LRB101 08950 AXK 58379 a

1 AMENDMENT TO HOUSE BILL 3432

2 AMENDMENT NO. _____. Amend House Bill 3432 as follows:

3 on page 1, by replacing lines 8 through 10 with the following:

4 "Sec. 10-20.69. Trauma kit.

5 (a) In this Section, "trauma kit" means a first aid
6 response kit that contains, at a minimum, all of the following:

7 (1) One tourniquet endorsed by the Committee on
8 Tactical Combat Casualty Care.

9 (2) One compression bandage.

10 (3) One bleeding control bandage.

11 (4) Protective gloves and a marker.

12 (5) Scissors.

13 (6) Instructional documents developed by the Stop the
14 Bleed national awareness campaign of the United States
15 Department of Homeland Security or the American College of
16 Surgeons' Committee on Trauma, or both.

17 (7) Any other medical materials or equipment similar to

1 those described in paragraphs (1) through (3) or any other
2 items that (i) are approved by a local law enforcement
3 agency or first responders, (ii) can adequately treat a
4 traumatic injury, and (iii) can be stored in a readily
5 available kit.

6 (b) Each school district may maintain an on-site trauma kit
7 at each school of the district for bleeding emergencies."; and

8 on page 4, by replacing line 3 with the following:

9 "life-threatening bleeding and, if applicable, how to use a
10 school's trauma kit. A school board may satisfy the training
11 requirements under this subsection by using the training,
12 including online training, available from the American College
13 of Surgeons or any other similar organization.

14 In all matters relating to trauma response training, school
15 district employees are immune from civil liability in the use
16 of or failure to use a trauma kit unless the action constitutes
17 gross negligence or willful or wanton misconduct."; and

18 on page 4, immediately below line 6, by inserting the
19 following:

20 "(a) In this Section, "trauma kit" means a first aid
21 response kit that contains, at a minimum, all of the following:

22 (1) One tourniquet endorsed by the Committee on
23 Tactical Combat Casualty Care.

24 (2) One compression bandage.

1 (3) One bleeding control bandage.

2 (4) Protective gloves and a marker.

3 (5) Scissors.

4 (6) Instructional documents developed by the Stop the
5 Bleed national awareness campaign of the United States
6 Department of Homeland Security or the American College of
7 Surgeons' Committee on Trauma, or both.

8 (7) Any other medical materials or equipment similar to
9 those described in paragraphs (1) through (3) or any other
10 items that (i) are approved by a local law enforcement
11 agency or first responders, (ii) can adequately treat a
12 traumatic injury, and (iii) can be stored in a readily
13 available kit."; and

14 on page 4, line 7, by replacing "(a)" with "(b)"; and

15 on page 4, line 7, by replacing "must" with "may"; and

16 on page 4 line 9, by replacing "(b)" with "(c)"; and

17
18 on page 4, by replacing line 13 with the following:

19 "life-threatening bleeding and, if applicable, how to use a
20 school's trauma kit. The board may satisfy the training
21 requirements under this subsection by using the training,
22 including online training, available from the American College
23 of Surgeons or any other similar organization.

1 In all matters relating to trauma response training, school
2 district employees are immune from civil liability in the use
3 of or failure to use a trauma kit unless the action constitutes
4 gross negligence or willful or wanton misconduct."
