7 "Undesignated glucagon" means glucagon prescribed in the
8 name of a school."; and

9 by deleting line 18 on page 2 through line 14 on page 3; and

10 on page 4, line 14, by deleting "medication"; and

11 on page 5, by replacing lines 10 through 24 with the following:

12 "Sec. 27. Undesignated glucagon. A school may maintain a

1 supply of glucagon in any secure location that is immediately
2 accessible to a school nurse or a delegated care aide. A
3 physician, a physician assistant who has prescriptive
4 authority under Section 7.5 of the Physician Assistant Practice
5 Act of 1987, or an advanced practice registered nurse who has
6 prescriptive authority under Section 65-40 of the Nurse
7 Practice Act may prescribe undesignated glucagon in the name of
8 the school to be maintained for use when necessary. Any supply
9 of undesignated glucagon must be maintained in accordance with
10 the manufacturer's instructions. A school nurse or delegated
11 care aide may administer undesignated glucagon if he or she is
12 authorized to administer the undesignated glucagon through a
13 student's diabetes care plan and if the student's prescribed
14 glucagon is not available on-site or has expired. Immediately
15 after the administration of undesignated glucagon, a school
16 must notify the school nurse, unless the school nurse was the
17 one administering the undesignated glucagon, and the student's
18 parent or".
