14 level of proficiency in one or more languages in addition to
15 English. The State Seal of Biliteracy shall be awarded
16 beginning with the 2014-2015 school year. School district
17 participation in this program is voluntary.

18 (c) The purposes of the State Seal of Biliteracy are as
19 follows:

20 (1) To encourage pupils to study languages.

21 (2) To certify attainment of biliteracy.

22 (3) To provide employers with a method of identifying
23 people with language and biliteracy skills.

1 (4) To provide universities with an additional method
2 to recognize applicants seeking admission.

3 (5) To prepare pupils with 21st century skills.

4 (6) To recognize the value of foreign language and
5 native language instruction in public schools.

6 (7) To strengthen intergroup relationships, affirm the
7 value of diversity, and honor the multiple cultures and
8 languages of a community.

9 (d) The State Seal of Biliteracy certifies attainment of a
10 high level of proficiency, sufficient for meaningful use in
11 college and a career, by a graduating public high school pupil
12 in one or more languages in addition to English.

13 (e) The State Board of Education shall adopt such rules as
14 may be necessary to establish the criteria that pupils must
15 achieve to earn a State Seal of Biliteracy, which may include
16 without limitation attainment of units of credit in English
17 language arts and languages other than English and passage of
18 such assessments of foreign language proficiency as may be
19 approved by the State Board of Education for this purpose.
20 These rules shall ensure that the criteria that pupils must
21 achieve to earn a State Seal of Biliteracy meet the course

2 pupils who have earned a State Seal of Biliteracy.

3 (2) Make the appropriate designation on the diploma and
