3 **represented in the General Assembly:**

4 Section 5. The Department of Commerce and Economic  
5 Opportunity Law of the Civil Administrative Code of Illinois  
6 is amended by adding Section 605-1055 as follows:

7 (20 ILCS 605/605-1055 new)

8 Sec. 605-1055. Good corporate citizen requirement for tax  
9 incentive recipients.

10 (a) As used in this Section:

11 "Business" means an applicant for or recipient of  
12 development assistance.

13 "Corporate parent or affiliate" means: (i) a related  
14 member with respect to a business; or (ii) an entity that  
15 exercises control over the business and whose interests are  
16 served by the business.

17 "Development assistance" means tax credits and tax  
18 exemptions given as an incentive to a business organization  
19 pursuant to an agreement with the Department or an initial  
20 certification or designation issued by the Department. This  
21 term does not include any Department-administered tax credit  
22 program that provides a tax credit to an investor in a  
23 business.

1       "Development assistance agreement" means: (i) any  
2 agreement or memorandum of understanding executed by the State  
3 granting body and the business organization participating in  
4 the development assistance program setting forth the terms and  
5 conditions of development assistance to be provided to the  
6 recipient consistent with the final application for  
7 development assistance, including, but not limited to, the  
8 date of assistance, submitted to and approved by the  
9 Department; and (ii) any application for certification or  
10 designation setting forth the terms and conditions of  
11 development assistance to be provided to the recipient that is  
12 approved by the Department.

13       "Good corporate citizen" means a business that has  
14 demonstrated a capacity for legal compliance and that will be  
15 responsible to its community and its workforce.

16       "Good corporate citizen requirements" means any  
17 development assistance agreement required provided for in this  
18 Section or by administrative rule.

19       "Related member" has the same meaning as set forth in  
20 Section 5-5 of the Economic Development for a Growing Economy  
21 Tax Credit Act.

22       (b) The Department may require a business organization to  
23 agree to certain terms that ensure the business, including its  
24 related members, is a good corporate citizen as a condition  
25 for receiving development assistance. A business that cannot  
26 truthfully agree to any required terms shall be ineligible for

1 the development assistance. Such terms may include, but need  
2 not be limited to, covenants, representations, and warranties  
3 that:

4 (1) the business, its corporate officers, or corporate  
5 parent or affiliate, are not or have not been the subject  
6 of any criminal investigations or charges;

7 (2) there has been no investigation conducted or  
8 charges, complaints, or actions brought by the State of  
9 Illinois or any governmental body within the State of  
10 Illinois, including the federal government, with respect  
11 to the business or its officers or directors or a  
12 corporate parent or affiliate that relates to alleged  
13 fraud or activity that poses a substantial threat or  
14 persistent nuisance to public health, safety, or welfare;

15 (3) the business and any corporate parent or affiliate  
16 are not delinquent on the payment of any taxes to the State  
17 of Illinois or on the Illinois Stop Payment List or a  
18 debarred or suspended parties list maintained by the State  
19 of Illinois or the United States; and

20 (4) the business and any corporate parent or affiliate  
21 operating within Illinois will comply with the  
22 requirements of all laws governing the project supported  
23 by the development assistance, the Illinois Human Rights  
24 Act, the Illinois Prevailing Wage Act, the Wage Payment  
25 and Collection Act, the Consumer Fraud and Deceptive  
26 Business Practices Act, the Right to Privacy in the

1       Workplace Act, and the federal National Labor Relations  
2       Act.

3       (c) Compliance with good corporate citizen eligibility is  
4       required throughout a development assistance agreement. The  
5       Department may seek revocation of any credits or exemptions  
6       that were earned or used during a time when the business or its  
7       corporate parent or affiliate was not in compliance with any  
8       applicable requirements.

9       (d) The Department shall adopt rules setting forth any  
10       other programmatic terms and conditions and the consequences  
11       for noncompliance during the term of a development assistance  
12       agreement. The Department may adopt rules providing for  
13       exceptions to the good corporate citizen requirements if an  
14       application would, in the determination of the Department,  
15       cause an imminent and demonstrable hardship to the people of  
16       Illinois or to the business's workforce. If an exception is  
17       granted, the business must agree to a contractual modification  
18       identifying the exception and the basis for granting it.
