

Rep. Terra Costa Howard

Filed: 4/3/2019

10100HB3068ham001

LRB101 10128 CPF 59006 a

1 AMENDMENT TO HOUSE BILL 3068

2 AMENDMENT NO. _____. Amend House Bill 3068 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Solid Waste Planning and Recycling Act is
5 amended by adding Section 4.5 as follows:

6 (415 ILCS 15/4.5 new)

7 Sec. 4.5. Statewide Materials Management Advisory
8 Committee; Report.

9 (a) The Statewide Materials Management Advisory Committee
10 is hereby created.

11 (b) The Advisory Committee shall:

12 (1) investigate and provide recommendations for
13 expanding waste reduction, recycling, reuse, and
14 composting in Illinois in a manner that protects the
15 environment, as well as public health and safety, and
16 promotes economic development;

1 (2) investigate and provide recommendations for the
2 form and contents of county waste management plans adopted
3 under this Act; and

4 (3) prepare a report as required under Section 4.6 of
5 this Act.

6 (c) The Advisory Committee shall be composed of the
7 following:

8 (1) The Director of the Agency, or his or her designee,
9 who shall serve as an ex officio and nonvoting member.

10 (2) 25 voting members appointed by the Director of the
11 Agency, as follows:

12 (A) one member representing a municipality with a
13 population of more than 1,000,000;

14 (B) one member representing a county with a
15 population of more than 1,000,000;

16 (C) two members representing counties with a
17 population of at least 200,000 but not more than
18 1,000,000;

19 (D) two members representing counties with a
20 population of at least 85,000 but not more than
21 200,000;

22 (E) two members representing counties with a
23 population of less than 85,000;

24 (F) two members representing the solid waste
25 management industry;

26 (G) two members representing the recycling

1 industry;

2 (H) two members representing providers of general
3 construction and demolition debris recycling services;

4 (I) two members representing environmental
5 interest groups;

6 (J) two members representing manufacturers in the
7 State;

8 (K) two members representing retailers in the
9 State;

10 (L) two members representing producers of compost;
11 and

12 (M) three members representing producers of end
13 products generated through recycling.

14 (d) The Director of the Agency shall appoint all members of
15 the Advisory Committee by no later than January 1, 2020.

16 (e) The initial meeting of the Advisory Committee shall be
17 convened by the Director of the Agency, or his or her designee,
18 no later than March 1, 2020. At the initial meeting, the voting
19 members shall select co-chairs. Subsequent meetings shall
20 convene at the call of the co-chairs.

21 (f) A simple majority of those appointed shall constitute a
22 quorum. The affirmative vote of a majority of those present and
23 voting shall be necessary for Advisory Committee action.

24 (g) Members of the Advisory Committee shall receive no
25 compensation for their services.

26 (h) The Agency shall provide administrative assistance and

1 technical support to the Advisory Committee. The Agency may
2 obtain assistance from outside experts to assist in preparation
3 of the Plan. Funding for the Plan and assistance from outside
4 experts shall be obtained from the Solid Waste Management Fund.

5 (i) On or before July 1, 2021, the Advisory Committee shall
6 prepare and submit a report to the General Assembly summarizing
7 its work.

8 (j) The report shall include, at a minimum, the following
9 information:

10 (1) an estimate of the amount and composition of waste
11 generated annually in Illinois with 2018 as the base year;

12 (2) an estimate of the amount of waste disposed of
13 annually in Illinois with 2018 as the base year;

14 (3) an estimate of the amount of material diverted from
15 landfills annually in Illinois with 2018 as the base year;

16 (4) an analysis of the markets available for materials
17 diverted from Illinois landfills;

18 (5) recommended materials in the municipal waste
19 stream that could be targeted to maximize waste diversion;

20 (6) recommended actions that could be taken to increase
21 landfill diversion rates and the costs associated with
22 those actions;

23 (7) recommended education and public outreach programs
24 that could maximize waste diversion;

25 (8) recommended diversion rates that are achievable by
26 2025, 2030, and 2035; and

1 (9) a database and map of permitted and nonpermitted
2 facilities, including, but not limited to, landfills,
3 garbage transfer stations, landscape waste transfer
4 stations, construction and demolition debris recycling
5 facilities, recycling facilities, compost sites, and scrap
6 metal recycling facilities.

7 (k) In addition, the report shall also include, at a
8 minimum, the following recommendations for waste management
9 plans required under this Act:

10 (1) recommended elements for counties to include in
11 waste management plans required under this Act;

12 (2) a recommended standard methodology for counties to
13 use to determine the annual waste generation rate in the
14 county;

15 (3) a recommended standard methodology for counties to
16 use to determine the annual disposal rate in the county;

17 (4) a recommended standard methodology for counties to
18 use to determine the annual diversion rate in the county;

19 (5) recommended standard actions that can be taken by
20 counties to increase landfill diversion rates;

21 (6) recommended education and public outreach programs
22 that could maximize waste diversion within the county; and

23 (7) recommended standard content for waste management
24 plans required under this Act.

25 (1) This Section is repealed on July 1, 2022.

1 Section 99. Effective date. This Act takes effect upon
2 becoming law.".
