2 AMENDMENT NO. _____. Amend House Bill 3483 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Department of Human Services Act is amended
5 by changing Section 10-26 as follows:

6 (20 ILCS 1305/10-26)

7 Sec. 10-26. The PUNS database ~~Disability database.~~

8 (a) The Department of Human Services shall compile and
9 maintain a database of Illinois residents with an intellectual
10 disability or a developmental disability, including an autism
11 spectrum disorder, and Illinois residents with an intellectual
12 disability or a developmental disability who are also diagnosed
13 with a physical disability or mental illness and are in need of
14 developmental disability services funded by the Department.
15 The database shall be referred to as the Prioritization of
16 Urgency of Need for Services (PUNS) and shall include, but not

1 be limited to, children and youth, individuals transitioning
2 from special education to post-secondary activities,
3 individuals living at home or in the community, individuals in
4 private nursing and residential facilities, and individuals in
5 intermediate care facilities for persons with developmental
6 disabilities. Individuals who are receiving services under any
7 home and community-based services waiver program authorized
8 under Section 1915(c) of the Social Security Act may remain on
9 the PUNS database until they are offered services through a
10 PUNS selection or demonstrate the need for and are awarded
11 alternative services.

12 (b) The PUNS database shall be used to foster a fair and
13 orderly process for processing applications for developmental
14 disabilities services funded by the Department, verifying
15 information, keeping individuals and families who have applied
16 for services informed of available services and anticipated
17 wait times, determining unmet need, and informing the General
18 Assembly and the Governor of unmet need statewide and within
19 each representative district.

20 (c) Independent service coordination agencies shall be the
21 points of entry for individuals and families applying for
22 developmental disability services funded by the Department.
23 The information collected and maintained for PUNS shall
24 include, but is not limited to, the following: (i) the types of
25 services of which the individual is potentially in need; (ii)
26 demographic and identifying information about the individual;

1 (iii) factors indicating need, including diagnoses, assessment
2 information, ages of primary caregivers, and current living
3 situation; (iv) the date information about the individual is
4 submitted for inclusion in PUNS, and the types of services
5 sought by the individual; and (v) the representative district
6 in which the individual resides. In collecting and maintaining
7 information under this Section, the Department shall give
8 consideration to cost-effective appropriate services for
9 individuals.

10 (d) The Department shall respond to inquiries about
11 anticipated PUNS selection dates and make available a
12 Department e-mail address for such inquiries. Subject to
13 appropriation, the Department shall offer a web-based
14 verification and information-update application. The
15 Department shall make all reasonable efforts to contact
16 individuals on the PUNS database at least 2 times each year and
17 provide information about the PUNS process, information
18 regarding services that may be available to them prior to the
19 time they are selected from PUNS, and advice on preparing for
20 and seeking developmental disability services. At least one of
21 the contacts must be from an independent service coordination
22 agency. The Department may contact individuals on the PUNS
23 database through a newsletter prepared by the Division of
24 Developmental Disabilities. The Department shall provide
25 information about PUNS to the general public on its website.

26 (e) This amendatory Act of the 101st General Assembly does

1 not create any new entitlement to a service, program, or
2 benefit but shall not affect any entitlement to a service,
3 program, or benefit created by any other law. Except for a
4 service, program, or benefit that is an entitlement, a service,
5 program, or benefit provided as a result of the collection and
6 maintenance of PUNS shall be subject to appropriations made by
7 the General Assembly.
