1 AMENDMENT TO HOUSE BILL 1170

2 AMENDMENT NO. \_\_\_\_\_. Amend House Bill 1170 by replacing  
3 everything after the enacting clause with the following:

4 "Section 1. Short title. This Act may be cited as the  
5 Career and Technical Education Center Act.

6 Section 5. Purpose. The purpose of this Act is to  
7 establish career and technical education centers that  
8 integrate learners seeking preparation for the jobs and  
9 technical careers of the future with industry specific  
10 workplace opportunities, competencies, and career and  
11 technical education with core academic subjects.

12 Section 10. Establishment. A school district, in  
13 partnership with other school districts, community colleges,  
14 universities, local industries and employers, unions, police  
15 departments, fire departments, and community-based

1 organizations, may establish a career and technical education  
2 center that is eligible for a grant under this Act if the  
3 career and technical education center meets all of the  
4 following requirements:

5 (1) The career and technical education center must  
6 have a minimum 5-clock-hour day, as required under Section  
7 10-19.05 of the School Code, and be under the direct  
8 supervision of teachers.

9 (2) The career and technical education center must be  
10 at least a 2-year school.

11 (3) The career and technical education center must be  
12 available for use by an affiliated community college for  
13 adult learners within a school program for grades 10  
14 through 12 that is organized around a career theme and  
15 operated as a business-education partnership.

16 (4) The career and technical education center must be  
17 a career-oriented program that uses the direct involvement  
18 of local employers to provide students with the education  
19 and skills needed for employment.

20 (5) The career and technical education center must be  
21 a standards-based educational program that prepares  
22 students both academically and technically for entrance  
23 into postsecondary education or careers in a selected  
24 field.

25 (6) The curriculum of the career and technical  
26 education center must be based on the Illinois Learning

1 Standards and work-site training, which must provide  
2 students with learning experiences for entry-level  
3 employment in the local job market and lifelong learning  
4 skills for higher education.

5 Section 15. Grants. Subject to appropriation or other  
6 available federal or private funding, the State Board of  
7 Education may provide grants to a career and technical  
8 education center that meets the requirements of this Act.

9 Section 99. Effective date. This Act takes effect upon  
10 becoming law.".
