26 (B) the number of applications approved; and

1 (C) the number of applications denied and the 5
2 most frequent reasons for denial.

8 the patient, the hospital shall indicate this in its
9 reports. Public reporting of this information shall begin
10 with the community benefit report filed on or after July
11 1, 2022. A hospital that files a report without having a

6 encounters that the patient has previously received health
7 care services from that hospital and was determined to be
8 entitled to the uninsured discount.

9 (e) Hospitals may require patients to certify that all of
10 the information provided in the application is true. The
11 application may state that if any of the information is
12 untrue, any discount granted to the patient is forfeited and
13 the patient is responsible for payment of the hospital's full
14 charges.

15 (f) Hospitals shall ask for an applicant's race,
16 ethnicity, sex, and preferred language on the financial
