A BILL FOR

1 AN ACT concerning State government.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Deposit of State Moneys Act is amended by  
5 changing Section 7 as follows:

6 (15 ILCS 520/7) (from Ch. 130, par. 26)

7 Sec. 7. (a) Proposals made may either be approved or  
8 rejected by the State Treasurer. A bank or savings and loan  
9 association whose proposal is approved shall be eligible to  
10 become a State depository for the class or classes of funds  
11 covered by its proposal. A bank or savings and loan  
12 association whose proposal is rejected shall not be so  
13 eligible. The State Treasurer shall seek to have at all times a  
14 total of not less than 20 banks or savings and loan  
15 associations which are approved as State depositories for time  
16 deposits.

17 (b) The State Treasurer may, in his discretion, accept a  
18 proposal from an eligible institution which provides for a  
19 reduced rate of interest provided that such institution  
20 documents the use of deposited funds for community development  
21 projects, with preference given to eligible institutions  
22 located in high unemployment communities. For the purposes of  
23 this subsection (b), "high unemployment communities" means

1 municipalities located in this State whose unemployment rate  
2 is higher than the State's average unemployment rate.

3 (b-5) The State Treasurer may, in his or her discretion,  
4 accept a proposal from an eligible institution that provides  
5 for a reduced rate of interest, provided that such institution  
6 agrees to expend an amount of money equal to the amount of the  
7 reduction for the preservation of Cahokia Mounds.

8 (b-10) The State Treasurer may, in his or her discretion,  
9 accept a proposal from an eligible institution that provides  
10 for a reduced rate of interest, provided that the institution  
11 agrees to expend an amount of money equal to the amount of the  
12 reduction for senior centers.

13 (c) The State Treasurer may, in his or her discretion,  
14 accept a proposal from an eligible institution that provides  
15 for interest earnings on deposits of State moneys to be held by  
16 the institution in a separate account that the State Treasurer  
17 may use to secure up to 10% of any (i) home loans to Illinois  
18 citizens purchasing or refinancing a home in Illinois in  
19 situations where the participating financial institution would  
20 not offer the borrower a home loan under the institution's  
21 prevailing credit standards without the incentive of a reduced  
22 rate of interest on deposits of State moneys, (ii) existing  
23 home loans of Illinois citizens who have failed to make  
24 payments on a home loan as a result of a financial hardship due  
25 to circumstances beyond the control of the borrower where  
26 there is a reasonable prospect that the borrower will be able

1 to resume full mortgage payments, and (iii) loans in amounts  
2 that do not exceed the amount of arrearage on a mortgage and  
3 that are extended to enable a borrower to become current on his  
4 or her mortgage obligation.

5 The following factors shall be considered by the  
6 participating financial institution to determine whether the  
7 financial hardship is due to circumstances beyond the control  
8 of the borrower: (i) loss, reduction, or delay in the receipt  
9 of income because of the death or disability of a person who  
10 contributed to the household income, (ii) expenses actually  
11 incurred related to the uninsured damage or costly repairs to  
12 the mortgaged premises affecting its habitability, (iii)  
13 expenses related to the death or illness in the borrower's  
14 household or of family members living outside the household  
15 that reduce the amount of household income, (iv) loss of  
16 income or a substantial increase in total housing expenses  
17 because of divorce, abandonment, separation from a spouse, or  
18 failure to support a spouse or child, (v) unemployment or  
19 underemployment, (vi) loss, reduction, or delay in the receipt  
20 of federal, State, or other government benefits, and (vii)  
21 participation by the homeowner in a recognized labor action  
22 such as a strike. In determining whether there is a reasonable  
23 prospect that the borrower will be able to resume full  
24 mortgage payments, the participating financial institution  
25 shall consider factors including, but not necessarily limited  
26 to the following: (i) a favorable work and credit history,

1 (ii) the borrower's ability to and history of paying the  
2 mortgage when employed, (iii) the lack of an impediment or  
3 disability that prevents reemployment, (iv) new education and  
4 training opportunities, (v) non-cash benefits that may reduce  
5 household expenses, and (vi) other debts.

6 For the purposes of this Section, "home loan" means a  
7 loan, other than an open-end credit plan or a reverse mortgage  
8 transaction, for which (i) the principal amount of the loan  
9 does not exceed the conforming loan size limit as established  
10 from time to time by the Federal National Mortgage  
11 Association, (ii) the borrower is a natural person, (iii) the  
12 debt is incurred by the borrower primarily for personal,  
13 family, or household purposes, and (iv) the loan is secured by  
14 a mortgage or deed of trust on real estate upon which there is  
15 located or there is to be located a structure designed  
16 principally for the occupancy of no more than 4 families and  
17 that is or will be occupied by the borrower as the borrower's  
18 principal dwelling.

19 (d) If there is an agreement between the State Treasurer  
20 and an eligible institution that details the use of deposited  
21 funds, the agreement may not require the gift of money, goods,  
22 or services to a third party; this provision does not restrict  
23 the eligible institution from contracting with third parties  
24 in order to carry out the intent of the agreement or restrict  
25 the State Treasurer from placing requirements upon third-party  
26 contracts entered into by the eligible institution.
