LRB101 04865 RPS 56199 a

1 AMENDMENT TO HOUSE BILL 342

2 AMENDMENT NO. _____. Amend House Bill 342 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Department of Public Health Powers and
5 Duties Law of the Civil Administrative Code of Illinois is
6 amended by adding Section 2310-578 as follows:

7 (20 ILCS 2310/2310-578 new)

8 Sec. 2310-578. Immunizing agents derived from aborted
9 fetal tissue.

10 (a) As used in this Section:

11 (1) "Health care provider" means any physician,
12 advanced practice registered nurse, physician assistant,
13 hospital facility, or other person that is licensed or
14 otherwise authorized to deliver health care services.

15 (2) "Immunizing agent derived from aborted fetal
16 tissue" means an immunizing agent that is manufactured

1 using a human fetal or embryonic cell line, protein,
2 deoxyribonucleic acid, recombinant deoxyribonucleic acid,
3 monoclonal antibody, or any other component derived from an
4 elective abortion or using a cell line derived from the
5 tissue of a fetus that was electively aborted.

6 (b) The Department shall create and maintain a list of each
7 immunizing agent derived from aborted fetal tissue. If an
8 immunizing agent that is not an immunizing agent derived from
9 aborted fetal tissue is available as an alternative to an
10 immunizing agent derived from aborted fetal tissue, the
11 Department shall include the alternative on the list. The
12 Department shall update the list annually and make the list
13 available to the public on the Department's website.

14 (c) The Department shall ensure that, beginning January 1,
15 2020, before administering an immunizing agent derived from
16 aborted fetal tissue to an individual, a health care provider
17 shall notify the individual or, if the individual is a child,
18 the parent or guardian of the child that the immunizing agent
19 was derived from aborted fetal tissue. If an immunizing agent
20 that is not an immunizing agent derived from aborted fetal
21 tissue is available as an alternative to an immunizing agent
22 derived from aborted fetal tissue, the health care provider
23 shall offer the alternative to the individual or, if the
24 individual is a child, to the parent or guardian of the child.
25 A health care provider shall also notify the individual or, if
26 the individual is a child, the parent or guardian of the child

1 of the option to decline the receipt of the immunizing agent.

2 Section 99. Effective date. This Act takes effect upon
3 becoming law.".
