23 Section 10. Insurance coverage during car-sharing period.

24 (a) Except as provided in subsection (b), a car-sharing
25 program shall assume liability of a shared-vehicle owner for

1 bodily injury or property damage to third parties or uninsured
2 and underinsured motorist or personal injury protection losses
3 during the car-sharing period in an amount stated in the
4 car-sharing agreement, which amount may not be less than 4
5 times the minimum amounts required under Section 7-601 of the
6 Illinois Vehicle Code.

7 (b) Notwithstanding the definition of "car-sharing
8 termination time" set forth in Section 5, the assumption of
9 liability under subsection (a) does not apply to any
10 shared-vehicle owner when:

11 (1) the shared-vehicle owner makes an intentional or
12 fraudulent material misrepresentation or omission to the
13 car-sharing program before the car-sharing period in which
14 the loss occurred; or

15 (2) the shared-vehicle owner acts in concert with a
16 shared-vehicle driver who fails to return the shared
17 vehicle pursuant to the terms of car-sharing agreement.

18 (c) Notwithstanding the definition of "car-sharing
19 termination time" set forth in Section 5, the assumption of
20 liability under subsection (a) applies to bodily injury,
21 property damage, and uninsured and underinsured motorist or
22 personal injury protection losses by damaged third parties
23 required by Section 7-601 of the Illinois Vehicle Code.

24 (d) A car-sharing program shall ensure that, during each
25 car-sharing period, the shared-vehicle owner and the
26 shared-vehicle driver are insured under a motor vehicle

1 liability insurance policy that provides insurance coverage in
2 amounts that, for the shared-vehicle driver, are equal to 2
3 times the minimum amounts set forth in Section 7-601 of the
4 Illinois Vehicle Code and:

5 (1) recognizes that the shared vehicle insured under
6 the policy is made available and used through a
7 car-sharing program; or

8 (2) does not exclude use of a shared vehicle by a
9 shared-vehicle driver.

10 (e) The insurance described under subsection (d) may be
11 satisfied by motor vehicle liability insurance maintained by:

12 (1) a shared-vehicle owner;

13 (2) a shared-vehicle driver;

14 (3) a car-sharing program; or

15 (4) a combination of a shared-vehicle owner, a
16 shared-vehicle driver, and a car-sharing program.

17 (f) The insurance described in subsection (e) that is
18 satisfying the insurance requirement of subsection (d) shall
19 be primary during each car-sharing period, and if a claim
20 occurs in another state with minimum financial responsibility
21 limits higher than those set forth in Section 7-601 of the
22 Illinois Vehicle Code during the car-sharing period, the
23 coverage maintained under subsection (e) shall satisfy the
24 difference in minimum coverage amounts up to the applicable
25 policy limits.

26 (g) The insurer, insurers, or car-sharing program shall

1 assume primary liability for a claim if it is in whole or in
2 part providing the insurance required under subsections (d)
3 and (e) and:

4 (1) a dispute exists regarding who was in control of
5 the shared vehicle at the time of the loss and the
6 car-sharing program does not have available, did not
7 retain, or fails to provide the information required by
8 Section 25; or

9 (2) a dispute exists as to whether the shared vehicle
10 was returned to the alternatively agreed-upon location
11 referenced in Section 5.

12 (h) If insurance maintained by a shared-vehicle owner or
13 shared-vehicle driver in accordance with subsection (e) has
14 lapsed or does not provide the required coverage, insurance
15 maintained by a car-sharing program shall provide the coverage
16 required by subsection (d) beginning with the first dollar of
17 a claim and shall have the duty to defend the claim except
18 under circumstances as set forth in subsection (b).

19 (i) An insurance policy maintained by the car-sharing
20 program shall not make the coverage dependent on another
21 automobile insurer or policy first denying a claim.

22 (j) Nothing in this Section:

23 (1) limits the liability of the car-sharing program
24 for any act or omission of the car-sharing program itself
25 that results in injury to any person as a result of the use
26 of a shared vehicle through a car-sharing program; or

1 (2) limits the ability of the car-sharing program to,
2 by contract, seek indemnification from the shared-vehicle
3 owner or the shared-vehicle driver for economic loss
4 sustained by the car-sharing program resulting from a
5 breach of the terms and conditions of the car-sharing
6 agreement.

7 Section 15. Notification of implications of lien. At the
8 time a vehicle owner registers as a shared-vehicle owner on a
9 car-sharing program and before the time when the
10 shared-vehicle owner makes a shared vehicle available for car
11 sharing on the car-sharing program, the car-sharing program
12 shall notify the shared-vehicle owner that, if the shared
13 vehicle has a lien against it, the use of the shared vehicle
14 through a car-sharing program, including use without physical
15 damage coverage, may violate the terms of the contract with
16 the lienholder.

17 Section 20. Exclusions in motor vehicle liability
18 insurance policies.

19 (a) An authorized insurer that writes motor vehicle
20 liability insurance in this State may exclude any coverage and
21 the duty to defend or indemnify for any claim afforded under a
22 shared-vehicle owner's motor vehicle liability insurance
23 policy, including, but not limited to:

24 (1) liability coverage for bodily injury and property

1 damage;

2 (2) uninsured and underinsured motorist coverage;

3 (3) medical payments coverage;

4 (4) comprehensive physical damage coverage; and

5 (5) collision physical damage coverage.

6 (b) Nothing in this Act invalidates or limits an exclusion
7 contained in a motor vehicle liability insurance policy,
8 including any insurance policy in use or approved for use that
9 excludes coverage for motor vehicles made available for rent,
10 sharing, or hire, or for any business use.

11 (c) Nothing in this Act invalidates, limits, or restricts
12 an insurer's ability under existing law to underwrite any
13 insurance policy. Nothing in this Act invalidates, limits, or
14 restricts an insurer's ability under existing law to cancel
15 and non-renew policies.

16 Section 25. Recordkeeping; use of vehicle in car sharing.
17 A car-sharing program shall collect and verify records
18 pertaining to the use of a vehicle, including, but not limited
19 to, times used, car-sharing period pick up and drop off
20 locations, fees paid by the shared-vehicle driver, and
21 revenues received by the shared-vehicle owner, and the
22 car-sharing program shall provide that information upon
23 request to the shared-vehicle owner, the shared-vehicle
24 owner's insurer, or the shared-vehicle driver's insurer to
25 facilitate a claim coverage investigation, settlement,

1 negotiation, or litigation. The car-sharing program shall
2 retain the records for a period not less than the applicable
3 personal injury statute of limitations.

4 Section 30. Exemption; vicarious liability. A car-sharing
5 program and a shared-vehicle owner shall be exempt from
6 vicarious liability consistent with 49 U.S.C. 30106 and under
7 any State or local law that imposes liability solely based on
8 vehicle ownership.

9 Section 35. Recovery against indemnification. A motor
10 vehicle insurer that defends or indemnifies a claim against a
11 shared vehicle that is excluded under the terms of its policy
12 shall have the right to seek recovery against the motor
13 vehicle insurer of the car-sharing program if the claim is:

14 (1) made against the shared-vehicle owner or the
15 shared-vehicle driver for loss or injury that occurs
16 during the car-sharing period; and

17 (2) excluded under the terms of its policy.

18 Section 40. Insurable interest.

19 (a) Notwithstanding any other law, statute, rule, or
20 regulation to the contrary, a car-sharing program shall have
21 an insurable interest in a shared vehicle during the
22 car-sharing period and may provide or offer to provide
23 coverage to a shared-vehicle owner or a shared-vehicle driver

1 under the policy of insurance described in subsection (c).

2 (b) Nothing in this Section shall be construed as
3 modifying the obligations of the car-sharing program pursuant
4 to Section 10.

5 (c) A car-sharing program may own and maintain, as the
6 named insured, one or more policies of motor vehicle liability
7 insurance that separately or in combination provides coverage
8 for:

- 9 (1) liabilities assumed by the car-sharing program
10 under a car-sharing agreement;
- 11 (2) any liability of the shared-vehicle owner;
- 12 (3) damage or loss to the shared vehicle; or
- 13 (4) any liability of the shared-vehicle driver.

14 Section 45. Consumer protection disclosures. Each
15 car-sharing agreement made in this State shall disclose to the
16 shared-vehicle owner and the shared-vehicle driver:

17 (1) Any right of the car-sharing program to seek
18 indemnification from the shared-vehicle owner or the
19 shared-vehicle driver for economic loss sustained by the
20 car-sharing program resulting from a breach of the terms
21 and conditions of the car-sharing agreement.

22 (2) That a motor vehicle liability insurance policy
23 issued to the shared-vehicle owner for the shared vehicle
24 or to the shared-vehicle driver does not provide a defense
25 or indemnification for any claim asserted by the

1 car-sharing program.

2 (3) That the car-sharing program's insurance coverage
3 on the shared-vehicle owner and the shared-vehicle driver
4 is in effect only during each car-sharing period and that,
5 for any use of the shared vehicle by the shared-vehicle
6 driver after the car-sharing termination time, the
7 shared-vehicle driver and the shared-vehicle owner may not
8 have insurance coverage.

9 (4) The daily rate, fees, and, if applicable, any
10 insurance or protection package costs that are charged to
11 the shared-vehicle owner or the shared-vehicle driver.

12 (5) That the shared-vehicle owner's motor vehicle
13 liability insurance may not provide coverage for a shared
14 vehicle.

15 (6) An emergency telephone number for personnel
16 capable of fielding roadside assistance and other customer
17 service inquiries.

18 (7) If there are conditions under which a
19 shared-vehicle driver shall maintain a personal automobile
20 insurance policy with certain applicable coverage limits
21 on a primary basis in order to book a shared vehicle.

22 Section 50. Driver's license verification and data
23 retention.

24 (a) A car-sharing program may not enter into a car-sharing
25 agreement with a driver unless the driver who will operate the

1 shared vehicle:

2 (1) holds a driver's license issued under the laws of
3 this State that authorizes the driver to operate vehicles
4 of the class of the shared vehicle; or

5 (2) is a nonresident who:

6 (i) has a driver's license issued by the state or
7 country of the driver's residence that authorizes the
8 driver in that state or country to drive vehicles of
9 the class of the shared vehicle; and

10 (ii) is at least the same age as that required of a
11 resident to drive; or

12 (3) otherwise is specifically authorized under the
13 laws of this State to drive vehicles of the class of the
14 shared vehicle.

15 (b) A car-sharing program shall keep a record of:

16 (1) the name and address of the shared-vehicle driver;

17 (2) the number of the driver's license of the
18 shared-vehicle driver and each other person, if any, who
19 will operate the shared vehicle; and

20 (3) the place of issuance of the driver's license.

21 Section 55. Responsibility for equipment. A car-sharing
22 program shall have sole responsibility for any equipment, such
23 as a GPS system or other special equipment, that is put in or
24 on the vehicle to monitor or facilitate the car-sharing
25 transaction, and shall agree to indemnify and hold harmless

1 the vehicle owner for any damage to or theft of such equipment
2 during the car-sharing period not caused by the vehicle owner.
3 The car-sharing program has the right to seek recovery from
4 the shared-vehicle driver for any loss or damage to such
5 equipment that occurs during the car-sharing period.

6 Section 60. Automobile safety recalls.

7 (a) At the time a vehicle owner registers as a
8 shared-vehicle owner on a car-sharing program and before the
9 time the shared-vehicle owner makes a shared vehicle available
10 for car sharing on the car-sharing program, the car-sharing
11 program shall:

12 (1) verify that the shared vehicle does not have any
13 safety recalls on the vehicle for which the repairs have
14 not been made; and

15 (2) notify the shared-vehicle owner of the
16 requirements under subsection (b).

17 (b) (1) If the shared-vehicle owner has received an actual
18 notice of a safety recall on the vehicle, a shared-vehicle
19 owner may not make a vehicle available as a shared vehicle on a
20 car-sharing program until the safety recall repair has been
21 made.

22 (2) If a shared-vehicle owner receives an actual notice of
23 a safety recall on a shared vehicle while the shared vehicle is
24 made available on the car-sharing program, the shared-vehicle
25 owner shall remove the shared vehicle from availability on the

1 car-sharing program, as soon as practicably possible after
2 receiving the notice of the safety recall and until the safety
3 recall repair has been made.

4 (3) If a shared-vehicle owner receives an actual notice of
5 a safety recall while the shared vehicle is being used in the
6 possession of a shared-vehicle driver, as soon as practicably
7 possible after receiving the notice of the safety recall, the
8 shared-vehicle owner shall notify the car-sharing program
9 about the safety recall so that the shared-vehicle owner may
10 address the safety recall repair.

11 Section 99. Effective date. This Act takes effect January
12 1, 2022."
