5           Notwithstanding any provision of the law to the contrary,  
6           the General Assembly hereby authorizes the use of such funds  
7           for the purposes set forth in this Section.

8           These provisions do not apply to funds classified by the  
9           Comptroller as federal trust funds or State trust funds. The  
10          Audit Expense Fund may receive transfers from those trust funds  
11          only as directed herein, except where prohibited by the terms  
12          of the trust fund agreement. The Auditor General shall notify  
13          the trustees of those funds of the estimated cost of the audit  
14          to be incurred under the Illinois State Auditing Act for the  
15          fund. The trustees of those funds shall direct the State  
16          Comptroller and Treasurer to transfer the estimated amount to  
17          the Audit Expense Fund.

18          The Auditor General may bill entities that are not subject  
19          to the above transfer provisions, including private entities,  
20          related organizations and entities whose funds are  
21          locally-held, for the cost of audits, studies, and  
22          investigations incurred on their behalf. Any revenues received  
23          under this provision shall be deposited into the Audit Expense  
24          Fund.

25          In the event that moneys on deposit in any fund are  
26          unavailable, by reason of deficiency or any other reason

1 preventing their lawful transfer, the State Comptroller shall  
2 order transferred and the State Treasurer shall transfer the  
3 amount deficient or otherwise unavailable from the General  
4 Revenue Fund for deposit into the Audit Expense Fund.

5 On or before December 1, 1992, and each December 1  
6 thereafter, the Auditor General shall notify the Governor's  
7 Office of Management and Budget (formerly Bureau of the Budget)  
8 of the amount estimated to be necessary to pay for audits,  
9 studies, and investigations in accordance with the Illinois  
10 State Auditing Act during the next succeeding fiscal year for  
11 each State fund for which a transfer or reimbursement is  
12 anticipated.

13 Beginning with fiscal year 1994 and during each fiscal year  
14 thereafter, the Auditor General may direct the State  
15 Comptroller and Treasurer to transfer moneys from funds  
16 authorized by the General Assembly for that fund. In the event  
17 funds, including federal and State trust funds but excluding  
18 the General Revenue Fund, are transferred, during fiscal year  
19 1994 and during each fiscal year thereafter, in excess of the  
20 amount to pay actual costs attributable to audits, studies, and  
21 investigations as permitted or required by the Illinois State  
22 Auditing Act or specific action of the General Assembly, the  
23 Auditor General shall, on September 30, or as soon thereafter  
24 as is practicable, direct the State Comptroller and Treasurer  
25 to transfer the excess amount back to the fund from which it  
26 was originally transferred.
