FISCAL NOTE ACT  
MAY APPLY

A BILL FOR

1 AN ACT concerning education.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Higher Education Student Assistance Act is  
5 amended by changing Section 35 as follows:

6 (110 ILCS 947/35)

7 Sec. 35. Monetary award program.

8 (a) The Commission shall, each year, receive and consider  
9 applications for grant assistance under this Section. Subject  
10 to a separate appropriation for such purposes, an applicant is  
11 eligible for a grant under this Section when the Commission  
12 finds that the applicant:

13 (1) is a resident of this State and a citizen or  
14 permanent resident of the United States; and

15 (2) in the absence of grant assistance, will be  
16 deterred by financial considerations from completing an  
17 educational program at the qualified institution of his or  
18 her choice.

19 (b) The Commission shall award renewals only upon the  
20 student's application and upon the Commission's finding that  
21 the applicant:

22 (1) has remained a student in good standing;

23 (2) remains a resident of this State; and

1           (3) is in a financial situation that continues to  
2           warrant assistance.

3           (c) All grants shall be applicable only to tuition and  
4           necessary fee costs. The Commission shall determine the grant  
5           amount for each student, which shall not exceed the smallest of  
6           the following amounts:

7                   (1) subject to appropriation, \$5,468 for fiscal year  
8                   2009, \$5,968 for fiscal year 2010, and \$6,468 for fiscal  
9                   year 2011 and each fiscal year thereafter, or such lesser  
10                  amount as the Commission finds to be available, during an  
11                  academic year;

12                   (2) the amount which equals 2 semesters or 3 quarters  
13                   tuition and other necessary fees required generally by the  
14                   institution of all full-time undergraduate students; or

15                   (3) such amount as the Commission finds to be  
16                   appropriate in view of the applicant's financial  
17                   resources.

18           Subject to appropriation, the maximum grant amount for  
19           students not subject to subdivision (1) of this subsection (c)  
20           must be increased by the same percentage as any increase made  
21           by law to the maximum grant amount under subdivision (1) of  
22           this subsection (c).

23           "Tuition and other necessary fees" as used in this Section  
24           include the customary charge for instruction and use of  
25           facilities in general, and the additional fixed fees charged  
26           for specified purposes, which are required generally of

1 nongrant recipients for each academic period for which the  
2 grant applicant actually enrolls, but do not include fees  
3 payable only once or breakage fees and other contingent  
4 deposits which are refundable in whole or in part. The  
5 Commission may prescribe, by rule not inconsistent with this  
6 Section, detailed provisions concerning the computation of  
7 tuition and other necessary fees.

8 (d) No applicant, including those presently receiving  
9 scholarship assistance under this Act, is eligible for monetary  
10 award program consideration under this Act after receiving a  
11 baccalaureate degree or the equivalent of 135 semester credit  
12 hours of award payments.

13 (d-5) In this subsection (d-5), "renewing applicant" means  
14 a student attending an institution of higher learning who  
15 received a Monetary Award Program grant during the prior  
16 academic year. Beginning with the processing of applications  
17 for the 2020-2021 academic year, the Commission shall annually  
18 publish a priority deadline date for renewing applicants.  
19 Subject to appropriation, a renewing applicant who files by the  
20 published priority deadline date shall receive a grant if he or  
21 she continues to meet the eligibility requirements under this  
22 Section. A renewing applicant's failure to apply by the  
23 priority deadline date established under this subsection (d-5)  
24 shall not disqualify him or her from receiving a grant if  
25 sufficient funding is available to provide awards after that  
26 date.

1           (e) The Commission, in determining the number of grants to  
2 be offered, shall take into consideration past experience with  
3 the rate of grant funds unclaimed by recipients. The Commission  
4 shall notify applicants that grant assistance is contingent  
5 upon the availability of appropriated funds.

6           (e-5) The General Assembly finds and declares that it is an  
7 important purpose of the Monetary Award Program to facilitate  
8 access to college both for students who pursue postsecondary  
9 education immediately following high school and for those who  
10 pursue postsecondary education later in life, particularly  
11 Illinoisans who are dislocated workers with financial need and  
12 who are seeking to improve their economic position through  
13 education. For the 2015-2016 and 2016-2017 academic years, the  
14 Commission shall give additional and specific consideration to  
15 the needs of dislocated workers with the intent of allowing  
16 applicants who are dislocated workers an opportunity to secure  
17 financial assistance even if applying later than the general  
18 pool of applicants. The Commission's consideration shall  
19 include, in determining the number of grants to be offered, an  
20 estimate of the resources needed to serve dislocated workers  
21 who apply after the Commission initially suspends award  
22 announcements for the upcoming regular academic year, but prior  
23 to the beginning of that academic year. For the purposes of  
24 this subsection (e-5), a dislocated worker is defined as in the  
25 federal Workforce Innovation and Opportunity Act.

26           (f) (Blank).

1 (g) The Commission shall determine the eligibility of and  
2 make grants to applicants enrolled at qualified for-profit  
3 institutions in accordance with the criteria set forth in this  
4 Section. The eligibility of applicants enrolled at such  
5 for-profit institutions shall be limited as follows:

6 (1) Beginning with the academic year 1997, only to  
7 eligible first-time freshmen and first-time transfer  
8 students who have attained an associate degree.

9 (2) Beginning with the academic year 1998, only to  
10 eligible freshmen students, transfer students who have  
11 attained an associate degree, and students who receive a  
12 grant under paragraph (1) for the academic year 1997 and  
13 whose grants are being renewed for the academic year 1998.

14 (3) Beginning with the academic year 1999, to all  
15 eligible students.

16 (g-5) On and after the effective date of this amendatory  
17 Act of the 101st General Assembly, 15% of the total annual  
18 funds appropriated for grants under this Section shall be set  
19 aside by the Commission for the purpose of making grants that  
20 shall be awarded to students attending a public community  
21 college in this State.

22 (h) The Commission may adopt rules to implement this  
23 Section.
