

1 AN ACT concerning health.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Department of Public Health Powers and  
5 Duties Law of the Civil Administrative Code of Illinois is  
6 amended by adding Section 2310-218 as follows:

7 (20 ILCS 2310/2310-218 new)

8 Sec. 2310-218. Phlebotomy on children and adults with  
9 intellectual and developmental disabilities.

10 (a) As used in this Section, "phlebotomist" means a person  
11 who is certified to draw blood for diagnostic testing,  
12 transfusion, research, or blood donation.

13 (b) The Department shall develop and make available  
14 training materials that ensure that all phlebotomists are  
15 trained in the most current methods of drawing blood from  
16 children and adults with intellectual and developmental  
17 disabilities. The materials shall conform to the best available  
18 practices used for drawing blood in a safe manner that is as  
19 comfortable as possible for the individual from whom blood is  
20 drawn and for the families, guardians, caretakers, or  
21 companions of the individual accompanying him or her while  
22 blood is drawn. The Department shall review these materials  
23 every 3 years to ensure that they conform with the best

1 available practices.

2 (c) The Department shall ensure that health care providers,  
3 as that term is defined under the Health Care Services Lien  
4 Act, and laboratories, as that term is defined under the  
5 Illinois Clinical Laboratory and Blood Bank Act, that employ a  
6 phlebotomist incorporate the training described in subsection  
7 (b) as part of a phlebotomist's initial employment training and  
8 as part of any ongoing training to maintain competencies and  
9 certifications as a phlebotomist.
