

1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 1. Short title. This Act may be cited as the  
5 Private Primary Residential Flood Insurance Act.

6 Section 3. Purpose. To provide protection of lives and  
7 property from the peril of flood, this Act is designed to  
8 encourage a robust private primary residential flood insurance  
9 market to provide consumer choices and alternatives to the  
10 existing National Flood Insurance Program.

11 Section 5. Definitions. As used in this Act:

12 "Authorized insurer" means an insurer that is authorized  
13 by the Department of Insurance to write insurance under a  
14 certificate of authority issued by the Department of Insurance  
15 to transact insurance in this State.

16 "Department" means the Department of Insurance.

17 "National Flood Insurance Program" means the program of  
18 flood insurance coverage and floodplain management  
19 administered under the National Flood Insurance Act of 1968  
20 (42 U.S.C. 4001 et seq.) and applicable federal regulations  
21 promulgated in Title 44 of the Code of Federal Regulations.

22 "Primary residential flood insurance" means an insurance

1 policy covering losses from flood to residential property,  
2 other than commercial property insurance, written in this  
3 State by any insurer authorized to do business that is not  
4 written to apply coverage in excess of the coverage provided  
5 under another flood insurance policy, whether issued by a  
6 private insurer or the National Flood Insurance Program.

7 Section 10. Forms. The coverage for residential properties  
8 required to have flood insurance that are in a special flood  
9 hazard area designated by the Federal Emergency Management  
10 Agency shall meet the private flood insurance requirements  
11 specified in subsection (b) of 42 U.S.C. 4012a and applicable  
12 federal regulations.

13 Section 15. Regulatory notice of intent. Authorized  
14 insurers must:

15 (1) notify the Department of plans to sell primary  
16 residential flood insurance products in accordance with  
17 the State's rate filing laws at least 30 days before  
18 writing primary residential flood insurance in this State;  
19 and

20 (2) obtain the approval of the Director of Insurance  
21 for a plan of operation or material revisions to such  
22 plan, including plans to sell primary residential flood  
23 insurance.

1 Section 20. Notice to consumers.

2 (a) If a consumer currently has no coverage under the  
3 National Flood Insurance Program, the consumer applicant must  
4 be informed of the existence of the National Flood Insurance  
5 Program before being placed with private flood insurance.

6 (b) All consumers must be informed that the coverage under  
7 the National Flood Insurance Program may be provided at a  
8 subsidized rate and that the full-risk rate for flood  
9 insurance may apply to the property if the applicant later  
10 seeks to reinstate coverage under the program. The insurance  
11 producer, the surplus lines broker, or the insurer, upon its  
12 election or if there is no insurance producer or surplus lines  
13 broker, must provide the notice under subsection (a).

14 (c) This Section only applies if the applicant lives in a  
15 special flood hazard area. This Section is inoperative if  
16 federal legislation is enacted allowing the insured to switch  
17 between private flood insurance and National Flood Insurance  
18 Program coverage without risk of penalty.

19 Section 25. Other provisions.

20 (a) With respect to the regulation of private flood  
21 insurance coverage written in this State by authorized  
22 insurers, this Section supersedes any other provision of the  
23 Illinois Insurance Code in the event of a conflict.

24 (b) An insurer shall certify that the insurance policy  
25 meets the definition of "private flood insurance", as

1 specified in paragraph (7) of subsection (b) of 42 U.S.C.  
2 4012a and applicable federal regulations.

3 (c) Nothing in this Act is intended to restrict the use of  
4 existing filings by an insurer or limit the ability of private  
5 insurers to provide flood insurance coverage of any type not  
6 addressed in this Act.

7 Section 30. Rules. The Department may adopt rules to  
8 implement this Act.
