after February 1, 2006.

16. For the permanent partial loss of use of a member or sight of an eye, or hearing of an ear, compensation during that proportion of the number of weeks in the foregoing schedule provided for the loss of such member or sight of an eye, or hearing of an ear, which the partial loss of use thereof bears to the total loss of use of such member, or sight of eye, or hearing of an ear.

9 (a) Loss of hearing for compensation purposes 10 shall be confined to the frequencies of 1,000, 2,000 11 and 3,000 cycles per second. Loss of hearing ability 12 for frequency tones above 3,000 cycles per second are 13 not to be considered as constituting disability for 14 hearing.

15 (b) The percent of hearing loss, for purposes of 16 the determination of compensation claims for occupational deafness, shall be calculated as 17 the average in decibels for the thresholds of hearing for 18 the frequencies of 1,000, 2,000 and 3,000 cycles per 19 20 tone air conduction audiometric second. Pure 21 instruments, approved by nationally recognized 22 authorities in this field, shall be used for measuring 23 hearing loss. If the losses of hearing average 30 24 decibels or less in the 3 frequencies, such losses of 25 hearing shall not then constitute any compensable 26 hearing disability. If the losses of hearing average 85

1

2

3

decibels or more in the 3 frequencies, then the same shall constitute and be total or 100% compensable hearing loss.

4 (c) In measuring hearing impairment, the lowest 5 measured losses in each of the 3 frequencies shall be 6 added together and divided by 3 to determine the 7 average decibel loss. For every decibel of loss 8 exceeding 30 decibels an allowance of 1.82% shall be 9 made up to the maximum of 100% which is reached at 85 10 decibels.

(d) If a hearing loss is established to have existed on July 1, 1975 by audiometric testing the employer shall not be liable for the previous loss so established nor shall he be liable for any loss for which compensation has been paid or awarded.

16 (e) No consideration shall be given to the question 17 of whether or not the ability of an employee to 18 understand speech is improved by the use of a hearing 19 aid.

(f) No claim for loss of hearing due to industrial noise shall be brought against an employer or allowed unless the employee has been exposed for a period of time sufficient to cause permanent impairment to noise levels in excess of the following:

10 This subparagraph (f) shall not be applied in cases of 11 hearing loss resulting from trauma or explosion.

12 17. In computing the compensation to be paid to any employee who, before the accident for which he claims 13 compensation, had before that time sustained an injury 14 15 resulting in the loss by amputation or partial loss by 16 amputation of any member, including hand, arm, thumb or fingers, leg, foot or any toes, such loss or partial loss 17 of any such member shall be deducted from any award made 18 for the subsequent injury. For the permanent loss of use or 19 20 the permanent partial loss of use of any such member or the 21 partial loss of sight of an eye, for which compensation has 22 been paid, then such loss shall be taken into consideration 23 and deducted from any award for the subsequent injury.

18. The specific case of loss of both hands, both arms,
or both feet, or both legs, or both eyes, or of any two
thereof, or the permanent and complete loss of the use

thereof, constitutes total and permanent disability, to be compensated according to the compensation fixed by paragraph (f) of this Section. These specific cases of total and permanent disability do not exclude other cases.

5 Any employee who has previously suffered the loss or permanent and complete loss of the use of any of such 6 7 members, and in a subsequent independent accident loses 8 another or suffers the permanent and complete loss of the 9 use of any one of such members the employer for whom the 10 injured employee is working at the time of the last 11 independent accident is liable to pay compensation only for 12 the loss or permanent and complete loss of the use of the member occasioned by the last independent accident. 13

14 19. In a case of specific loss and the subsequent death 15 of such injured employee from other causes than such injury 16 leaving a widow, widower, or dependents surviving before 17 payment or payment in full for such injury, then the amount due for such injury is payable to the widow or widower and, 18 19 if there be no widow or widower, then to such dependents, 20 in the proportion which such dependency bears to total 21 dependency.

Beginning July 1, 1980, and every 6 months thereafter, the Commission shall examine the Second Injury Fund and when, after deducting all advances or loans made to such Fund, the amount therein is \$500,000 then the amount required to be paid by employers pursuant to paragraph (f) of Section 7 shall be

reduced by one-half. When the Second Injury Fund reaches the 1 2 sum of \$600,000 then the payments shall cease entirely. 3 However, when the Second Injury Fund has been reduced to \$400,000, payment of one-half of the amounts required by 4 5 paragraph (f) of Section 7 shall be resumed, in the manner herein provided, and when the Second Injury Fund has been 6 reduced to \$300,000, payment of the full amounts required by 7 8 paragraph (f) of Section 7 shall be resumed, in the manner 9 herein provided. The Commission shall make the changes in 10 payment effective by general order, and the changes in payment 11 become immediately effective for all cases coming before the 12 Commission thereafter either by settlement agreement or final 13 order, irrespective of the date of the accidental injury.

14 On August 1, 1996 and on February 1 and August 1 of each 15 subsequent year, the Commission shall examine the special fund 16 designated as the "Rate Adjustment Fund" and when, after 17 deducting all advances or loans made to said fund, the amount therein is \$4,000,000, the amount required to be paid by 18 employers pursuant to paragraph (f) of Section 7 shall be 19 20 reduced by one-half. When the Rate Adjustment Fund reaches the 21 sum of \$5,000,000 the payment therein shall cease entirely. 22 However, when said Rate Adjustment Fund has been reduced to 23 \$3,000,000 the amounts required by paragraph (f) of Section 7 shall be resumed in the manner herein provided. 24

25 (f) In case of complete disability, which renders the 26 employee wholly and permanently incapable of work, or in the

specific case of total and permanent disability as provided in subparagraph 18 of paragraph (e) of this Section, compensation shall be payable at the rate provided in subparagraph 2 of paragraph (b) of this Section for life.

5 An employee entitled to benefits under paragraph (f) of 6 this Section shall also be entitled to receive from the Rate 7 Adjustment Fund provided in paragraph (f) of Section 7 of the 8 supplementary benefits provided in paragraph (g) of this 9 Section 8.

10 If any employee who receives an award under this paragraph 11 afterwards returns to work or is able to do so, and earns or is 12 able to earn as much as before the accident, payments under such award shall cease. If such employee returns to work, or is 13 14 able to do so, and earns or is able to earn part but not as much 15 as before the accident, such award shall be modified so as to 16 conform to an award under paragraph (d) of this Section. If 17 such award is terminated or reduced under the provisions of this paragraph, such employees have the right at any time 18 within 30 months after the date of such termination or 19 20 reduction to file petition with the Commission for the purpose 21 of determining whether any disability exists as a result of the 22 original accidental injury and the extent thereof.

Disability as enumerated in subdivision 18, paragraph (e)of this Section is considered complete disability.

If an employee who had previously incurred loss or the permanent and complete loss of use of one member, through the

loss or the permanent and complete loss of the use of one hand, 1 2 one arm, one foot, one leg, or one eye, incurs permanent and complete disability through the loss or the permanent and 3 complete loss of the use of another member, he shall receive, 4 5 in addition to the compensation payable by the employer and after such payments have ceased, an amount from the Second 6 7 Injury Fund provided for in paragraph (f) of Section 7, which, 8 together with the compensation payable from the employer in 9 whose employ he was when the last accidental injury was 10 incurred, will equal the amount payable for permanent and 11 complete disability as provided in this paragraph of this 12 Section.

13 The custodian of the Second Injury Fund provided for in 14 paragraph (f) of Section 7 shall be joined with the employer as 15 a party respondent in the application for adjustment of claim. 16 The application for adjustment of claim shall state briefly and 17 in general terms the approximate time and place and manner of 18 the loss of the first member.

In its award the Commission or the Arbitrator shall 19 20 specifically find the amount the injured employee shall be 21 weekly paid, the number of weeks compensation which shall be 22 paid by the employer, the date upon which payments begin out of 23 the Second Injury Fund provided for in paragraph (f) of Section 7 of this Act, the length of time the weekly payments continue, 24 25 the date upon which the pension payments commence and the 26 monthly amount of the payments. The Commission shall 30 days

after the date upon which payments out of the Second Injury 1 2 Fund have begun as provided in the award, and every month 3 thereafter, prepare and submit to the State Comptroller a voucher for payment for all compensation accrued to that date 4 5 at the rate fixed by the Commission. The State Comptroller shall draw a warrant to the injured employee along with a 6 receipt to be executed by the injured employee and returned to 7 8 the Commission. The endorsed warrant and receipt is a full and 9 complete acquittance to the Commission for the payment out of 10 the Second Injury Fund. No other appropriation or warrant is 11 necessary for payment out of the Second Injury Fund. The Second 12 Injury Fund is appropriated for the purpose of making payments 13 according to the terms of the awards.

As of July 1, 1980 to July 1, 1982, all claims against and obligations of the Second Injury Fund shall become claims against and obligations of the Rate Adjustment Fund to the extent there is insufficient money in the Second Injury Fund to pay such claims and obligations. In that case, all references to "Second Injury Fund" in this Section shall also include the Rate Adjustment Fund.

(g) Every award for permanent total disability entered by the Commission on and after July 1, 1965 under which compensation payments shall become due and payable after the effective date of this amendatory Act, and every award for death benefits or permanent total disability entered by the Commission on and after the effective date of this amendatory

Act shall be subject to annual adjustments as to the amount of 1 2 the compensation rate therein provided. Such adjustments shall 3 first be made on July 15, 1977, and all awards made and entered prior to July 1, 1975 and on July 15 of each year thereafter. 4 5 In all other cases such adjustment shall be made on July 15 of the second year next following the date of the entry of the 6 7 award and shall further be made on July 15 annually thereafter. 8 If during the intervening period from the date of the entry of 9 the award, or the last periodic adjustment, there shall have 10 been an increase in the State's average weekly wage in covered 11 industries under the Unemployment Insurance Act, the weekly 12 compensation rate shall be proportionately increased by the 13 same percentage as the percentage of increase in the State's 14 weekly waqe in covered industries under average the 15 Unemployment Insurance Act. The increase in the compensation 16 rate under this paragraph shall in no event bring the total 17 compensation rate to an amount greater than the prevailing maximum rate at the time that the annual adjustment is made. 18 19 Such increase shall be paid in the same manner as herein 20 provided for payments under the Second Injury Fund to the 21 injured employee, or his dependents, as the case may be, out of 22 the Rate Adjustment Fund provided in paragraph (f) of Section 7 23 of this Act. Payments shall be made at the same intervals as 24 provided in the award or, at the option of the Commission, may 25 be made in quarterly payment on the 15th day of January, April, 26 July and October of each year. In the event of a decrease in

such average weekly wage there shall be no change in the then existing compensation rate. The within paragraph shall not apply to cases where there is disputed liability and in which a compromise lump sum settlement between the employer and the injured employee, or his dependents, as the case may be, has been duly approved by the Illinois Workers' Compensation Commission.

8 Provided, that in cases of awards entered by the Commission 9 for injuries occurring before July 1, 1975, the increases in 10 the compensation rate adjusted under the foregoing provision of 11 this paragraph (g) shall be limited to increases in the State's 12 weekly wage in covered industries under average the 13 Unemployment Insurance Act occurring after July 1, 1975.

For every accident occurring on or after July 20, 2005 but 14 15 before the effective date of this amendatory Act of the 94th 16 General Assembly (Senate Bill 1283 of the 94th General 17 Assembly), the annual adjustments to the compensation rate in awards for death benefits or permanent total disability, as 18 19 provided in this Act, shall be paid by the employer. The 20 adjustment shall be made by the employer on July 15 of the second year next following the date of the entry of the award 21 22 and shall further be made on July 15 annually thereafter. If 23 during the intervening period from the date of the entry of the award, or the last periodic adjustment, there shall have been 24 25 an increase in the State's average weekly wage in covered 26 industries under the Unemployment Insurance Act, the employer

shall increase the weekly compensation rate proportionately by 1 2 the same percentage as the percentage of increase in the 3 State's average weekly wage in covered industries under the Unemployment Insurance Act. The increase in the compensation 4 5 rate under this paragraph shall in no event bring the total compensation rate to an amount greater than the prevailing 6 maximum rate at the time that the annual adjustment is made. In 7 8 the event of a decrease in such average weekly wage there shall 9 be no change in the then existing compensation rate. Such 10 increase shall be paid by the employer in the same manner and 11 at the same intervals as the payment of compensation in the 12 award. This paragraph shall not apply to cases where there is 13 disputed liability and in which a compromise lump sum 14 settlement between the employer and the injured employee, or 15 his or her dependents, as the case may be, has been duly 16 approved by the Illinois Workers' Compensation Commission.

The annual adjustments for every award of death benefits or permanent total disability involving accidents occurring before July 20, 2005 and accidents occurring on or after the effective date of this amendatory Act of the 94th General Assembly (Senate Bill 1283 of the 94th General Assembly) shall continue to be paid from the Rate Adjustment Fund pursuant to this paragraph and Section 7(f) of this Act.

(h) In case death occurs from any cause before the total
compensation to which the employee would have been entitled has
been paid, then in case the employee leaves any widow, widower,

1 child, parent (or any grandchild, grandparent or other lineal 2 heir or any collateral heir dependent at the time of the 3 accident upon the earnings of the employee to the extent of 50% 4 or more of total dependency) such compensation shall be paid to 5 the beneficiaries of the deceased employee and distributed as 6 provided in paragraph (g) of Section 7.

7 (h-1) In case an injured employee is under legal disability at the time when any right or privilege accrues to him or her 8 9 under this Act, a quardian may be appointed pursuant to law, 10 and may, on behalf of such person under legal disability, claim 11 and exercise any such right or privilege with the same effect 12 as if the employee himself or herself had claimed or exercised 13 the right or privilege. No limitations of time provided by this Act run so long as the employee who is under legal disability 14 15 is without a conservator or guardian.

16 (i) In case the injured employee is under 16 years of age 17 at the time of the accident and is illegally employed, the 18 amount of compensation payable under paragraphs (b), (c), (d), 19 (e) and (f) of this Section is increased 50%.

However, where an employer has on file an employment certificate issued pursuant to the Child Labor Law or work permit issued pursuant to the Federal Fair Labor Standards Act, as amended, or a birth certificate properly and duly issued, such certificate, permit or birth certificate is conclusive evidence as to the age of the injured minor employee for the purposes of this Section.

Nothing herein contained repeals or amends the provisions
 of the Child Labor Law relating to the employment of minors
 under the age of 16 years.

(j) 1. In the event the injured employee receives benefits, 4 5 including medical, surgical or hospital benefits under any group plan covering non-occupational disabilities contributed 6 7 to wholly or partially by the employer, which benefits should 8 not have been payable if any rights of recovery existed under 9 this Act, then such amounts so paid to the employee from any 10 such group plan as shall be consistent with, and limited to, 11 the provisions of paragraph 2 hereof, shall be credited to or 12 any compensation payment for temporary total against 13 incapacity for work or any medical, surgical or hospital 14 benefits made or to be made under this Act. In such event, the 15 period of time for giving notice of accidental injury and 16 filing application for adjustment of claim does not commence to 17 run until the termination of such payments. This paragraph does not apply to payments made under any group plan which would 18 have been payable irrespective of an accidental injury under 19 20 this Act. Any employer receiving such credit shall keep such employee safe and harmless from any and all claims or 21 22 liabilities that may be made against him by reason of having 23 received such payments only to the extent of such credit.

Any excess benefits paid to or on behalf of a State employee by the State Employees' Retirement System under Article 14 of the Illinois Pension Code on a death claim or disputed disability claim shall be credited against any payments made or to be made by the State of Illinois to or on behalf of such employee under this Act, except for payments for medical expenses which have already been incurred at the time of the award. The State of Illinois shall directly reimburse the State Employees' Retirement System to the extent of such credit.

8 2. Nothing contained in this Act shall be construed to give 9 the employer or the insurance carrier the right to credit for 10 any benefits or payments received by the employee other than 11 compensation payments provided by this Act, and where the 12 employee receives payments other than compensation payments, 13 whether as full or partial salary, group insurance benefits, 14 bonuses, annuities or any other payments, the employer or 15 insurance carrier shall receive credit for each such payment 16 only to the extent of the compensation that would have been 17 payable during the period covered by such payment.

3. The extension of time for the filing of an Application 18 for Adjustment of Claim as provided in paragraph 1 above shall 19 20 not apply to those cases where the time for such filing had expired prior to the date on which payments or benefits 21 22 enumerated herein have been initiated or resumed. Provided 23 however that this paragraph 3 shall apply only to cases wherein the payments or benefits hereinabove enumerated shall be 24 received after July 1, 1969. 25
