4 Section 5. The Illinois Municipal Code is amended by
5 changing Section 11-1-12 as follows:

6 (65 ILCS 5/11-1-12)

7 Sec. 11-1-12. Quotas prohibited. A municipality may not
8 require a police officer to issue a specific number of
9 citations within a designated period of time. This prohibition
10 shall not affect the conditions of any federal or State grants
11 or funds awarded to the municipality and used to fund traffic
12 enforcement programs.

13 A municipality may not, for purposes of evaluating a police
14 officer's job performance, compare the number of citations
15 issued by the police officer to the number of citations issued
16 by any other police officer who has similar job duties. Nothing
17 in this Section shall prohibit a municipality from evaluating a
18 police officer based on the police officer's points of contact.
19 For the purposes of this Section, "points of contact" means any
20 quantifiable contact made in the furtherance of the police
21 officer's duties, including, but not limited to, the number of
22 traffic stops completed, arrests, written warnings, and crime
23 prevention measures. Points of contact shall not include either

1 the issuance of citations or the number of citations issued by
2 a police officer.

3 ~~This Section shall not apply to a municipality subject to~~
4 ~~Section 10-1-18.1 of this Code with its own independent~~
5 ~~inspector general and law enforcement review authority.~~

6 A home rule municipality may not establish requirements for
7 or assess the performance of police officers in a manner
8 inconsistent with this Section. This Section is a denial and
9 limitation of home rule powers and functions under subsection
10 (g) of Section 6 of Article VII of the Illinois Constitution.
