5 Sec. 6-419. Rules and regulations.

6 (a) The Secretary is authorized to prescribe by rule
7 standards for the eligibility, conduct and operation of driver
8 training schools, and instructors and to adopt other
9 reasonable rules and regulations necessary to carry out the
10 provisions of this Act. The Secretary may adopt rules

13 where application of those provisions would be inconsistent
14 with the manner of instruction offered by those schools. The

22 enforcement procedures for traffic stops, including a
23 demonstration of the proper actions to be taken during a
24 traffic stop and appropriate interactions with law
25 enforcement.

1 (b) The Secretary may permit a course provider to offer
2 the course online if the Secretary is satisfied the course
3 provider has established adequate procedures for verifying:

4 (1) the identity of the person taking the course
5 online; and

6 (2) the person completes the entire course.

7 The Secretary shall establish a method of electronic
8 verification of a student's successful completion of the
9 course.

10 The fee charged by the course provider shall bear a
11 reasonable relationship to the cost of the course. The
12 Secretary shall post on the Secretary of State's website a
13 list of approved course providers, the fees charged by the

15 In addition to any other fee charged by the course
16 provider, the course provider shall collect a fee of \$5 from
17 each student to offset the costs incurred by the Secretary in
18 administering this program. The \$5 shall be submitted to the
19 Secretary within 14 days of the day on which it was collected.
20 All fees received by the Secretary shall be deposited into the
