FISCAL NOTE ACT
MAY APPLY

A BILL FOR

1 AN ACT concerning public aid.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Public Aid Code is amended by
5 changing Section 9A-11 and by adding Section 9A-2a as follows:

6 (305 ILCS 5/9A-2a new)

7 Sec. 9A-2a. Federal poverty level; definition. As used in
8 this Article, "federal poverty level" means the poverty
9 guidelines updated periodically in the Federal Register by the
10 U.S. Department of Health and Human Services under the
11 authority of 42 U.S.C. 9902(2).

12 (305 ILCS 5/9A-11) (from Ch. 23, par. 9A-11)

13 Sec. 9A-11. Child care.

14 (a) The General Assembly recognizes that families with
15 children need child care in order to work. Child care is
16 expensive and families with low incomes, including those who
17 are transitioning from welfare to work, often struggle to pay
18 the costs of day care. The General Assembly understands the
19 importance of helping low-income ~~low-income~~ working families
20 become and remain self-sufficient. The General Assembly also
21 believes that it is the responsibility of families to share in
22 the costs of child care. It is also the preference of the

1 General Assembly that all working poor families should be
2 treated equally, regardless of their welfare status.

3 (b) To the extent resources permit, the Illinois Department
4 shall provide child care services to parents or other relatives
5 as defined by rule who are working or participating in
6 employment or Department approved education or training
7 programs. At a minimum, the Illinois Department shall cover the
8 following categories of families:

9 (1) recipients of TANF under Article IV participating
10 in work and training activities as specified in the
11 personal plan for employment and self-sufficiency;

12 (2) families transitioning from TANF to work;

13 (3) families at risk of becoming recipients of TANF;

14 (4) families with special needs as defined by rule;

15 (5) working families with very low incomes as defined
16 by rule;

17 (6) families that are not recipients of TANF and that
18 need child care assistance to participate in education and
19 training activities; and

20 (7) families with children under the age of 5 who have
21 an open intact family services case with the Department of
22 Children and Family Services. Any family that receives
23 child care assistance in accordance with this paragraph
24 shall remain eligible for child care assistance 6 months
25 after the child's intact family services case is closed,
26 regardless of whether the child's parents or other

1 relatives as defined by rule are working or participating
2 in Department approved employment or education or training
3 programs. The Department of Human Services, in
4 consultation with the Department of Children and Family
5 Services, shall adopt rules to protect the privacy of
6 families who are the subject of an open intact family
7 services case when such families enroll in child care
8 services. Additional rules shall be adopted to offer
9 children who have an open intact family services case the
10 opportunity to receive an Early Intervention screening and
11 other services that their families may be eligible for as
12 provided by the Department of Human Services.

13 The Department shall specify by rule the conditions of
14 eligibility, the application process, and the types, amounts,
15 and duration of services. Eligibility for child care benefits
16 and the amount of child care provided may vary based on family
17 size, income, and other factors as specified by rule.

18 A family's eligibility for child care services shall be
19 redetermined no sooner than 12 months following the initial
20 determination or most recent redetermination. During the
21 12-month periods, the family shall remain eligible for child
22 care services regardless of (i) a change in family income,
23 unless family income exceeds 85% of State median income, or
24 (ii) a temporary change in the ongoing status of the parents or
25 other relatives, as defined by rule, as working or attending a
26 job training or educational program.

1 In determining income eligibility for child care benefits,
2 the Department annually, at the beginning of each fiscal year,
3 shall establish, by rule, one income threshold for each family
4 size, in relation to percentage of State median income for a
5 family of that size, that makes families with incomes below the
6 specified threshold eligible for assistance and families with
7 incomes above the specified threshold ineligible for
8 assistance. Through and including fiscal year 2007, the
9 specified threshold must be no less than 50% of the
10 then-current State median income for each family size.
11 Beginning in fiscal year 2008, the specified threshold must be
12 no less than 185% of the then-current federal poverty level for
13 each family size. Notwithstanding any other provision of law or
14 administrative rule to the contrary, beginning in fiscal year
15 2019, the specified threshold for working families with very
16 low incomes as defined by rule must be no less than 185% of the
17 then-current federal poverty level for each family size.
18 Beginning in State fiscal year 2020, the specified income
19 threshold shall be no less than 200% of the then-current
20 federal poverty level for each family size.

21 In determining eligibility for assistance, the Department
22 shall not give preference to any category of recipients or give
23 preference to individuals based on their receipt of benefits
24 under this Code.

25 Nothing in this Section shall be construed as conferring
26 entitlement status to eligible families.

1 The Illinois Department is authorized to lower income
2 eligibility ceilings, raise parent co-payments, create waiting
3 lists, or take such other actions during a fiscal year as are
4 necessary to ensure that child care benefits paid under this
5 Article do not exceed the amounts appropriated for those child
6 care benefits. These changes may be accomplished by emergency
7 rule under Section 5-45 of the Illinois Administrative
8 Procedure Act, except that the limitation on the number of
9 emergency rules that may be adopted in a 24-month period shall
10 not apply.

11 The Illinois Department may contract with other State
12 agencies or child care organizations for the administration of
13 child care services.

14 (c) Payment shall be made for child care that otherwise
15 meets the requirements of this Section and applicable standards
16 of State and local law and regulation, including any
17 requirements the Illinois Department promulgates by rule in
18 addition to the licensure requirements promulgated by the
19 Department of Children and Family Services and Fire Prevention
20 and Safety requirements promulgated by the Office of the State
21 Fire Marshal, and is provided in any of the following:

22 (1) a child care center which is licensed or exempt
23 from licensure pursuant to Section 2.09 of the Child Care
24 Act of 1969;

25 (2) a licensed child care home or home exempt from
26 licensing;

1 (3) a licensed group child care home;

2 (4) other types of child care, including child care
3 provided by relatives or persons living in the same home as
4 the child, as determined by the Illinois Department by
5 rule.

6 (c-5) Solely for the purposes of coverage under the
7 Illinois Public Labor Relations Act, child and day care home
8 providers, including licensed and license exempt,
9 participating in the Department's child care assistance
10 program shall be considered to be public employees and the
11 State of Illinois shall be considered to be their employer as
12 of January 1, 2006 (the effective date of Public Act 94-320)
13 ~~this amendatory Act of the 94th General Assembly~~, but not
14 before. The State shall engage in collective bargaining with an
15 exclusive representative of child and day care home providers
16 participating in the child care assistance program concerning
17 their terms and conditions of employment that are within the
18 State's control. Nothing in this subsection shall be understood
19 to limit the right of families receiving services defined in
20 this Section to select child and day care home providers or
21 supervise them within the limits of this Section. The State
22 shall not be considered to be the employer of child and day
23 care home providers for any purposes not specifically provided
24 in Public Act 94-320 ~~this amendatory Act of the 94th General~~
25 ~~Assembly~~, including, but not limited to, purposes of vicarious
26 liability in tort and purposes of statutory retirement or

1 health insurance benefits. Child and day care home providers
2 shall not be covered by the State Employees Group Insurance Act
3 of 1971.

4 In according child and day care home providers and their
5 selected representative rights under the Illinois Public Labor
6 Relations Act, the State intends that the State action
7 exemption to application of federal and State antitrust laws be
8 fully available to the extent that their activities are
9 authorized by Public Act 94-320 ~~this amendatory Act of the 94th~~
10 ~~General Assembly~~.

11 (d) The Illinois Department shall establish, by rule, a
12 co-payment scale that provides for cost sharing by families
13 that receive child care services, including parents whose only
14 income is from assistance under this Code. The co-payment shall
15 be based on family income and family size and may be based on
16 other factors as appropriate. Co-payments may be waived for
17 families whose incomes are at or below the federal poverty
18 level.

19 (d-5) The Illinois Department, in consultation with its
20 Child Care and Development Advisory Council, shall develop a
21 plan to revise the child care assistance program's co-payment
22 scale. The plan shall be completed no later than February 1,
23 2008, and shall include:

24 (1) findings as to the percentage of income that the
25 average American family spends on child care and the
26 relative amounts that low-income families and the average

1 American family spend on other necessities of life;

2 (2) recommendations for revising the child care
3 co-payment scale to assure that families receiving child
4 care services from the Department are paying no more than
5 they can reasonably afford;

6 (3) recommendations for revising the child care
7 co-payment scale to provide at-risk children with complete
8 access to Preschool for All and Head Start; and

9 (4) recommendations for changes in child care program
10 policies that affect the affordability of child care.

11 (e) (Blank).

12 (f) The Illinois Department shall, by rule, set rates to be
13 paid for the various types of child care. Child care may be
14 provided through one of the following methods:

15 (1) arranging the child care through eligible
16 providers by use of purchase of service contracts or
17 vouchers;

18 (2) arranging with other agencies and community
19 volunteer groups for non-reimbursed child care;

20 (3) (blank); or

21 (4) adopting such other arrangements as the Department
22 determines appropriate.

23 (f-1) Within 30 days after June 4, 2018 (the effective date
24 of Public Act 100-587) ~~this amendatory Act of the 100th General~~
25 ~~Assembly~~, the Department of Human Services shall establish
26 rates for child care providers that are no less than the rates

1 in effect on January 1, 2018 increased by 4.26%.

2 (f-5) (Blank).

3 (g) Families eligible for assistance under this Section
4 shall be given the following options:

5 (1) receiving a child care certificate issued by the
6 Department or a subcontractor of the Department that may be
7 used by the parents as payment for child care and
8 development services only; or

9 (2) if space is available, enrolling the child with a
10 child care provider that has a purchase of service contract
11 with the Department or a subcontractor of the Department
12 for the provision of child care and development services.
13 The Department may identify particular priority
14 populations for whom they may request special
15 consideration by a provider with purchase of service
16 contracts, provided that the providers shall be permitted
17 to maintain a balance of clients in terms of household
18 incomes and families and children with special needs, as
19 defined by rule.
