

Sen. John G. Mulroe

Filed: 3/25/2019

10100SB1506sam001

LRB101 09025 CPF 58284 a

1 AMENDMENT TO SENATE BILL 1506

2 AMENDMENT NO. _____. Amend Senate Bill 1506 by replacing
3 everything after the enacting clause with the following:

4 "Section 1. Short title; references to Act.

5 (a) Short title. This Act may be cited as the Dense Breast
6 Tissue Act.

7 (b) References to Act. This Act may be referred to as the
8 Patti Beyer Act of Illinois.

9 Section 5. Applicability. This Act applies to a facility
10 that provides mammography services in the State of Illinois.

11 Section 10. Breast cancer; duty of providers of mammography
12 services to notify and inform.

13 (a) As used in this Section, "dense breast tissue" means
14 heterogeneously dense or extremely dense tissue as defined in
15 nationally recognized guidelines or systems for breast imaging

1 reporting of mammography screening, including, but not limited
2 to, the Breast Imaging Reporting and Data System of the
3 American College of Radiology, and any equivalent new terms, as
4 such guidelines or systems are updated.

5 (b) If a patient's mammogram demonstrates dense breast
6 tissue, the provider of mammography services shall provide
7 notification to the patient in the summary of the mammography
8 report sent to the patient pursuant to the federal Mammography
9 Quality Standards Act that shall include, but not be limited
10 to, the following information:

11 "Your mammogram shows that your breast tissue is dense.
12 Dense breast tissue is very common and is not abnormal.
13 However, dense breast tissue can make it harder to find cancer
14 on a mammogram and may also be associated with an increased
15 risk of breast cancer.

16 This information about the result of your mammogram is
17 given to you to raise your awareness. Use this information to
18 talk to your doctor about your own risks for breast cancer. At
19 that time, ask your doctor if more screening tests might be
20 useful, based on your risk. A report of your results was sent
21 to your physician."

22 (20 ILCS 2310/2310-697 rep.)

23 Section 90. The Department of Public Health Powers and
24 Duties Law of the Civil Administrative Code of Illinois is
25 amended by repealing Section 2310-697."
