17 Department shall, by rule, establish and maintain a  
18 prescription drug repository program, under which a donor may  
19 donate a prescription drug or supplies needed to administer a

24 misbranded, as determined by a pharmacist employed by, or

1 under contract with, the pharmacy, whether or not it is a

6 needed to administer a prescription drug are dispensed.

7 (4) The prescription drug or supplies needed to  
8 administer a prescription drug are prescribed by a  
9 practitioner for use by an eligible individual.

10 (5) The prescription drug is not a controlled  
11 substance.

12 (6) If the prescription drug can be dispensed only to

17 is registered with the manufacturer at the time the drug  
18 is dispensed and the amount dispensed does not exceed the  
19 duration of the registration period.

20 (7) The recipient pharmacy maintains a written or  
21 electronic record of a donation made under this Act  
22 consisting of the name, strength, and quantity of each  
23 accepted drug and the name, address, and telephone number  
24 of the donor. No other record of a donation is required.

1 prohibited. No prescription drug or supplies needed to  
2 administer a prescription drug that are donated for use under  
3 this Act may be resold.

4 Section 30. Participation in program not required. Nothing  
5 in this Act requires that a pharmacy or pharmacist participate  
6 in the prescription drug repository program.

7 Section 35. Immunity.

8 (a) A manufacturer of a drug or supply acting reasonably  
9 and in good faith is not subject to criminal or civil liability  
10 for injury, death, or loss to a person or property for matters  
11 related to the donation, acceptance, or dispensing of a  
12 prescription drug or supply manufactured by the manufacturer  
13 that is donated by any person under this Act.

14 (b) A person acting reasonably and in good faith,  
15 including a pharmacist or other health professional, is immune  
16 from civil liability for injury to or the death of the  
17 individual to whom the prescription drug or supply is  
18 dispensed and may not be found guilty of unprofessional

10 promulgate regulations exempting from any labeling or  
11 packaging requirement of this Act drugs and devices which are  
12 (i) in accordance with the practice of the trade, to be  
13 processed, labeled or repacked in substantial quantities at  
14 establishments other than those where originally processed or  
15 packaged on condition that such drugs and devices are not  
16 adulterated or misbranded under the provisions of this Act  
17 upon removal from such processing, labeling or repacking  
18 establishment or (ii) packaged, repackaged, or labeled to the  
19 extent required under the Prescription Drug Repository Program

6 necessary to its use is not safe for use except under the  
7 supervision of a practitioner licensed by law to administer  
8 such drug; or (C) is limited by an approved application under  
9 Section 505 of the Federal Act or Section 17 of this Act to use  
10 under the professional supervision of a practitioner licensed  
11 by law to administer such drug, shall be dispensed only in  
12 accordance with the provisions of the "Illinois Controlled  
13 Substances Act". The act of dispensing a drug contrary to the

7 diagnosis by mail, or to a drug dispensed in violation of  
8 subsection (a) of this Section.

9 (e) The Director may by regulation remove drugs subject to

14 Section shall be deemed to be misbranded if at any time before  
15 dispensing its label fails to bear the statement "Caution:  
16 Federal Law Prohibits Dispensing Without Prescription" or  
17 "Caution: State Law Prohibits Dispensing Without  
18 Prescription". A drug to which subsection (c) of this Section  
19 does not apply shall be deemed to be misbranded if at any time  
20 prior to dispensing its label bears the caution statement  
21 quoted in the preceding sentence.

22 (g) Nothing in this Section shall be construed to relieve  
23 any person from any requirement prescribed by or under  
24 authority of law with respect to controlled substances now  
25 included or which may hereafter be included within the  
26 classifications of controlled substances cannabis as defined
