19 more than 30% of their gross household income for mortgage
20 principal, interest, property taxes, and property
21 insurance (PITI).

22 "Donation" means money, securities, or real or personal
23 property that is donated to a not-for-profit sponsor that is
24 used solely for costs associated with either (i) purchasing,
25 constructing, or rehabilitating an affordable housing project
26 in this State, (ii) an employer-assisted housing project in

1 this State, (iii) general operating support, or (iv) technical
2 assistance as defined by this Section.

3 "Employer-assisted housing project" means either
4 down-payment assistance, reduced-interest mortgages, mortgage
5 guarantee programs, rental subsidies, or individual
6 development account savings plans that are provided by
7 employers to employees to assist in securing affordable
8 housing near the work place, that are restricted to housing
9 near the work place, and that are restricted to employees
10 whose gross household income is at or below 120% of the area
11 median income.

12 "General operating support" means any cost incurred by a

26 agency must reserve a specific amount of tax credits for each

1 approved project. Tax credits for general operating support
2 can only be reserved as part of a reservation of tax credits
3 for an affordable housing project, an employer-assisted
4 housing project, or technical assistance. No tax credits shall
5 be allowed for a project without a reservation of such tax
6 credits by an administrative housing agency for that project.

9 credits, and selecting projects that are eligible for a tax
10 credit.

11 (d) Tax credits for employer-assisted housing projects are
12 limited to that pool of tax credits that have been set aside
13 for employer-assisted housing. Tax credits for general
14 operating support are limited to 10% of the total tax credit
15 reservation for the related project (other than general
16 operating support) and are also limited to that pool of tax
17 credits that have been set aside for general operating
18 support. Tax credits for technical assistance are limited to
19 that pool of tax credits that have been set aside for technical

24 ~~million in the initial year~~ and shall increase by 5% each
25 fiscal year thereafter ~~by 5%~~. The City of Chicago shall
26 receive 24.5% of total tax credits authorized for each fiscal

1 year. The Authority shall receive the balance of the tax
2 credits authorized for each fiscal year. The tax credits may
3 be used anywhere in this State. The tax credits have the
4 following set-asides:

6 million; and

7 (2) for general operating support and technical

11 if an administrative housing agency is unable to reserve the
12 tax credits set aside for the purposes described in subsection
13 (e), the administrative housing agency may reserve the tax
14 credits for any approved projects.

15 (f) The administrative housing agency that reserves tax
16 credits for an affordable housing project must record against
17 the land upon which the affordable housing project is located
18 an instrument to assure that the property maintains its
19 affordable housing compliance for a minimum of 10 years. The
20 Authority has flexibility to assure that the instrument does
21 not cause undue hardship on homeowners.
