1 AMENDMENT TO HOUSE BILL 2576

2 AMENDMENT NO. _____. Amend House Bill 2576 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Wildlife Code is amended by changing
5 Section 2.26 as follows:

6 (520 ILCS 5/2.26) (from Ch. 61, par. 2.26)

7 Sec. 2.26. Deer hunting permits. Any person attempting to
8 take deer shall first obtain a "Deer Hunting Permit" issued by
9 the Department in accordance with its administrative rules.
10 Those rules must provide for the issuance of the following
11 types of resident deer archery permits: (i) a combination
12 permit, consisting of one either-sex permit and one
13 antlerless-only permit, (ii) a single antlerless-only permit,
14 and (iii) a single either-sex permit. The fee for a Deer
15 Hunting Permit to take deer with either bow and arrow or gun
16 shall not exceed \$25.00 for residents of the State. The

1 Department may by administrative rule provide for non-resident
2 deer hunting permits for which the fee will not exceed \$300 in
3 2005, \$350 in 2006, and \$400 in 2007 and thereafter except as
4 provided below for non-resident landowners and non-resident
5 archery hunters. The Department may by administrative rule
6 provide for a non-resident archery deer permit consisting of
7 not more than 2 harvest tags at a total cost not to exceed \$325
8 in 2005, \$375 in 2006, and \$425 in 2007 and thereafter. The
9 fees for a youth resident and non-resident archery deer permit
10 shall be the same.

11 Youth deer hunting permits issued by the Department for the
12 special 3-day, youth-only season shall be valid statewide,
13 excluding those counties or portions of counties closed to
14 firearm deer hunting. Unfilled youth deer hunting permits shall
15 again be valid only during the following harvest periods
16 authorized by Section 2.25: (i) the separate harvest period for
17 the purpose of managing or eradicating disease that has been
18 found in the deer herd; and (ii) the separate harvest period at
19 specific sites within the State for the purpose of harvesting
20 surplus deer that cannot be taken during the regular season
21 provided for the taking of deer. Unfilled youth deer hunting
22 permits used during these separate harvest periods shall only
23 be valid in those counties opened to those harvest periods by
24 the Department through administrative rule. Nothing in this
25 Section shall be construed to prohibit the Department from
26 issuing Special Hunt Area Permits for the youth-only deer

1 hunting season or establishing, through administrative rule,
2 additional regulations pertaining to the youth-only deer
3 hunting season on Department-owned or Department-managed
4 sites, including site-specific quotas or drawings.

5 The standards and specifications for use of guns and bow
6 and arrow for deer hunting shall be established by
7 administrative rule.

8 No person may have in his or her possession any firearm not
9 authorized by administrative rule for a specific hunting season
10 when taking deer.

11 Persons having a firearm deer hunting permit shall be
12 permitted to take deer only during the period from 1/2 hour
13 before sunrise to 1/2 hour after sunset, and only during those
14 days for which an open season is established for the taking of
15 deer by use of shotgun, handgun, or muzzle loading rifle.

16 Persons having an archery deer hunting permit shall be
17 permitted to take deer only during the period from 1/2 hour
18 before sunrise to 1/2 hour after sunset, and only during those
19 days for which an open season is established for the taking of
20 deer by use of bow and arrow.

21 It shall be unlawful for any person to take deer by use of
22 dogs, horses, automobiles, aircraft or other vehicles, or by
23 the use or aid of bait or baiting of any kind. For the purposes
24 of this Section, "bait" means any material, whether liquid or
25 solid, including food, salt, minerals, and other products,
26 except pure water, that can be ingested, placed, or scattered

1 in such a manner as to attract or lure white-tailed deer.
2 "Baiting" means the placement or scattering of bait to attract
3 deer. An area is considered as baited during the presence of
4 and for 10 consecutive days following the removal of bait.
5 Nothing in this Section shall prohibit the use of a dog to
6 track wounded deer. Any person using a dog for tracking wounded
7 deer must maintain physical control of the dog at all times by
8 means of a maximum 50 foot lead attached to the dog's collar or
9 harness. Tracking wounded deer is permissible at night, but at
10 no time outside of legal deer hunting hours or seasons shall
11 any person handling or accompanying a dog being used for
12 tracking wounded deer be in possession of any firearm or
13 archery device. Persons tracking wounded deer with a dog during
14 the firearm deer seasons shall wear blaze orange or solid blaze
15 pink color as required. Dog handlers tracking wounded deer with
16 a dog are exempt from hunting license and deer permit
17 requirements so long as they are accompanied by the licensed
18 deer hunter who wounded the deer.

19 It shall be unlawful to possess or transport any wild deer
20 which has been injured or killed in any manner upon a public
21 highway or public right-of-way of this State unless exempted by
22 administrative rule.

23 Persons hunting deer must have gun unloaded and no bow and
24 arrow device shall be carried with the arrow in the nocked
25 position during hours when deer hunting is unlawful.

26 It shall be unlawful for any person, having taken the legal

1 limit of deer by gun, to further participate with gun in any
2 deer hunting party.

3 It shall be unlawful for any person, having taken the legal
4 limit of deer by bow and arrow, to further participate with bow
5 and arrow in any deer hunting party.

6 The Department may prohibit upland game hunting during the
7 gun deer season by administrative rule.

8 The Department shall not limit the number of non-resident,
9 either-sex archery deer hunting permits to less than 20,000.

10 Any person who violates any of the provisions of this
11 Section, including administrative rules, shall be guilty of a
12 Class B misdemeanor.

13 For the purposes of calculating acreage under this Section,
14 the Department shall, after determining the total acreage of
15 the applicable tract or tracts of land, round remaining
16 fractional portions of an acre greater than or equal to half of
17 an acre up to the next whole acre.

18 For the purposes of taking white-tailed deer, nothing in
19 this Section shall be construed to prevent the manipulation,
20 including mowing or cutting, of standing crops as a normal
21 agricultural or soil stabilization practice, food plots, or
22 normal agricultural practices, including planting, harvesting,
23 and maintenance such as cultivating or the use of products
24 designed for scent only and not capable of ingestion, solid or
25 liquid, placed or scattered, in such a manner as to attract or
26 lure deer. Such manipulation for the purpose of taking

1 white-tailed deer may be further modified by administrative
2 rule.
