1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Medical Practice Act of 1987 is amended by
5 changing Section 20 as follows:

6 (225 ILCS 60/20) (from Ch. 111, par. 4400-20)

7 (Section scheduled to be repealed on December 31, 2019)

8 Sec. 20. Continuing education. The Department shall
9 promulgate rules of continuing education for persons licensed
10 under this Act that require an average of 50 hours of
11 continuing education per license year. These rules shall be
12 consistent with requirements of relevant professional
13 associations, specialty societies, or boards. The rules shall
14 also address variances in part or in whole for good cause,
15 including, but not limited to, temporary illness or hardship.
16 In establishing these rules, the Department shall consider
17 educational requirements for medical staffs, requirements for
18 specialty society board certification or for continuing
19 education requirements as a condition of membership in
20 societies representing the 2 categories of licensee under this
21 Act. These rules shall assure that licensees are given the
22 opportunity to participate in those programs sponsored by or
23 through their professional associations or hospitals which are

1 relevant to their practice. Each licensee is responsible for
2 maintaining records of completion of continuing education and
3 shall be prepared to produce the records when requested by the
4 Department.

5 By January 1, 2020, the Department shall adopt rules to
6 include implicit bias training in continuing education
7 requirements. As used in this Section, "implicit bias" means
8 the unconscious attitudes or stereotypes that can affect
9 behaviors, decisions, and actions in the treatment of women and
10 minority groups.

12 Section 10. The Nurse Practice Act is amended by changing
13 Sections 55-35, 60-40, and 65-60 as follows:

14 (225 ILCS 65/55-35)

15 (Section scheduled to be repealed on January 1, 2028)

16 Sec. 55-35. Continuing education for LPN licensees. The
17 Department may adopt rules of continuing education for licensed
18 practical nurses that require 20 hours of continuing education
19 per 2-year license renewal cycle. The rules shall address
20 variances in part or in whole for good cause, including without
21 limitation illness or hardship. The continuing education rules
22 must ensure that licensees are given the opportunity to
23 participate in programs sponsored by or through their State or
24 national professional associations, hospitals, or other

1 providers of continuing education. Each licensee is
2 responsible for maintaining records of completion of
3 continuing education and shall be prepared to produce the
4 records when requested by the Department.

5 By January 1, 2020, the Department shall adopt rules to
6 include implicit bias training in continuing education
7 requirements. As used in this Section, "implicit bias" means
8 the unconscious attitudes or stereotypes that can affect
9 behaviors, decisions, and actions in the treatment of women and
10 minority groups.

12 (225 ILCS 65/60-40)

13 (Section scheduled to be repealed on January 1, 2028)

14 Sec. 60-40. Continuing education for RN licensees. The
15 Department may adopt rules of continuing education for
16 registered professional nurses licensed under this Act that
17 require 20 hours of continuing education per 2-year license
18 renewal cycle. The rules shall address variances in part or in
19 whole for good cause, including without limitation illness or
20 hardship. The continuing education rules must ensure that
21 licensees are given the opportunity to participate in programs
22 sponsored by or through their State or national professional
23 associations, hospitals, or other providers of continuing
24 education. Each licensee is responsible for maintaining
25 records of completion of continuing education and shall be

1 prepared to produce the records when requested by the
2 Department.

3 By January 1, 2020, the Department shall adopt rules to
4 include implicit bias training in continuing education
5 requirements. As used in this Section, "implicit bias" means
6 the unconscious attitudes or stereotypes that can affect
7 behaviors, decisions, and actions in the treatment of women and
8 minority groups.

10 (225 ILCS 65/65-60) (was 225 ILCS 65/15-45)

11 (Section scheduled to be repealed on January 1, 2028)

12 Sec. 65-60. Continuing education. The Department shall
13 adopt rules of continuing education for persons licensed under
14 this Article as advanced practice registered nurses that
15 require 80 hours of continuing education per 2-year license
16 renewal cycle. Completion of the 80 hours of continuing
17 education shall be deemed to satisfy the continuing education
18 requirements for renewal of a registered professional nurse
19 license as required by this Act.

20 The 80 hours of continuing education required under this
21 Section shall be completed as follows:

22 (1) A minimum of 50 hours of the continuing education
23 shall be obtained in continuing education programs as
24 determined by rule that shall include no less than 20 hours
25 of pharmacotherapeutics, including 10 hours of opioid

1 prescribing or substance abuse education. Continuing
2 education programs may be conducted or endorsed by
3 educational institutions, hospitals, specialist
4 associations, facilities, or other organizations approved
5 to offer continuing education under this Act or rules and
6 shall be in the advanced practice registered nurse's
7 specialty.

8 (2) A maximum of 30 hours of credit may be obtained by
9 presentations in the advanced practice registered nurse's
10 clinical specialty, evidence-based practice, or quality
11 improvement projects, publications, research projects, or
12 preceptor hours as determined by rule.

13 The rules adopted regarding continuing education shall be
14 consistent to the extent possible with requirements of relevant
15 national certifying bodies or State or national professional
16 associations.

17 The rules shall not be inconsistent with requirements of
18 relevant national certifying bodies or State or national
19 professional associations. The rules shall also address
20 variances in part or in whole for good cause, including but not
21 limited to illness or hardship. The continuing education rules
22 shall assure that licensees are given the opportunity to
23 participate in programs sponsored by or through their State or
24 national professional associations, hospitals, or other
25 providers of continuing education. Each licensee is
26 responsible for maintaining records of completion of

1 continuing education and shall be prepared to produce the
2 records when requested by the Department.

3 By January 1, 2020, the Department shall adopt rules to
4 include implicit bias training in continuing education
5 requirements. As used in this Section, "implicit bias" means
6 the unconscious attitudes or stereotypes that can affect
7 behaviors, decisions, and actions in the treatment of women and
8 minority groups.
