly to such trustee.

Nothing in this Section authorizes a Joint Action Water Agency to provide water service directly to residents within a municipality or in territory within one mile or less of the corporate limits of a municipality that operates a public water supply unless the municipality has consented in writing to such service being provided.

1 finance drainage and sewage treatment projects, and may enter 2 into agreements or contracts for the provision of drainage or 3 sewage treatment services for member municipalities or 4 counties.

5 (d) A Municipal Joint Sewage Treatment Agency shall have 6 such powers as shall be provided in the agreement establishing 7 it, which may include, but need not be limited to, the 8 following powers:

9

(1) to sue or be sued;

10 (2) to apply for and accept gifts, grants or loans of 11 funds or property, or financial or other aid, from any 12 public agency or private entity;

The resolution authorizing the issuance of the bonds or notes shall pledge and provide for the application of revenues derived from the operation of the project to payment of the cost of operation and maintenance of the project, to provision for adequate depreciation, reserve or replacement funds with respect to the project, the bonds or notes, and to the payment of principal, premium, if any, and interest on the bonds or SB3086 Enrolled - 23 - LRB100 19664 RJF 34938 b
