14 conducted under this Section shall be conducted in accordance  
15 with Article 10 of the Illinois Administrative Procedure Act.

19 shareholder of the dividing company will not be properly  
20 protected;

21 (2) each new company created by the proposed division,  
22 except a new company that is a nonsurviving party to a

17 solvent upon the consummation of the division; or

18 (6) the remaining assets of one or more resulting  
19 companies will be, upon consummation of a division,  
20 unreasonably small in relation to the business and  
21 transactions in which the resulting company was engaged or  
22 is about to engage.

23 (c) In determining whether the standards set forth in  
24 paragraph (3) of subsection (b) have been satisfied, the  
25 Director shall only apply the Uniform Fraudulent Transfer Act  
26 to a dividing company in its capacity as a resulting company

1 and shall not apply the Uniform Fraudulent Transfer Act to any  
2 dividing company that is not proposed to survive the division.

3 (d) In determining whether the standards set forth in  
4 paragraphs (3), (4), (5), and (6) of subsection (b) have been  
5 satisfied, the Director may consider all proposed assets of  
6 the resulting company, including, without limitation,

24 thereof submitted to, obtained by, or disclosed to the  
25 Director in connection with a plan of division or in  
26 contemplation thereof, including any information, documents,

1 materials, or copies provided by or on behalf of a domestic  
2 stock company in advance of its adoption or submission of a

23 the dividing company filing the plan of division. A dividing  
24 company may allocate expenses described in this subsection in  
25 a plan of division in the same manner as any other liability.

26 (i) If the Director approves a plan of division, the

1 Director shall issue an order that shall be accompanied by  
2 findings of fact and conclusions of law.

3 (j) The conditions in this Section for freeing one or more  
4 of the resulting companies from the liabilities of the  
5 dividing company and for allocating some or all of the

11 (215 ILCS 5/131.1) (from Ch. 73, par. 743.1)

12 Sec. 131.1. Definitions. As used in this Article, the  
13 following terms have the respective meanings set forth in this  
14 Section unless the context requires otherwise:

15 (a) An "affiliate" of, or person "affiliated" with, a  
16 specific person, is a person that directly, or indirectly  
17 through one or more intermediaries, controls, or is controlled  
18 by, or is under common control with, the person specified.

19 (a-5) "Acquiring party" means such person by whom or on  
20 whose behalf the merger or other acquisition of control  
21 referred to in Section 131.4 is to be affected and any person  
22 that controls such person or persons.

23 (a-10) "Associated person" means, with respect to an  
24 acquiring party, (1) any beneficial owner of shares of the  
25 company to be acquired, owned, directly or indirectly, of

1 record or beneficially by the acquiring party, (2) any  
2 affiliate of the acquiring party or beneficial owner, and (3)  
3 any other person acting in concert, directly or indirectly,  
4 pursuant to any agreement, arrangement, or understanding,  
5 whether written or oral, with the acquiring party or  
6 beneficial owner, or any of their respective affiliates, in  
7 connection with the merger, consolidation, or other  
8 acquisition of control referred to in Section 131.4 of this  
9 Code.

10 (a-15) "Company" has the same meaning as "company" as  
11 defined in Section 2 of this Code, except that it does not  
12 include agencies, authorities, or instrumentalities of the  
13 United States, its possessions and territories, the  
14 Commonwealth of Puerto Rico, the District of Columbia, or a  
15 state or political subdivision of a state.

17 "controlled by" and "under common control with") means the  
18 possession, direct or indirect, of the power to direct or  
19 cause the direction of the management and policies of a  
20 person, whether through the ownership of voting securities,  
21 the holding of shareholders' or policyholders' proxies by  
22 contract other than a commercial contract for goods or  
23 non-management services, or otherwise, unless the power is  
24 solely the result of an official position with or corporate  
25 office held by the person. Control is presumed to exist if any  
26 person, directly or indirectly, owns, controls, holds with the

1 power to vote, or holds shareholders' proxies representing 10%  
2 or more of the voting securities of any other person, or holds  
3 or controls sufficient policyholders' proxies to elect the  
4 majority of the board of directors of the domestic company.  
5 This presumption may be rebutted by a showing made in the  
6 manner as the Director may provide by rule. The Director may  
7 determine, after furnishing all persons in interest notice and  
8 opportunity to be heard and making specific findings of fact  
9 to support such determination, that control exists in fact,  
10 notwithstanding the absence of a presumption to that effect.

11 (b-5) "Enterprise risk" means any activity, circumstance,  
12 event, or series of events involving one or more affiliates of  
13 a company that, if not remedied promptly, is likely to have a  
14 material adverse effect upon the financial condition or  
15 liquidity of the company or its insurance holding company  
16 system as a whole, including, but not limited to, anything  
17 that would cause the company's risk-based capital to fall into  
18 company action level as set forth in Article IIA of this Code  
19 or would cause the company to be in hazardous financial  
20 condition as set forth in Article XII 1/2 of this Code.

21 (b-10) "Exchange Act" means the Securities Exchange Act of  
22 1934, as amended, together with the rules and regulations

26 group-wide supervision activities who is determined or

1 acknowledged by the Director under Section 131.20d of this  
2 Code to have sufficient contacts with an internationally  
3 active insurance group.

4 (c) "Insurance holding company system" means two or more  
5 affiliated persons, one or more of which is an insurance  
6 company as defined in paragraph (e) of Section 2 of this Code.

7 (c-5) "Internationally active insurance group" means an  
8 insurance holding company system that:

9 (1) includes an insurer registered under Section 4 of  
10 this Code; and

12 (A) premiums written in at least 3 countries;

13 (B) the percentage of gross premiums written  
14 outside the United States is at least 10% of the  
15 insurance holding company system's total gross written  
16 premiums; and

17 (C) based on a 3-year rolling average, the total  
18 assets of the insurance holding company system are at

26 business corporation functioning solely for the purpose of

1 forming, owning, acquiring, and managing subsidiary business  
2 entities and having no other business operations not related

4 (d-10) "Own", "owned," or "owning" means shares (1) with  
5 respect to which a person has title or to which a person's  
6 nominee, custodian, or other agent has title and which such  
7 nominee, custodian, or other agent is holding on behalf of the  
8 person or (2) with respect to which a person (A) has purchased  
9 or has entered into an unconditional contract, binding on both  
10 parties, to purchase the shares, but has not yet received the  
11 shares, (B) owns a security convertible into or exchangeable  
12 for the shares and has tendered the security for conversion or  
13 exchange, (C) has an option to purchase or acquire, or rights  
14 or warrants to subscribe to, the shares and has exercised such  
15 option, rights, or warrants, or (D) holds a securities futures  
16 contract to purchase the shares and has received notice that  
17 the position will be physically settled and is irrevocably  
18 bound to receive the underlying shares. To the extent that any  
19 affiliates of the stockholder or beneficial owner are acting  
20 in concert with the stockholder or beneficial owner, the  
21 determination of shares owned may include the effect of  
22 aggregating the shares owned by the affiliate or affiliates.  
23 Whether shares constitute shares owned shall be decided by the  
24 Director in his or her reasonable determination.

25 (e) "Person" means an individual, a corporation, a limited  
26 liability company, a partnership, an association, a joint

1 stock company, a trust, an unincorporated organization, any  
2 similar entity or any combination of the foregoing acting in  
3 concert, but does not include any securities broker performing  
4 no more than the usual and customary broker's function or  
5 joint venture partnership exclusively engaged in owning,  
6 managing, leasing or developing real or tangible personal  
7 property other than capital stock.

8 (e-5) "Policyholders' proxies" are proxies that give the  
9 holder the right to vote for the election of the directors and  
10 other corporate actions not in the day to day operations of the  
11 company.

12 (f) (Blank).

13 (f-5) "Securityholder" of a specified person is one who  
14 owns any security of such person, including common stock,  
15 preferred stock, debt obligations, and any other security  
16 convertible into or evidencing the right to acquire any of the  
17 foregoing.

18 (g) "Subsidiary" of a specified person is an affiliate  
19 controlled by such person directly, or indirectly through one  
20 or more intermediaries.

23 and includes any security convertible into or evidencing a  
24 right to acquire a voting security.

3 (215 ILCS 5/131.8) (from Ch. 73, par. 743.8)

4 Sec. 131.8. (1) After the statement required by Section  
5 131.5 has been filed, the Director shall approve any merger,  
6 consolidation or other acquisition of control referred to in  
7 Section 131.4 unless the Director finds that:

8 (a) after the change of control, the domestic company  
9 referred to in Section 131.4 would not be able to satisfy  
10 the requirements for the issuance of a license to write  
11 the line or lines of insurance for which it is presently  
12 licensed;

13 (b) the effect of the merger, consolidation or other  
14 acquisition of control would be substantially to lessen  
15 competition in insurance in this State or tend to create a  
16 monopoly therein. In applying the competitive standard in  
17 this paragraph:

18 (i) the informational requirements of subsection  
19 (3)(a) and the standards of subsection (4)(b) of  
20 Section 131.12a shall apply,

21 (ii) the merger or other acquisition shall not be  
22 found substantially to lessen competition in insurance  
23 in this State or tend to create a monopoly therein if  
24 the Director finds that any of the situations meeting  
25 the criteria provided by subsection (4)(c) of Section

1           131.12a exist, and

2                   (iii) the Director may condition the approval of  
3           the merger or other acquisition on the removal of the  
4           basis of disapproval within a specified period of  
5           time;

6                   (c) the financial condition of any acquiring party is  
7           such as might jeopardize the financial stability of the  
8           domestic company or jeopardize the interests of its  
9           policyholders;

10                   (d) the plans or proposals which the acquiring party  
11           has to liquidate the domestic company, sell its assets or  
12           consolidate or merge it with any person, or to make any  
13           other material change in its business or corporate  
14           structure or management, are unfair and unreasonable to  
15           policyholders of such company and not in the public  
16           interest; or

17                   (e) the competence, experience and integrity of those  
18           persons who would control the operation of the domestic  
19           company are such that it would not be in the best interests  
20           of policyholders of such company and of the insurance  
21           buying public to permit the merger, consolidation or other  
22           acquisition of control.

23                   (2) The Director may hold a public hearing on any merger,  
24           consolidation or other acquisition of control referred to in  
25           Section 131.4 if the Director determines that the statement  
26           filed as required by Section 131.5 does not demonstrate

1 compliance with the standards referred to in subsection (1),  
2 of this Section, or if he determines that such acquisition of  
3 control is likely to be hazardous or prejudicial to the  
4 insurance buying public.

5 (3) The public hearing referred to in subsection (2) must  
6 be held within 60 days after the statement required by Section  
7 131.5 is filed, and at least 20 days' notice thereof must be  
8 given by the Director to the person filing the statement and to  
9 the domestic company. Not less than 7 days' notice of such  
10 hearing must be given by the person filing the statement to  
11 such other persons as may be designated by the Director and by  
12 the company to its shareholders. The Director must make a  
13 determination within 60 days after the conclusion of the  
14 hearing. At the hearing, the person filing the statement, the  
15 domestic company, any person to whom notice of the hearing was  
16 sent, and any other person whose interests may be affected  
17 thereby has the right to present evidence, examine and  
18 cross-examine witnesses, and offer oral and written arguments  
19 and in connection therewith is entitled to conduct discovery  
20 proceedings in the same manner as is presently allowed in the  
21 Circuit Courts of this State. All discovery proceedings must  
22 be concluded not later than 3 days prior to the commencement of  
23 the public hearing.

24 (4) If the proposed acquisition of control will require  
25 the approval of more than one state insurance commissioner,  
26 the public hearing referred to in subsection (2) of this

1 Section may be held on a consolidated basis upon request of the  
2 person filing the statement referred to in Section 131.5 of  
3 this Code. Such person shall file the statement referred to in  
4 Section 131.5 of this Code with the National Association of  
5 Insurance Commissioners (NAIC) within 5 days after making the  
6 request for a public hearing. A commissioner may opt out of a  
7 consolidated hearing and shall provide notice to the applicant  
8 of the opt out within 10 days after the receipt of the  
9 statement referred to in Section 131.5 of this Code. A hearing  
10 conducted on a consolidated basis shall be public and shall be  
11 held within the United States before the commissioners of the  
12 states in which the companies are domiciled. Such  
13 commissioners shall hear and receive evidence. A commissioner  
14 may attend such hearing in person or by telecommunication.

15 (5) In connection with a change of control of a domestic  
16 company, any determination by the Director that the person  
17 acquiring control of the company shall be required to maintain  
18 or restore the capital of the company to the level required by  
19 the laws and regulations of this State shall be made not later  
20 than 60 days after the filing of the statement required by  
21 Section 131.5 of this Code.

23 (215 ILCS 5/131.20d new)

24 Sec. 131.20d. Group-wide supervision of internationally  
25 active insurance groups.

1       (a) The Director is authorized to act as the group-wide  
2 supervisor for any internationally active insurance group in  
3 accordance with the provisions of this Section.

4       (b) The Director may otherwise acknowledge another  
5 regulatory official as the group-wide supervisor where the  
6 internationally active insurance group:

7           (1) does not have substantial insurance operations in  
8 the United States;

9           (2) has substantial insurance operations in the United  
10 States, but not in this State; or

11           (3) has substantial insurance operations in the United  
12 States and this State, but the Director has determined  
13 pursuant to the factors set forth in subsections (d) and  
14 (h) that the other regulatory official is the appropriate  
15 group-wide supervisor.

16       (c) An insurance holding company system that does not  
17 otherwise qualify as an internationally active insurance group  
18 may request that the Director make a determination or  
19 acknowledgment as to a group-wide supervisor pursuant to this  
20 Section.

21       (d) In cooperation with other state, federal, and  
22 international regulatory agencies, the Director will identify  
23 a single group-wide supervisor for an internationally active  
24 insurance group. The Director may determine that the Director  
25 is the appropriate group-wide supervisor for an  
26 internationally active insurance group that conducts

1 substantial insurance operations concentrated in this State.  
2 However, the Director may acknowledge that a regulatory  
3 official from another jurisdiction is the appropriate  
4 group-wide supervisor for the internationally active insurance  
5 group. A regulatory official identified under this Section as  
6 the group-wide supervisor may determine that it is appropriate  
7 to acknowledge another supervisor to serve as the group-wide  
8 supervisor. The acknowledgment of the group-wide supervisor  
9 shall be made after consideration of the factors listed in  
10 paragraphs (1) through (5) of this subsection, and shall be  
11 made in cooperation with and subject to the acknowledgment of  
12 other regulatory officials involved with supervision of  
13 members of the internationally active insurance group, and in  
14 consultation with the internationally active insurance group.  
15 The Director shall consider the following factors when making  
16 a determination or acknowledgment under this subsection:

17 (1) the place of domicile of the insurance companies  
18 within the internationally active insurance group that  
19 hold the largest share of the group's written premiums,  
20 assets, or liabilities;

21 (2) the place of domicile of the top-tiered insurance  
22 company or companies in the insurance holding company  
23 system of the internationally active insurance group;

24 (3) the location of the executive offices or largest  
25 operational offices of the internationally active  
26 insurance group;

1           (4) whether another regulatory official is acting or  
2           is seeking to act as the group-wide supervisor under a  
3           regulatory system that the Director determines to be:

4                   (A) substantially similar to the system of  
5                   regulation provided under the laws of this State; or

6                   (B) otherwise sufficient in terms of providing for  
7                   group-wide supervision, enterprise risk analysis, and  
8                   cooperation with other regulatory officials; and

9           (5) whether another regulatory official acting or  
10           seeking to act as the group-wide supervisor provides the  
11           Director with reasonably reciprocal recognition and  
12           cooperation.

13           (e) Notwithstanding any other provision of law, when  
14           another regulatory official is acting as the group-wide  
15           supervisor of an internationally active insurance group, the  
16           Director shall acknowledge that regulatory official as the  
17           group-wide supervisor. However, in the event of a material  
18           change in the internationally active insurance group that  
19           results in:

20                   (1) the internationally active insurance group's  
21                   insurance companies domiciled in this State holding the  
22                   largest share of the group's premiums, assets, or  
23                   liabilities; or

24                   (2) this State being the place of domicile of the  
25                   top-tiered insurance company or companies in the insurance  
26                   holding company system of the internationally active

1 insurance group, the Director shall make a determination  
2 or acknowledgment as to the appropriate group-wide  
3 supervisor for such an internationally active insurance  
4 group pursuant to subsection (d).

5 (f) The Director is authorized to collect from any company  
6 registered pursuant to Section 131.13 all information  
7 necessary to determine whether the Director may act as the  
8 group-wide supervisor of an internationally active insurance  
9 group or if the Director may acknowledge another regulatory  
10 official to act as the group-wide supervisor. Before issuing a  
11 determination that an internationally active insurance group  
12 is subject to group-wide supervision by the Director, the  
13 Director shall notify the company registered pursuant to  
14 Section 131.13 and the ultimate controlling person within the  
15 internationally active insurance group. The internationally  
16 active insurance group shall have not less than 30 days to  
17 provide the Director with additional information pertinent to  
18 the pending determination. The Department shall publish on its  
19 Internet website the identity of internationally active  
20 insurance groups that the Director has determined are subject  
21 to group-wide supervision by the Director.

22 (g) If the Director is the group-wide supervisor for an  
23 internationally active insurance group, the Director is  
24 authorized to engage in any of the following group-wide  
25 supervision activities:

26 (1) assess the enterprise risks within the

1 internationally active insurance group to ensure that:

2 (A) the material financial condition and liquidity  
3 risks to the members of the internationally active  
4 insurance group that are engaged in the business of  
5 insurance are identified by management; and

6 (B) reasonable and effective mitigation measures
