12 Sec. 5. Practice of structural engineering. A person shall  
13 be regarded as practicing structural engineering within the  
14 meaning of this Act who is engaged in the design, analysis, or  
15 supervision of the construction, enlargement or alteration of  
16 structures, or any part thereof, for others, to be constructed  
17 by persons other than himself or herself. Structures within the  
18 meaning of this Act are all structures having as essential  
19 features foundations, columns, girders, trusses, arches or  
20 beams, with or without other parts, and in which safe design  
21 and construction require that loads and stresses must be  
22 computed and the size and strength of parts determined by  
23 mathematical calculations based upon scientific principles and  
24 engineering data. Nothing in this Section imposes upon a person  
25 licensed under this Act the responsibility for the performance

1 of any acts or practice unless such person specifically  
2 contracts to provide it. Nothing in this Section precludes an  
3 employee from acting under the direct supervision or

18 ~~come within the definition of "buildings" as defined in any Act~~  
19 ~~in force in this State relating to the regulation of the~~  
20 ~~practice of architecture.~~

23 Sec. 5.5. Technical submissions.

24 (a) As used in this Section, "technical submissions"  
25 include the designs, drawings, and specifications that

1 establish the scope of the structural engineering project, the  
2 standard of quality for materials, workmanship, equipment, and  
3 construction systems, and the studies and other technical  
4 reports and calculations prepared in the course of the practice  
5 of structural engineering.

6 (b) All technical submissions intended for use related to  
7 services involving a structural engineer in the State of  
8 Illinois shall be prepared and administered in accordance with  
9 standards of reasonable professional skill and diligence. Care  
10 shall be taken to reflect the requirements of State statutes  
11 and, where applicable, county and municipal building  
12 ordinances in such submissions. In recognition that structural  
13 engineers are licensed for the protection of the public health,  
14 safety, and welfare, submissions shall be of such quality and  
15 scope, and be so administered, as to conform to professional  
16 standards.

17 (c) No officer, board, commission, or other public entity  
18 that receives technical submissions shall accept for filing or

20 requiring the involvement of a structural engineer that do not  
21 bear the seal and signature of a structural engineer licensed  
22 under this Act.

23 (d) It is unlawful to affix one's seal to technical  
24 submissions if it masks the true identity of the person who  
25 actually exercised responsible control of the preparation of  
26 such work. A structural engineer who seals and signs technical

1 submissions is not responsible for damage caused by subsequent  
2 changes to or uses of those technical submissions where the  
3 subsequent changes or uses, including changes or uses made by  
4 State or local governmental agencies, are not authorized or  
5 approved in writing by the structural engineer who originally  
6 sealed and signed the technical submissions.

22 Nothing in this Section shall be construed to exempt a  
23 professional design firm, sole proprietorship, or  
24 professional service corporation from compliance with the  
25 requirements of the Assumed Business Name Act.

26 It shall be the responsibility of the professional design

1 firm to provide the Department notice, in writing, of any  
2 changes in the information requested on the application.

3 (e) In the event a managing agent is terminated or  
4 terminates his or her status as managing agent of the  
5 professional design firm, such managing agent and the  
6 professional design firm shall notify the Department of this  
7 fact in writing, by regular ~~certified~~ mail or email, within 10  
8 business days of such termination.

9 Thereafter, the professional design firm, if it has so

20 If the professional design firm fails to notify the  
21 Department in writing, by regular mail or by email, within the  
22 specified time, the registration shall be terminated without  
23 prior hearing. Notification of termination shall be sent to the  
24 address of record by regular mail or by email. If the  
25 professional design firm continues to operate and offer

4 (f) No professional design firm shall be relieved of  
5 responsibility for the conduct or acts of its agents,  
6 employees, members, managers, or officers by reason of its  
7 compliance with this Section, nor shall any individual  
8 practicing structural engineering be relieved of the  
9 responsibility for professional services performed by reason  
10 of the individual's employment or relationship with a  
11 professional design firm registered under this Section.

12 (g) Disciplinary action against a professional design firm  
13 registered under this Section shall be administered in the same  
14 manner and on the same grounds as disciplinary action against a  
15 licensed structural engineer. All disciplinary action taken or

17 the effective date of this amendatory Act of 1993 shall be  
18 continued or remain in effect without the Department filing  
19 separate actions.

20 It is unlawful for any person to practice, or to attempt to  
21 practice, structural engineering, without being licensed under  
22 this Act. It is unlawful for any business not subject to the  
23 sole proprietorship exemption to offer or provide structural  
24 engineering services without active registration issued by the  
25 Department as a professional design firm or professional  
26 service corporation.

7 (b) The determination by a circuit court that a licensee is  
8 subject to involuntary admission or judicial admission, as

12 longer subject to involuntary admission or judicial admission,  
13 the issuance of an order so finding and discharging the  
14 patient, and the recommendation of the Board to the Secretary  
15 that the licensee be allowed to resume practice.

16 (c) (Blank).

17 (d) In cases where the Department of Healthcare and Family

8 final assessment of tax, penalty, or interest as required by  
9 any tax Act administered by the Department of Revenue, until  
10 such time as the requirements of the tax Act are satisfied in  
11 accordance with subsection (g) of Section 2105-15 of the  
12 Department of Professional Regulation Law of the Civil  
13 Administrative Code of Illinois ~~The Department shall deny a~~  
14 ~~license or renewal authorized by this Act to a person who has~~

23 consultants or expert witnesses in the investigation or  
24 prosecution of alleged violations of the Act, licensure  
25 matters, restoration proceedings, or criminal prosecutions,  
26 are not liable for damages in any civil action or proceeding as

1 a result of such assistance, ~~except upon proof of actual~~  
2 ~~malice~~. The Attorney General of the State of Illinois shall  
3 defend such persons in any such action or proceeding at no cost  
4 to the person.
