10 examine or cause to be examined persons reasonably believed to
11 be infected with or to have been exposed to a sexually
12 transmissible disease.

13 (b) Subject to the provisions of subsection (c) of this
14 Section, persons with a sexually transmissible disease shall
15 report for complete treatment to a physician licensed under
16 the provisions of the Medical Practice Act of 1987, or shall
17 submit to treatment at a facility provided by a local health
18 authority or other public facility, as the Department shall
19 require by rule or regulation until the disease is
20 noncommunicable or the Department determines that the person

22 health. This subsection (b) shall not be construed to require
23 the Department or local health authorities to pay for or

7 shall show by a preponderance of evidence that the person is
8 infectious and that a real and present danger to the public
9 health and welfare exists unless such warrant is issued and
10 shall show that all other reasonable means of obtaining
11 compliance have been exhausted and that no other less
12 restrictive alternative is available. The court shall require
13 any proceedings authorized by this subsection (c) to be
