LRB102 04450 RJF 22989 a

1 AMENDMENT TO HOUSE BILL 247

2 AMENDMENT NO. _____. Amend House Bill 247 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Department of Central Management Services
5 Law of the Civil Administrative Code of Illinois is amended by
6 adding Section 405-317 as follows:

7 (20 ILCS 405/405-317 new)

8 Sec. 405-317. Bird-safe State buildings.

9 (a) Each State building constructed, acquired, or of which
10 more than 50% of the façade is substantially altered, in the
11 opinion of the Department's Bureau of Property Management,
12 shall meet, as determined by the Director, the following
13 standards:

14 (1) at least 90% of the exposed façade material from
15 ground level to 40 feet:

16 (A) shall not be composed of glass; or

1 (B) shall be composed of glass employing: (i)
2 elements that preclude bird collisions without
3 completely obscuring vision, such as secondary
4 facades, netting, screens, shutters, and exterior
5 shades; (ii) ultraviolet (UV) patterned glass that
6 contains UV-reflective or contrasting patterns that
7 are visible to birds; (iii) patterns on glass designed
8 in accordance with a rule that restricts horizontal
9 spaces to less than 2 inches high and vertical spaces
10 to less than 4 inches wide; (iv) opaque, etched,
11 stained, frosted, or translucent glass; or (v) any
12 combination of the methods described in this
13 subparagraph (B);

14 (2) at least 60% of the exposed facade material above
15 40 feet shall meet the standard described in paragraph
16 (1);

17 (3) there shall not be any transparent passageways or
18 corners;

19 (4) all glass adjacent to atria or courtyards
20 containing water features, plants, and other materials
21 attractive to birds shall meet the standard described in
22 subparagraph (B) of paragraph (1); and

23 (5) outside lighting shall be appropriately shielded
24 and minimized subject to security and other mission
25 related requirements.

26 (b) The Director shall take such actions as may be

1 necessary to ensure that actual bird mortality is monitored at
2 each State building.

3 (c) The Director, where practicable and consistent with
4 security and other mission related requirements, shall reduce
5 exterior building and site lighting for each State building.
6 This subsection (c) shall not apply to buildings in which the
7 Director does not have control of the exterior building and
8 site lighting. In implementing the requirements of this
9 subsection (c), the Director shall make use of automatic
10 control technologies, including timers, photo-sensors, and
11 infrared and motion detectors.

12 (d) In implementing the requirements of this Section, the
13 Director may employ any available methods and strategies that
14 are in accordance with existing effective best practices to
15 reduce bird mortality.

16 (e) The requirements of this Section shall not apply to
17 any acquisition or substantial alteration described in
18 subsection (a) if the Director, after consideration of
19 multiple options, determines that the use of the required
20 building materials and design features would result in a
21 significant additional cost for the project.

22 (f) Any construction which may be required as a result of
23 the requirements of this Section shall be under the authority
24 of the Capital Development Board in consultation with the
25 Department.

26 (g) The requirements of this Section shall only apply to

1 State buildings under the management or control of the
2 Department, but does not include buildings leased by the
3 Department.

4 (h) The requirements of this Section shall not apply to
5 any project in the design or construction phase as of the
6 effective date of this amendatory Act of the 102nd General
7 Assembly.

8 (i) This Section shall not apply to the following
9 buildings:

10 (1) any building or site listed, or eligible for
11 listing, on the National Register of Historic Places;

12 (2) the Executive Mansion and its grounds;

13 (3) the Illinois Supreme Court Building and its
14 grounds;

15 (4) the Old State Capitol Building in Springfield,
16 Illinois, and its related buildings and grounds;

17 (5) the Lincoln Home in Springfield, Illinois, and its
18 related buildings and grounds;

19 (6) the Abraham Lincoln Presidential Library and
20 Museum and its related buildings and grounds; and

21 (7) the Illinois State Capitol Building and its
22 related buildings and grounds."
