14 Sec. 3-3-14. Procedure for medical release.

15 (a) In this Section:

16 "Medically incapacitated" means that a committed person
17 has any diagnosable medical condition, including dementia and
18 severe, permanent medical or cognitive disability, that
19 prevents the committed person from completing one or more
20 activities of daily living without assistance or that
21 incapacitates the committed person to the extent that
22 institutional confinement does not offer additional
23 restrictions, and that the condition is unlikely to improve
24 noticeably in the future.

25 "Terminal illness" means a condition that satisfies all of

1 the following criteria:

2 (1) the condition is irreversible and incurable; and

3 (2) in accordance with medical standards and a
4 reasonable degree of medical certainty, based on an
5 individual assessment of the committed person, the
6 condition is likely to cause death to the committed person
7 within 12 months.

8 (b) The Prisoner Review Board shall consider an
9 application for medical release on behalf of any committed
10 person who:

11 (1) is suffering from a terminal illness;

12 (2) has been diagnosed with a condition that will
13 result in medical incapacity within the next 6 months; or

14 (3) has become medically incapacitated subsequent to
15 sentencing due to illness or injury.

16 (c) An initial application for medical release may be
17 filed with the Prisoner Review Board by a committed person, a
18 prison official, a medical professional who has treated or
19 diagnosed the committed person, or a committed person's
20 spouse, parent, guardian, grandparent, aunt or uncle, sibling,
21 child who is 18 years of age or older, or attorney. If the
22 initial application is made by someone other than the
23 committed person, the committed person must consent to the
24 application at the time of the institutional hearing. If the
25 committed person is medically unable to consent, the Prisoner
26 Review Board must contact the guardian or family member

1 designated to represent their interests within 3 days of
2 receiving an application. That family member or guardian must
3 consent to the application prior to any decision by the
4 Prisoner Review Board.

5 (d) Application materials shall be maintained on the
6 Prisoner Review Board's website and the Department of
7 Corrections' website, and maintained in a clearly visible
8 place within the law library and the infirmary of every penal
9 institution and facility operated by the Department of
10 Corrections.

11 (e) The initial application need not be notarized, may be
12 sent via email or facsimile, and must contain the following
13 information:

14 (1) the committed person's name and Illinois
15 Department of Corrections number;

16 (2) the committed person's diagnosis; and

17 (3) a statement that the committed person meets one of
18 the following diagnostic criteria:

19 (A) is suffering from a terminal illness;

20 (B) has been diagnosed with a condition that will
21 result in medical incapacity within the next 6 months;

22 or

23 (C) has become medically incapacitated subsequent
24 to sentencing due to illness or injury.

25 (f) Within 3 days of receiving the committed person's
26 initial application, the Prisoner Review Board shall order the

1 Department of Corrections to have a physician or nurse
2 practitioner evaluate the committed person and create a
3 written evaluation within 10 days of the Prisoner Review
4 Board's order. The evaluation shall include, but is not
5 limited to:

6 (1) A concise statement of the committed person's
7 medical diagnosis, including prognosis, likelihood of
8 recovery, and primary symptoms, to include incapacitation.

9 (2) A statement confirming or denying that the
10 committed person meets one of the criteria stated in
11 subsection (b).

12 (g) No institutional hearing is required for consideration
13 of a petition, but shall be granted at the request of the
14 petitioner. Upon receipt of the Department of Corrections
15 evaluation in a case in which the petitioner requests an
16 institutional hearing, the hearing shall take place within 14
17 days of the Board's receipt of the evaluation described in
18 subsection (f). The committed person may be represented by
19 counsel and may present witnesses to the Board members.

20 (h) Petitions shall be considered by 3-member panels, and
21 decisions shall be made by simple majority. The Board shall
22 render a decision within 14 days of receiving a petition if no
23 hearing is requested or within 7 days of an institutional
24 hearing.

25 (i) In considering a petition for release under this
26 Section, the Prisoner Review Board may consider the following

1 factors:

2 (1) the committed person's diagnosis and likelihood of
3 recovery;

4 (2) the approximate cost of health care to the State
5 should the committed person remain in custody;

6 (3) the impact that the committed person's continued
7 incarceration may have on the provision of medical care
8 within the Department;

9 (4) the present likelihood of and ability to pose a
10 substantial danger to the physical safety of a
11 specifically identifiable person or persons;

12 (5) any statements by the victim regarding release;
13 and

14 (6) whether the committed person's condition was
15 explicitly disclosed to the original sentencing judge and
16 taken into account at the time of sentencing.

17 (j) A committed person granted medical release shall be
18 released on mandatory supervised release for a period of 5
19 years subject to Section 3-3-8, which shall operate to
20 discharge any remaining term of years imposed upon him or her.
21 However, in no event shall the eligible person serve a period
22 of mandatory supervised release greater than the aggregate of
23 the discharged underlying sentence and the mandatory
24 supervised release period as set forth in Section 5-8-1.

25 (k) Nothing in this Section precludes a petitioner from
26 seeking alternative forms of release, including clemency,

1 relief from the sentencing court, post-conviction relief, or
2 any other legal remedy.

3 (730 ILCS 5/3-3-15 new)

4 Sec. 3-3-15. Prisoner Review Board; sole discretion to
5 grant medical release. A grant of medical release under this
6 Article shall be an act of executive and legislative grace and
7 shall be at the sole discretion of the Prisoner Review Board.
