1 AMENDMENT TO SENATE BILL 132

2 AMENDMENT NO. _____. Amend Senate Bill 132 as follows:

3 on page 1, immediately below line 3, by inserting the
4 following:

5 "Section 3. The Medical School Curriculum Act is amended by
6 adding Section 1.5 as follows:

7 (110 ILCS 55/1.5 new)

8 Sec. 1.5. Implicit bias training course.

9 (a) In this Section, "implicit bias" means the unconscious
10 attitudes or stereotypes that can affect behaviors, decisions,
11 and actions in the treatment of women and minority groups.

12 (b) In addition to the requirements imposed by Section 1 of
13 this Act, each medical school established, maintained, and
14 operated by this State must include in its curriculum a course
15 on implicit bias training. The goal of the course is to expose

1 medical students to their own biases toward certain patient
2 populations and must include instruction on the disparate
3 health care treatment of patient populations, including black
4 women and patients from other minority groups, as a result of
5 implicit bias."
