LRB101 08973 AWJ 59435 a

1 AMENDMENT TO SENATE BILL 1568

2 AMENDMENT NO. _____. Amend Senate Bill 1568 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Department of Public Health Powers and
5 Duties Law of the Civil Administrative Code of Illinois is
6 amended by adding Section 2310-236 as follows:

7 (20 ILCS 2310/2310-236 new)

8 Sec. 2310-236. Form of coroner's report; sudden unexpected
9 infant death and sudden infant death syndrome.

10 (a) The Department shall develop and require the use of a
11 form by coroners in the case of a death of an infant in which
12 the cause of death is sudden unexpected infant death or sudden
13 infant death syndrome. The form shall contain, at minimum, the
14 following information to be recorded after a preliminary
15 investigation:

16 (1) The date and time of death.

1 (2) The county of occurrence and the county of the
2 infant's residence.

3 (3) Relevant demographic details regarding the infant,
4 such as date of birth and gender.

5 (4) Relevant demographic details regarding the parents
6 or caretaker of the infant.

7 (5) Relevant details regarding the circumstances of
8 the death, including, but not limited to, who found the
9 infant, where, and what they did.

10 (6) Relevant details concerning where the infant was
11 placed, by whom, and in what position.

12 (7) Any additional relevant details concerning the
13 sleep environment that the infant was placed in and what
14 environmental factors were present, to the extent that
15 those factors are ascertainable.

16 (8) Relevant details concerning health hazards present
17 in the sleep environment, to the extent that those health
18 hazards are ascertainable.

19 (9) Relevant details concerning the infant's medical
20 history and previous medical issues.

21 (10) Other information the Department may determine to
22 be relevant and conducive to understanding and recording
23 the circumstances of the infant's death.

24 (b) The Department shall publish current information
25 concerning sudden unexpected infant death and sudden infant
26 death syndrome.

1 (c) At least once every 5 years, the Department shall
2 review the form and determine whether updates need to be made
3 for effectiveness and relevancy.

4 Section 10. The Counties Code is amended by changing
5 Section 3-3016 as follows:

6 (55 ILCS 5/3-3016) (from Ch. 34, par. 3-3016)

7 Sec. 3-3016. Sudden unexpected infant death and sudden
8 infant death syndrome. Where an infant under one year ~~2 years~~
9 of age has died suddenly and unexpectedly and the circumstances
10 concerning the death are unexplained following investigation,
11 an autopsy shall be performed by a physician licensed to
12 practice medicine in all of its branches who has special
13 training in pathology. When an autopsy is conducted under this
14 Section, the parents or guardian of the child shall receive a
15 preliminary report of the autopsy within 5 days of the infant's
16 death. All suspected sudden unexpected infant death and sudden
17 infant death syndrome ~~Sudden Infant Death Syndrome~~ cases shall
18 be reported to the Statewide Sudden Unexpected Infant Death
19 ~~Syndrome~~ Program within 72 hours.

20 Death certificates shall list the cause of death as sudden
21 unexpected infant death or sudden infant death syndrome ~~Sudden~~
22 ~~Infant Death Syndrome~~ where this finding is medically justified
23 pursuant to the rules and regulations of the Department of
24 Public Health. Copies of death certificates which list the

1 cause of death of infants under one year ~~2 years~~ of age as
2 sudden unexpected infant death or sudden infant death syndrome
3 ~~Sudden Infant Death Syndrome~~ shall be forwarded to the
4 Department of Public Health within 30 days of the death with a
5 report which shall include an autopsy report, epidemiological
6 data required by the Department and other pertinent data.
