1 AMENDMENT TO SENATE BILL 1937

2 AMENDMENT NO. _____. Amend Senate Bill 1937 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The School Code is amended by changing Section
5 19-1 as follows:

6 (105 ILCS 5/19-1)

7 Sec. 19-1. Debt limitations of school districts.

8 (a) School districts shall not be subject to the provisions
9 limiting their indebtedness prescribed in the Local Government
10 Debt Limitation Act.

11 No school districts maintaining grades K through 8 or 9
12 through 12 shall become indebted in any manner or for any
13 purpose to an amount, including existing indebtedness, in the
14 aggregate exceeding 6.9% on the value of the taxable property
15 therein to be ascertained by the last assessment for State and
16 county taxes or, until January 1, 1983, if greater, the sum

1 that is produced by multiplying the school district's 1978
2 equalized assessed valuation by the debt limitation percentage
3 in effect on January 1, 1979, previous to the incurring of such
4 indebtedness.

5 No school districts maintaining grades K through 12 shall
6 become indebted in any manner or for any purpose to an amount,
7 including existing indebtedness, in the aggregate exceeding
8 13.8% on the value of the taxable property therein to be
9 ascertained by the last assessment for State and county taxes
10 or, until January 1, 1983, if greater, the sum that is produced
11 by multiplying the school district's 1978 equalized assessed
12 valuation by the debt limitation percentage in effect on
13 January 1, 1979, previous to the incurring of such
14 indebtedness.

15 No partial elementary unit district, as defined in Article
16 11E of this Code, shall become indebted in any manner or for
17 any purpose in an amount, including existing indebtedness, in
18 the aggregate exceeding 6.9% of the value of the taxable
19 property of the entire district, to be ascertained by the last
20 assessment for State and county taxes, plus an amount,
21 including existing indebtedness, in the aggregate exceeding
22 6.9% of the value of the taxable property of that portion of
23 the district included in the elementary and high school
24 classification, to be ascertained by the last assessment for
25 State and county taxes. Moreover, no partial elementary unit
26 district, as defined in Article 11E of this Code, shall become

1 indebted on account of bonds issued by the district for high
2 school purposes in the aggregate exceeding 6.9% of the value of
3 the taxable property of the entire district, to be ascertained
4 by the last assessment for State and county taxes, nor shall
5 the district become indebted on account of bonds issued by the
6 district for elementary purposes in the aggregate exceeding
7 6.9% of the value of the taxable property for that portion of
8 the district included in the elementary and high school
9 classification, to be ascertained by the last assessment for
10 State and county taxes.

11 Notwithstanding the provisions of any other law to the
12 contrary, in any case in which the voters of a school district
13 have approved a proposition for the issuance of bonds of such
14 school district at an election held prior to January 1, 1979,
15 and all of the bonds approved at such election have not been
16 issued, the debt limitation applicable to such school district
17 during the calendar year 1979 shall be computed by multiplying
18 the value of taxable property therein, including personal
19 property, as ascertained by the last assessment for State and
20 county taxes, previous to the incurring of such indebtedness,
21 by the percentage limitation applicable to such school district
22 under the provisions of this subsection (a).

23 (a-5) After January 1, 2018, no school district may issue
24 bonds under Sections 19-2 through 19-7 of this Code and rely on
25 an exception to the debt limitations in this Section unless it
26 has complied with the requirements of Section 21 of the Bond

1 Issue Notification Act and the bonds have been approved by
2 referendum.

3 (b) Notwithstanding the debt limitation prescribed in
4 subsection (a) of this Section, additional indebtedness may be
5 incurred in an amount not to exceed the estimated cost of
6 acquiring or improving school sites or constructing and
7 equipping additional building facilities under the following
8 conditions:

9 (1) Whenever the enrollment of students for the next
10 school year is estimated by the board of education to
11 increase over the actual present enrollment by not less
12 than 35% or by not less than 200 students or the actual
13 present enrollment of students has increased over the
14 previous school year by not less than 35% or by not less
15 than 200 students and the board of education determines
16 that additional school sites or building facilities are
17 required as a result of such increase in enrollment; and

18 (2) When the Regional Superintendent of Schools having
19 jurisdiction over the school district and the State
20 Superintendent of Education concur in such enrollment
21 projection or increase and approve the need for such
22 additional school sites or building facilities and the
23 estimated cost thereof; and

24 (3) When the voters in the school district approve a
25 proposition for the issuance of bonds for the purpose of
26 acquiring or improving such needed school sites or

1 constructing and equipping such needed additional building
2 facilities at an election called and held for that purpose.
3 Notice of such an election shall state that the amount of
4 indebtedness proposed to be incurred would exceed the debt
5 limitation otherwise applicable to the school district.
6 The ballot for such proposition shall state what percentage
7 of the equalized assessed valuation will be outstanding in
8 bonds if the proposed issuance of bonds is approved by the
9 voters; or

10 (4) Notwithstanding the provisions of paragraphs (1)
11 through (3) of this subsection (b), if the school board
12 determines that additional facilities are needed to
13 provide a quality educational program and not less than 2/3
14 of those voting in an election called by the school board
15 on the question approve the issuance of bonds for the
16 construction of such facilities, the school district may
17 issue bonds for this purpose; or

18 (5) Notwithstanding the provisions of paragraphs (1)
19 through (3) of this subsection (b), if (i) the school
20 district has previously availed itself of the provisions of
21 paragraph (4) of this subsection (b) to enable it to issue
22 bonds, (ii) the voters of the school district have not
23 defeated a proposition for the issuance of bonds since the
24 referendum described in paragraph (4) of this subsection
25 (b) was held, (iii) the school board determines that
26 additional facilities are needed to provide a quality

1 educational program, and (iv) a majority of those voting in
2 an election called by the school board on the question
3 approve the issuance of bonds for the construction of such
4 facilities, the school district may issue bonds for this
5 purpose.

6 In no event shall the indebtedness incurred pursuant to
7 this subsection (b) and the existing indebtedness of the school
8 district exceed 15% of the value of the taxable property
9 therein to be ascertained by the last assessment for State and
10 county taxes, previous to the incurring of such indebtedness
11 or, until January 1, 1983, if greater, the sum that is produced
12 by multiplying the school district's 1978 equalized assessed
13 valuation by the debt limitation percentage in effect on
14 January 1, 1979.

15 The indebtedness provided for by this subsection (b) shall
16 be in addition to and in excess of any other debt limitation.

17 (c) Notwithstanding the debt limitation prescribed in
18 subsection (a) of this Section, in any case in which a public
19 question for the issuance of bonds of a proposed school
20 district maintaining grades kindergarten through 12 received
21 at least 60% of the valid ballots cast on the question at an
22 election held on or prior to November 8, 1994, and in which the
23 bonds approved at such election have not been issued, the
24 school district pursuant to the requirements of Section 11A-10
25 (now repealed) may issue the total amount of bonds approved at
26 such election for the purpose stated in the question.

1 (d) Notwithstanding the debt limitation prescribed in
2 subsection (a) of this Section, a school district that meets
3 all the criteria set forth in paragraphs (1) and (2) of this
4 subsection (d) may incur an additional indebtedness in an
5 amount not to exceed \$4,500,000, even though the amount of the
6 additional indebtedness authorized by this subsection (d),
7 when incurred and added to the aggregate amount of indebtedness
8 of the district existing immediately prior to the district
9 incurring the additional indebtedness authorized by this
10 subsection (d), causes the aggregate indebtedness of the
11 district to exceed the debt limitation otherwise applicable to
12 that district under subsection (a):

13 (1) The additional indebtedness authorized by this
14 subsection (d) is incurred by the school district through
15 the issuance of bonds under and in accordance with Section
16 17-2.11a for the purpose of replacing a school building
17 which, because of mine subsidence damage, has been closed
18 as provided in paragraph (2) of this subsection (d) or
19 through the issuance of bonds under and in accordance with
20 Section 19-3 for the purpose of increasing the size of, or
21 providing for additional functions in, such replacement
22 school buildings, or both such purposes.

23 (2) The bonds issued by the school district as provided
24 in paragraph (1) above are issued for the purposes of
25 construction by the school district of a new school
26 building pursuant to Section 17-2.11, to replace an

1 existing school building that, because of mine subsidence
2 damage, is closed as of the end of the 1992-93 school year
3 pursuant to action of the regional superintendent of
4 schools of the educational service region in which the
5 district is located under Section 3-14.22 or are issued for
6 the purpose of increasing the size of, or providing for
7 additional functions in, the new school building being
8 constructed to replace a school building closed as the
9 result of mine subsidence damage, or both such purposes.

10 (e) (Blank).

11 (f) Notwithstanding the provisions of subsection (a) of
12 this Section or of any other law, bonds in not to exceed the
13 aggregate amount of \$5,500,000 and issued by a school district
14 meeting the following criteria shall not be considered
15 indebtedness for purposes of any statutory limitation and may
16 be issued in an amount or amounts, including existing
17 indebtedness, in excess of any heretofore or hereafter imposed
18 statutory limitation as to indebtedness:

19 (1) At the time of the sale of such bonds, the board of
20 education of the district shall have determined by
21 resolution that the enrollment of students in the district
22 is projected to increase by not less than 7% during each of
23 the next succeeding 2 school years.

24 (2) The board of education shall also determine by
25 resolution that the improvements to be financed with the
26 proceeds of the bonds are needed because of the projected

1 enrollment increases.

2 (3) The board of education shall also determine by
3 resolution that the projected increases in enrollment are
4 the result of improvements made or expected to be made to
5 passenger rail facilities located in the school district.

6 Notwithstanding the provisions of subsection (a) of this
7 Section or of any other law, a school district that has availed
8 itself of the provisions of this subsection (f) prior to July
9 22, 2004 (the effective date of Public Act 93-799) may also
10 issue bonds approved by referendum up to an amount, including
11 existing indebtedness, not exceeding 25% of the equalized
12 assessed value of the taxable property in the district if all
13 of the conditions set forth in items (1), (2), and (3) of this
14 subsection (f) are met.

15 (g) Notwithstanding the provisions of subsection (a) of
16 this Section or any other law, bonds in not to exceed an
17 aggregate amount of 25% of the equalized assessed value of the
18 taxable property of a school district and issued by a school
19 district meeting the criteria in paragraphs (i) through (iv) of
20 this subsection shall not be considered indebtedness for
21 purposes of any statutory limitation and may be issued pursuant
22 to resolution of the school board in an amount or amounts,
23 including existing indebtedness, in excess of any statutory
24 limitation of indebtedness heretofore or hereafter imposed:

25 (i) The bonds are issued for the purpose of
26 constructing a new high school building to replace two

1 adjacent existing buildings which together house a single
2 high school, each of which is more than 65 years old, and
3 which together are located on more than 10 acres and less
4 than 11 acres of property.

5 (ii) At the time the resolution authorizing the
6 issuance of the bonds is adopted, the cost of constructing
7 a new school building to replace the existing school
8 building is less than 60% of the cost of repairing the
9 existing school building.

10 (iii) The sale of the bonds occurs before July 1, 1997.

11 (iv) The school district issuing the bonds is a unit
12 school district located in a county of less than 70,000 and
13 more than 50,000 inhabitants, which has an average daily
14 attendance of less than 1,500 and an equalized assessed
15 valuation of less than \$29,000,000.

16 (h) Notwithstanding any other provisions of this Section or
17 the provisions of any other law, until January 1, 1998, a
18 community unit school district maintaining grades K through 12
19 may issue bonds up to an amount, including existing
20 indebtedness, not exceeding 27.6% of the equalized assessed
21 value of the taxable property in the district, if all of the
22 following conditions are met:

23 (i) The school district has an equalized assessed
24 valuation for calendar year 1995 of less than \$24,000,000;

25 (ii) The bonds are issued for the capital improvement,
26 renovation, rehabilitation, or replacement of existing

1 school buildings of the district, all of which buildings
2 were originally constructed not less than 40 years ago;

3 (iii) The voters of the district approve a proposition
4 for the issuance of the bonds at a referendum held after
5 March 19, 1996; and

6 (iv) The bonds are issued pursuant to Sections 19-2
7 through 19-7 of this Code.

8 (i) Notwithstanding any other provisions of this Section or
9 the provisions of any other law, until January 1, 1998, a
10 community unit school district maintaining grades K through 12
11 may issue bonds up to an amount, including existing
12 indebtedness, not exceeding 27% of the equalized assessed value
13 of the taxable property in the district, if all of the
14 following conditions are met:

15 (i) The school district has an equalized assessed
16 valuation for calendar year 1995 of less than \$44,600,000;

17 (ii) The bonds are issued for the capital improvement,
18 renovation, rehabilitation, or replacement of existing
19 school buildings of the district, all of which existing
20 buildings were originally constructed not less than 80
21 years ago;

22 (iii) The voters of the district approve a proposition
23 for the issuance of the bonds at a referendum held after
24 December 31, 1996; and

25 (iv) The bonds are issued pursuant to Sections 19-2
26 through 19-7 of this Code.

1 (j) Notwithstanding any other provisions of this Section or
2 the provisions of any other law, until January 1, 1999, a
3 community unit school district maintaining grades K through 12
4 may issue bonds up to an amount, including existing
5 indebtedness, not exceeding 27% of the equalized assessed value
6 of the taxable property in the district if all of the following
7 conditions are met:

8 (i) The school district has an equalized assessed
9 valuation for calendar year 1995 of less than \$140,000,000

12 (ii) The bonds are issued to purchase a site and build
13 and equip a new high school, and the school district's
14 existing high school was originally constructed not less
15 than 35 years prior to the sale of the bonds;

16 (iii) At the time of the sale of the bonds, the board
17 of education determines by resolution that a new high
18 school is needed because of projected enrollment
19 increases;

20 (iv) At least 60% of those voting in an election held
21 after December 31, 1996 approve a proposition for the
22 issuance of the bonds; and

23 (v) The bonds are issued pursuant to Sections 19-2
24 through 19-7 of this Code.

25 (k) Notwithstanding the debt limitation prescribed in
26 subsection (a) of this Section, a school district that meets

1 all the criteria set forth in paragraphs (1) through (4) of
2 this subsection (k) may issue bonds to incur an additional
3 indebtedness in an amount not to exceed \$4,000,000 even though
4 the amount of the additional indebtedness authorized by this
5 subsection (k), when incurred and added to the aggregate amount
6 of indebtedness of the school district existing immediately
7 prior to the school district incurring such additional
8 indebtedness, causes the aggregate indebtedness of the school
9 district to exceed or increases the amount by which the
10 aggregate indebtedness of the district already exceeds the debt
11 limitation otherwise applicable to that school district under
12 subsection (a):

13 (1) the school district is located in 2 counties, and a
14 referendum to authorize the additional indebtedness was
15 approved by a majority of the voters of the school district
16 voting on the proposition to authorize that indebtedness;

17 (2) the additional indebtedness is for the purpose of
18 financing a multi-purpose room addition to the existing
19 high school;

20 (3) the additional indebtedness, together with the
21 existing indebtedness of the school district, shall not
22 exceed 17.4% of the value of the taxable property in the
23 school district, to be ascertained by the last assessment
24 for State and county taxes; and

25 (4) the bonds evidencing the additional indebtedness
26 are issued, if at all, within 120 days of August 14, 1998

1 (the effective date of Public Act 90-757).

2 (l) Notwithstanding any other provisions of this Section or
3 the provisions of any other law, until January 1, 2000, a
4 school district maintaining grades kindergarten through 8 may
5 issue bonds up to an amount, including existing indebtedness,
6 not exceeding 15% of the equalized assessed value of the
7 taxable property in the district if all of the following
8 conditions are met:

9 (i) the district has an equalized assessed valuation
10 for calendar year 1996 of less than \$10,000,000;

11 (ii) the bonds are issued for capital improvement,
12 renovation, rehabilitation, or replacement of one or more
13 school buildings of the district, which buildings were
14 originally constructed not less than 70 years ago;

15 (iii) the voters of the district approve a proposition
16 for the issuance of the bonds at a referendum held on or
17 after March 17, 1998; and

18 (iv) the bonds are issued pursuant to Sections 19-2
19 through 19-7 of this Code.

20 (m) Notwithstanding any other provisions of this Section or
21 the provisions of any other law, until January 1, 1999, an
22 elementary school district maintaining grades K through 8 may
23 issue bonds up to an amount, excluding existing indebtedness,
24 not exceeding 18% of the equalized assessed value of the
25 taxable property in the district, if all of the following

7 (iii) The bonds are issued for the construction of a
8 new elementary school building to replace an existing
9 multi-level elementary school building of the school
10 district that is not accessible at all levels and parts of
11 which were constructed more than 75 years ago;

12 (iv) The voters of the school district approve a
13 proposition for the issuance of the bonds at a referendum
14 held after July 1, 1998; and

15 (v) The bonds are issued pursuant to Sections 19-2
16 through 19-7 of this Code.

17 (n) Notwithstanding the debt limitation prescribed in
18 subsection (a) of this Section or any other provisions of this
19 Section or of any other law, a school district that meets all
20 of the criteria set forth in paragraphs (i) through (vi) of
21 this subsection (n) may incur additional indebtedness by the
22 issuance of bonds in an amount not exceeding the amount
23 certified by the Capital Development Board to the school
24 district as provided in paragraph (iii) of this subsection (n),
25 even though the amount of the additional indebtedness so
26 authorized, when incurred and added to the aggregate amount of

1 indebtedness of the district existing immediately prior to the
2 district incurring the additional indebtedness authorized by
3 this subsection (n), causes the aggregate indebtedness of the
4 district to exceed the debt limitation otherwise applicable by
5 law to that district:

6 (i) The school district applies to the State Board of
7 Education for a school construction project grant and
8 submits a district facilities plan in support of its
9 application pursuant to Section 5-20 of the School
10 Construction Law.

11 (ii) The school district's application and facilities
12 plan are approved by, and the district receives a grant
13 entitlement for a school construction project issued by,
14 the State Board of Education under the School Construction
15 Law.

16 (iii) The school district has exhausted its bonding
17 capacity or the unused bonding capacity of the district is
18 less than the amount certified by the Capital Development
19 Board to the district under Section 5-15 of the School
20 Construction Law as the dollar amount of the school
21 construction project's cost that the district will be
22 required to finance with non-grant funds in order to
23 receive a school construction project grant under the
24 School Construction Law.

25 (iv) The bonds are issued for a "school construction
26 project", as that term is defined in Section 5-5 of the

1 School Construction Law, in an amount that does not exceed
2 the dollar amount certified, as provided in paragraph (iii)
3 of this subsection (n), by the Capital Development Board to
4 the school district under Section 5-15 of the School
5 Construction Law.

6 (v) The voters of the district approve a proposition
7 for the issuance of the bonds at a referendum held after
8 the criteria specified in paragraphs (i) and (iii) of this
9 subsection (n) are met.

10 (vi) The bonds are issued pursuant to Sections 19-2
11 through 19-7 of the School Code.

12 (o) Notwithstanding any other provisions of this Section or
13 the provisions of any other law, until November 1, 2007, a
14 community unit school district maintaining grades K through 12
15 may issue bonds up to an amount, including existing
16 indebtedness, not exceeding 20% of the equalized assessed value
17 of the taxable property in the district if all of the following

19 (i) the school district has an equalized assessed
20 valuation for calendar year 2001 of at least \$737,000,000
21 and an enrollment for the 2002-2003 school year of at least
22 8,500;

23 (ii) the bonds are issued to purchase school sites,
24 build and equip a new high school, build and equip a new
25 junior high school, build and equip 5 new elementary
26 schools, and make technology and other improvements and

1 additions to existing schools;

2 (iii) at the time of the sale of the bonds, the board
3 of education determines by resolution that the sites and
4 new or improved facilities are needed because of projected
5 enrollment increases;

6 (iv) at least 57% of those voting in a general election
7 held prior to January 1, 2003 approved a proposition for
8 the issuance of the bonds; and

9 (v) the bonds are issued pursuant to Sections 19-2
10 through 19-7 of this Code.

11 (p) Notwithstanding any other provisions of this Section or
12 the provisions of any other law, a community unit school
13 district maintaining grades K through 12 may issue bonds up to
14 an amount, including indebtedness, not exceeding 27% of the
15 equalized assessed value of the taxable property in the
16 district if all of the following conditions are met:

22 elementary school buildings; build and equip one middle
23 school building; and alter, repair, improve, and equip all
24 existing school buildings in the district.

25 (iii) At the time of the sale of the bonds, the board
26 of education determines by resolution that the project is

1 needed because of expanding growth in the school district
2 and a projected enrollment increase.

3 (iv) The bonds are issued pursuant to Sections 19-2
4 through 19-7 of this Code.

5 (p-5) Notwithstanding any other provisions of this Section
6 or the provisions of any other law, bonds issued by a community
7 unit school district maintaining grades K through 12 shall not
8 be considered indebtedness for purposes of any statutory
9 limitation and may be issued in an amount or amounts, including
10 existing indebtedness, in excess of any heretofore or hereafter
11 imposed statutory limitation as to indebtedness, if all of the
12 following conditions are met:

13 (i) For each of the 4 most recent years, residential
14 property comprises more than 80% of the equalized assessed
15 valuation of the district.

16 (ii) At least 2 school buildings that were constructed
17 40 or more years prior to the issuance of the bonds will be
18 demolished and will be replaced by new buildings or
19 additions to one or more existing buildings.

20 (iii) Voters of the district approve a proposition for
21 the issuance of the bonds at a regularly scheduled
22 election.

23 (iv) At the time of the sale of the bonds, the school
24 board determines by resolution that the new buildings or
25 building additions are needed because of an increase in
26 enrollment projected by the school board.

1 (v) The principal amount of the bonds, including
2 existing indebtedness, does not exceed 25% of the equalized
3 assessed value of the taxable property in the district.

4 (vi) The bonds are issued prior to January 1, 2007,
5 pursuant to Sections 19-2 through 19-7 of this Code.

6 (p-10) Notwithstanding any other provisions of this
7 Section or the provisions of any other law, bonds issued by a
8 community consolidated school district maintaining grades K
9 through 8 shall not be considered indebtedness for purposes of
10 any statutory limitation and may be issued in an amount or
11 amounts, including existing indebtedness, in excess of any
12 heretofore or hereafter imposed statutory limitation as to
13 indebtedness, if all of the following conditions are met:

14 (i) For each of the 4 most recent years, residential
15 and farm property comprises more than 80% of the equalized
16 assessed valuation of the district.

17 (ii) The bond proceeds are to be used to acquire and
18 improve school sites and build and equip a school building.

19 (iii) Voters of the district approve a proposition for
20 the issuance of the bonds at a regularly scheduled
21 election.

22 (iv) At the time of the sale of the bonds, the school
23 board determines by resolution that the school sites and
24 building additions are needed because of an increase in
25 enrollment projected by the school board.

26 (v) The principal amount of the bonds, including

1 existing indebtedness, does not exceed 20% of the equalized
2 assessed value of the taxable property in the district.
