

102ND GENERAL ASSEMBLY

State of Illinois

2021 and 2022

HB2990

Introduced 2/19/2021, by Rep. Camille Y. Lilly

SYNOPSIS AS INTRODUCED:

105 ILCS 5/10-20.73 new
105 ILCS 5/10-22.39
105 ILCS 5/34-18.67 new

Amends the School Code. Provides that a school district may maintain an on-site trauma kit at each school of the district for bleeding emergencies. Defines "trauma kit". Provides that products purchased for the on-site trauma kit shall be, wherever possible, products that are manufactured in the United States. Requires a school board to conduct in-service training for all school district employees on the methods to respond to trauma at least once every 2 years. Provides that a school board may satisfy the trauma response training requirements by using the training, including online training, available from the American College of Surgeons or any other similar organization. Provides that in all matters relating to trauma response training, school district employees are immune from civil liability in the use of a trauma kit unless the action constitutes willful or wanton misconduct. Effective immediately.

STATE MANDATES
ACT MAY REQUIRE
REIMBURSEMENT

1 AN ACT concerning education.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The School Code is amended by adding Sections
5 10-20.73 and 34-18.67 and by changing Section 10-22.39 as
6 follows:

7 (105 ILCS 5/10-20.73 new)

8 Sec. 10-20.73. Trauma kit.

9 (a) In this Section, "trauma kit" means a first aid
10 response kit that contains, at a minimum, all of the
11 following:

12 (1) One tourniquet endorsed by the Committee on
13 Tactical Combat Casualty Care.

14 (2) One compression bandage.

15 (3) One hemostatic bleeding control dressing endorsed
16 by the Committee on Tactical Combat Casualty Care.

17 (4) Protective gloves and a marker.

18 (5) Scissors.

19 (6) Instructional documents developed by the Stop the
20 Bleed national awareness campaign of the United States
21 Department of Homeland Security or the American College of
22 Surgeons' Committee on Trauma, or both.

23 (7) Any other medical materials or equipment similar

1 to those described in paragraphs (1) through (3) or any
2 other items that (i) are approved by a local law
3 enforcement agency or first responders, (ii) can
4 adequately treat a traumatic injury, and (iii) can be
5 stored in a readily available kit.

6 (b) Each school district may maintain an on-site trauma
7 kit at each school of the district for bleeding emergencies.

8 (c) Products purchased for the trauma kit, including those
9 products endorsed by the Committee on Tactical Combat Casualty
10 Care, shall, whenever possible, be manufactured in the United
11 States.

12 (105 ILCS 5/10-22.39)

13 Sec. 10-22.39. In-service training programs.

14 (a) To conduct in-service training programs for teachers.

15 (b) In addition to other topics at in-service training
16 programs, at least once every 2 years, licensed school
17 personnel and administrators who work with pupils in
18 kindergarten through grade 12 shall be trained to identify the
19 warning signs of mental illness and suicidal behavior in youth
20 and shall be taught appropriate intervention and referral
21 techniques. A school district may utilize the Illinois Mental
22 Health First Aid training program, established under the
23 Illinois Mental Health First Aid Training Act and administered
24 by certified instructors trained by a national association
25 recognized as an authority in behavioral health, to provide

1 the training and meet the requirements under this subsection.
2 If licensed school personnel or an administrator obtains
3 mental health first aid training outside of an in-service
4 training program, he or she may present a certificate of
5 successful completion of the training to the school district
6 to satisfy the requirements of this subsection.

7 (c) School guidance counselors, nurses, teachers and other
8 school personnel who work with pupils may be trained to have a
9 basic knowledge of matters relating to acquired
10 immunodeficiency syndrome (AIDS), including the nature of the
11 disease, its causes and effects, the means of detecting it and
12 preventing its transmission, and the availability of
13 appropriate sources of counseling and referral, and any other
14 information that may be appropriate considering the age and
15 grade level of such pupils. The School Board shall supervise
16 such training. The State Board of Education and the Department
17 of Public Health shall jointly develop standards for such
18 training.

19 (d) In this subsection (d):

20 "Domestic violence" means abuse by a family or household
21 member, as "abuse" and "family or household members" are
22 defined in Section 103 of the Illinois Domestic Violence Act
23 of 1986.

24 "Sexual violence" means sexual assault, abuse, or stalking
25 of an adult or minor child proscribed in the Criminal Code of
26 1961 or the Criminal Code of 2012 in Sections 11-1.20,

1 11-1.30, 11-1.40, 11-1.50, 11-1.60, 12-7.3, 12-7.4, 12-7.5,
2 12-12, 12-13, 12-14, 12-14.1, 12-15, and 12-16, including
3 sexual violence committed by perpetrators who are strangers to
4 the victim and sexual violence committed by perpetrators who
5 are known or related by blood or marriage to the victim.

6 At least once every 2 years, an in-service training
7 program for school personnel who work with pupils, including,
8 but not limited to, school and school district administrators,
9 teachers, school guidance counselors, school social workers,
10 school counselors, school psychologists, and school nurses,
11 must be conducted by persons with expertise in domestic and
12 sexual violence and the needs of expectant and parenting youth
13 and shall include training concerning (i) communicating with
14 and listening to youth victims of domestic or sexual violence
15 and expectant and parenting youth, (ii) connecting youth
16 victims of domestic or sexual violence and expectant and
17 parenting youth to appropriate in-school services and other
18 agencies, programs, and services as needed, and (iii)
19 implementing the school district's policies, procedures, and
20 protocols with regard to such youth, including
21 confidentiality. At a minimum, school personnel must be
22 trained to understand, provide information and referrals, and
23 address issues pertaining to youth who are parents, expectant
24 parents, or victims of domestic or sexual violence.

25 (e) At least every 2 years, an in-service training program
26 for school personnel who work with pupils must be conducted by

1 persons with expertise in anaphylactic reactions and
2 management.

3 (f) At least once every 2 years, a school board shall
4 conduct in-service training on educator ethics,
5 teacher-student conduct, and school employee-student conduct
6 for all personnel.

7 (g) At least once every 2 years, a school board shall
8 conduct in-service training for all school district employees
9 on the methods to respond to trauma. The training must include
10 instruction on how to respond to an incident involving
11 life-threatening bleeding and, if applicable, how to use a
12 school's trauma kit. A school board may satisfy the training
13 requirements under this subsection by using the training,
14 including online training, available from the American College
15 of Surgeons or any other similar organization.

16 In all matters relating to trauma response training,
17 school district employees are immune from civil liability in
18 the use of a trauma kit unless the action constitutes willful
19 or wanton misconduct.

21 (105 ILCS 5/34-18.67 new)

22 Sec. 34-18.67. Trauma kit; trauma response training.

23 (a) In this Section, "trauma kit" means a first aid
24 response kit that contains, at a minimum, all of the
25 following:

1 (1) One tourniquet endorsed by the Committee on
2 Tactical Combat Casualty Care.

3 (2) One compression bandage.

4 (3) One hemostatic bleeding control dressing endorsed
5 by the Committee on Tactical Combat Casualty Care.

6 (4) Protective gloves and a marker.

7 (5) Scissors.

8 (6) Instructional documents developed by the Stop the
9 Bleed national awareness campaign of the United States
10 Department of Homeland Security or the American College of
11 Surgeons' Committee on Trauma, or both.

12 (7) Any other medical materials or equipment similar
13 to those described in paragraphs (1) through (3) or any
14 other items that (i) are approved by a local law
15 enforcement agency or first responders, (ii) can
16 adequately treat a traumatic injury, and (iii) can be
17 stored in a readily available kit.

18 (b) The school district may maintain an on-site trauma kit
19 at each school for bleeding emergencies.

20 (c) Products purchased for the trauma kit, including those
21 products endorsed by the Committee on Tactical Combat Casualty
22 Care, shall, whenever possible, be manufactured in the United
23 States.

24 (d) At least once every 2 years, the board shall conduct
25 in-service training for all school district employees on the
26 methods to respond to trauma. The training must include

1 instruction on how to respond to an incident involving
2 life-threatening bleeding and, if applicable, how to use a
3 school's trauma kit. The board may satisfy the training
4 requirements under this subsection by using the training,
5 including online training, available from the American College
6 of Surgeons or any other similar organization.

7 In all matters relating to trauma response training,
8 school district employees are immune from civil liability in
9 the use of a trauma kit unless the action constitutes willful
10 or wanton misconduct.

11 Section 99. Effective date. This Act takes effect upon
12 becoming law.
