

1 AN ACT concerning public employee benefits.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Pension Code is amended by adding
5 Section 3-110.11a and by changing Sections 8-151 and 8-165 as
6 follows:

7 (40 ILCS 5/3-110.11a new)

8 Sec. 3-110.11a. Optional credit under Article 5. A police
9 officer may establish optional credit for up to 5 years of
10 service as a participant under Article 5, provided that the
11 police officer (i) was certified under the law governing the
12 certification of police officers at the time the service was
13 rendered, (ii) applies in writing on or before December 31,
14 2023, (iii) supplies satisfactory evidence of the employment,
15 (iv) completes 10 years of contributing service as a police
16 officer as defined in Section 3-106, and (v) pays into the fund
17 the amount the police officer would have contributed if he or
18 she had been a regular contributor during such period, plus an
19 amount determined by the Board to be equal to the
20 municipality's normal cost of the benefit, plus interest at
21 the actuarially assumed rate calculated from the date the
22 employee last became a police officer under this Article.

23 A police officer may not establish credit under this

1 Section for any service for which the police officer is
2 eligible to receive benefits under Article 5 of this Code.

3 (40 ILCS 5/8-151) (from Ch. 108 1/2, par. 8-151)

4 Sec. 8-151. Compensation annuity and supplemental annuity.

5 When annuity otherwise provided in this Article for the
6 widow of an employee whose death results solely from injury
7 incurred in the performance of an act of duty is less than 60%
8 of his salary in effect at the time of the injury,
9 "Compensation Annuity" equal to the difference between such
10 annuity and 60% of such salary, shall be payable to her until
11 the date when the employee, if alive, would have attained age
12 65; and in any case where the employee's death is only partly
13 due to the duty incurred injury, the "Compensation Annuity"
14 shall be based on an amount equal to 40% of such salary.

15 Thereafter, the widow shall be entitled to "Supplemental
16 Annuity" equal to the difference between the annuity otherwise
17 provided in this Article and the annuity to which she would be
18 entitled if the employee had lived and continued in the
19 service at the salary in effect at the date of the injury until
20 he attained age 65, and based upon her age as it would be on
21 the date he would have attained 65.

22 "Compensation" or "Supplemental Annuity" shall not be
23 payable unless the widow was the wife of the employee when the
24 injury was incurred.

25 The city shall contribute to the fund each year the amount

1 required for all compensation annuities payable during any
2 such year. Supplemental Annuity shall be provided from city
3 contributions after the date of the employee's death of such
4 equal sums annually which when improved by interest at the
5 effective rate, will be sufficient, at the time payment of
6 Compensation Annuity to the widow ceases to provide
7 Supplemental Annuity, as stated, for the widow throughout her
8 life thereafter.

9 Unless the performance of an act or acts of duty results
10 solely in the death of the employee, the annuity provided in
11 this Section shall not be paid. For the purposes of this
12 Section only, the death of any employee as a result of the
13 exposure to and contraction of COVID-19, as evidenced by
14 either (i) a confirmed positive laboratory test for COVID-19
15 or COVID-19 antibodies or (ii) a confirmed diagnosis of
16 COVID-19 from a licensed medical professional, shall be
17 rebuttably presumed to have been contracted while in the
18 performance of an act or acts of duty and the employee shall be
19 rebuttably presumed to have been fatally injured while in
20 active service. The presumption shall apply to any employee
21 who was exposed to and contracted COVID-19 on or after March 9,
22 2020 and on or before June 30, 2021; except that the
23 presumption shall not apply if the employee was on a leave of
24 absence from his or her employment or otherwise not required
25 to report for duty at the physical work space generally
26 assigned to the employee, including, but not limited to,

1 working remotely, for a period of 14 or more consecutive days
2 immediately prior to the date of contraction of COVID-19. For
3 the purposes of determining when an employee contracted
4 COVID-19 under this paragraph, the date of contraction is
5 either the date that the employee was diagnosed with COVID-19
6 or was unable to work due to symptoms that were later diagnosed
7 as COVID-19, whichever occurred first.

9 (40 ILCS 5/8-165) (from Ch. 108 1/2, par. 8-165)

10 Sec. 8-165. Re-entry into service.

11 (a) Except as provided in subsection (c), when ~~When~~ an
12 employee receiving age and service or prior service annuity
13 who has withdrawn from service after the effective date
14 re-enters service before age 65, any annuity previously
15 granted and any annuity fixed for his wife shall be cancelled.
16 The employee shall be credited for annuity purposes with sums
17 sufficient to provide annuities equal to those cancelled, as
18 of their ages on the date of re-entry; provided, the maximum
19 age of the wife for this purpose shall be as provided in
20 Section 8-155 of this Article.

21 The sums so credited shall provide for annuities to be
22 fixed and granted in the future. Contributions by the
23 employees and the city for the purposes of this Article shall
24 be made, and when the proper time arrives, as provided in this
25 Article, new annuities based upon the total credit for annuity

1 purposes and the entire term of his service shall be fixed for
2 the employee and his wife.

3 If the employee's wife died before he re-entered service,
4 no part of any credits for widow's or widow's prior service
5 annuity at the time annuity for his wife was fixed shall be
6 credited upon re-entry into service, and no such sums shall
7 thereafter be used to provide such annuity.

8 (b) Except as provided in subsection (c), when ~~When~~ an
9 employee re-enters service after age 65, payments on account
10 of any annuity previously granted shall be suspended during
11 the time thereafter that he is in service, and when he again
12 withdraws, annuity payments shall be resumed. If the employee
13 dies in service, his widow shall receive the amount of annuity
14 previously fixed for her.

15 (c) For school years beginning on or after July 1, 2021, an
16 age and service or prior service annuity shall not be
17 cancelled in the case of an employee who is re-employed by the
18 Board of Education of the city as a Special Education
19 Classroom Assistant or Classroom Assistant on a temporary and
20 non-annual basis or on an hourly basis so long as the person:
21 (1) does not work for compensation on more than 120 days in a
22 school year; or (2) does not accept gross compensation for the
23 re-employment in a school year in excess of \$30,000. These
24 limitations apply only to school years that begin on or after
25 July 1, 2021. Re-employment under this subsection does not
26 require contributions, result in service credit being earned

1 or granted, or constitute active participation in the Fund.
