

1 AN ACT concerning transportation.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 1. Reference to Act. This Act may be referred to as  
5 the Stay of Driver's License Suspension for Child Support  
6 Arrearage Law.

7 Section 5. The Illinois Public Aid Code is amended by  
8 changing Section 10-16.5 as follows:

9 (305 ILCS 5/10-16.5)

10 Sec. 10-16.5. Interest on support obligations. A support  
11 obligation, or any portion of a support obligation, which  
12 becomes due and remains unpaid as of the end of each month,  
13 excluding the child support that was due for that month to the  
14 extent that it was not paid in that month, shall accrue simple  
15 interest as set forth in Section 12-109 of the Code of Civil  
16 Procedure. An order for support entered or modified on or after  
17 January 1, 2006 shall contain a statement that a support  
18 obligation required under the order, or any portion of a  
19 support obligation required under the order, that becomes due  
20 and remains unpaid as of the end of each month, excluding the  
21 child support that was due for that month to the extent that it  
22 was not paid in that month, shall accrue simple interest as set

1       forth in Section 12-109 of the Code of Civil Procedure. Failure  
2       to include the statement in the order for support does not  
3       affect the validity of the order or the accrual of interest as  
4       provided in this Section. The Department may provide, by rule,  
5       if, or how, the Department will enforce interest in cases in  
6       which IV-D services are being provided.

7       ~~In cases in which IV-D services are being provided, the~~  
8       ~~Department shall provide, by rule, for a one time notice to~~  
9       ~~obligees advising the obligee that he or she must notify the~~  
10      ~~Department within 60 days of the notice that he or she wishes~~  
11      ~~to have the Department compute any interest that accrued on a~~  
12      ~~specific docket in his or her case between May 1, 1987 and~~  
13      ~~December 31, 2005. If the obligee fails to notify the~~  
14      ~~Department within the 60 day period: (i) the Department shall~~  
15      ~~have no further duty to enforce and collect interest accrued on~~  
16      ~~support obligations established under this Code or under any~~  
17      ~~other law that are owed to the obligee prior to January 1,~~  
18      ~~2006; and (ii) any interest due on that docket prior to 2006~~  
19      ~~may be pursued by the obligee through a court action, but not~~  
20      ~~through the Department's IV-D agency.~~

22             Section 10. The Illinois Vehicle Code is amended by  
23      changing Sections 7-704 and 7-704.1 as follows:

24             (625 ILCS 5/7-704)

1           Sec. 7-704. Suspension to continue until compliance with  
2 court order of support.

3           (a) The suspension of a driver's license shall remain in  
4 effect unless and until the Secretary of State receives  
5 authenticated documentation that the obligor is in compliance  
6 with a court order of support or that the order has been stayed  
7 by a subsequent order of the court. Full driving privileges  
8 shall not be issued by the Secretary of State until  
9 notification of compliance has been received from the court.  
10 The circuit clerks shall report the obligor's compliance with a  
11 court order of support to the Secretary of State, on a form  
12 prescribed by the Secretary.

13           (a-1) The suspension of a driver's license shall remain in  
14 effect unless and until the Secretary of State receives  
15 authenticated documentation as to the person who violated a  
16 visitation order that the court has determined that there has  
17 been sufficient compliance for a sufficient period of time with  
18 the court's order concerning visitation and that full driving  
19 privileges shall be reinstated or that the order has been  
20 stayed by a subsequent order of the court. Full driving  
21 privileges shall not be issued by the Secretary of State until  
22 notification has been received from the court. The circuit  
23 clerk shall report any court order in which the court  
24 determined that there has been sufficient compliance for a  
25 sufficient period of time with the court's order concerning  
26 visitation and that full driving privileges shall be reinstated

1 to the Secretary of State on a form prescribed by the  
2 Secretary.

3 (b) Whenever, after one suspension of an individual's  
4 driver's license for failure to pay child support, another  
5 order of non-payment is entered against the obligor and the  
6 person fails to come into compliance with the court order of  
7 support, then the Secretary shall again suspend the driver's  
8 license of the individual and that suspension shall not be  
9 removed unless the obligor is in full compliance with the court  
10 order of support and has made full payment on all arrearages or  
11 has arranged for payment of the arrearages and current support  
12 obligation in a manner satisfactory to the court. The provision  
13 in this Section regarding the compliance necessary to remove an  
14 active suspension applies equally to all individuals who have  
15 had a driver's license suspended due to non-payment of child  
16 support, regardless of whether that suspension occurred before  
17 or after the effective date of this amendatory Act of the 101st  
18 General Assembly.

19 (b-1) Whenever, after one suspension of an individual's  
20 driver's license for failure to abide by a visitation order,  
21 another order finding visitation abuse is entered against the  
22 person and the court orders the suspension of the person's  
23 driver's license, then the Secretary shall again suspend the  
24 driver's license of the individual and that suspension shall  
25 not be removed until the court has determined that there has  
26 been sufficient compliance for a sufficient period of time with

1 the court's order concerning visitation and that full driving  
2 privileges shall be reinstated.

3 (c) Section 7-704.1, and not this Section, governs the  
4 duration of a driver's license suspension if the suspension  
5 occurs as the result of a certification by the Illinois  
6 Department of Healthcare and Family Services under subsection  
7 (c) of Section 7-702.

9 (625 ILCS 5/7-704.1)

10 Sec. 7-704.1. Duration of driver's license suspension upon  
11 certification of Department of Healthcare and Family Services.

12 (a) When a suspension of a driver's license occurs as the  
13 result of a certification by the Illinois Department of  
14 Healthcare and Family Services under subsection (c) of Section  
15 7-702, the suspension shall remain in effect until the  
16 Secretary of State receives notification from the Department  
17 that the person whose license was suspended has paid the  
18 support delinquency in full or has arranged for payment of the  
19 delinquency and current support obligation in a manner  
20 satisfactory to the Department.

21 (b) Whenever, after one suspension of an individual's  
22 driver's license based on certification of the Department of  
23 Healthcare and Family Services, another certification is  
24 received from the Department of Healthcare and Family Services,  
25 the Secretary shall again suspend the driver's license of that

1 individual and that suspension shall not be removed unless the  
2 obligor is in full compliance with the order of support and has  
3 made full payment on all arrearages or has arranged for payment  
4 of the arrearages and current support obligation in a manner  
5 satisfactory to the Department. The provision in this Section  
6 regarding the compliance necessary to remove an active  
7 suspension applies equally to all individuals who have had a  
8 driver's license suspended due to nonpayment of child support,  
9 regardless of whether that suspension occurred before or after  
10 the effective date of this amendatory Act of the 101st General  
11 Assembly.

13 Section 15. The Code of Civil Procedure is amended by  
14 changing Section 12-109 as follows:

15 (735 ILCS 5/12-109) (from Ch. 110, par. 12-109)

16 Sec. 12-109. Interest on judgments.

17 (a) Every judgment except those arising by operation of law  
18 from child support orders shall bear interest thereon as  
19 provided in Section 2-1303.

20 (b) Every judgment arising by operation of law from a child  
21 support order shall bear interest as provided in this  
22 subsection. The interest on judgments arising by operation of  
23 law from child support orders shall be calculated by applying  
24 one-twelfth of the current statutory interest rate as provided

1 in Section 2-1303 to the unpaid child support balance as of the  
2 end of each calendar month. The unpaid child support balance at  
3 the end of the month is the total amount of child support  
4 ordered, excluding the child support that was due for that  
5 month to the extent that it was not paid in that month and  
6 including judgments for retroactive child support, less all  
7 payments received and applied as set forth in this subsection.  
8 The accrued interest shall not be included in the unpaid child  
9 support balance when calculating interest at the end of the  
10 month. The unpaid child support balance as of the end of each  
11 month shall be determined by calculating the current monthly  
12 child support obligation and applying all payments received for  
13 that month, except federal income tax refund intercepts, first  
14 to the current monthly child support obligation and then  
15 applying any payments in excess of the current monthly child  
16 support obligation to the unpaid child support balance owed  
17 from previous months. The current monthly child support  
18 obligation shall be determined from the document that  
19 established the support obligation. Federal income tax refund  
20 intercepts and any payments in excess of the current monthly  
21 child support obligation shall be applied to the unpaid child  
22 support balance. Any payments in excess of the current monthly  
23 child support obligation and the unpaid child support balance  
24 shall be applied to the accrued interest on the unpaid child  
25 support balance. Interest on child support obligations may be  
26 collected by any means available under federal and State law,

1 rules, and regulations providing for the collection of child  
2 support ~~State law for the collection of child support~~  
3 ~~judgments.~~
