

1 AN ACT concerning urban problems.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 1. Findings.

5 (1) The General Assembly finds that in the 20th Century
6 African-American communities in Illinois were substantially
7 economically disadvantaged due to the policy of "redlining",
8 whereby mortgage opportunities were denied to
9 African-Americans or provided at greater than average interest
10 rates.

11 (2) The General Assembly finds that through these
12 policies, the African-American population of Illinois became
13 concentrated in certain neighborhoods in Illinois cities. Due
14 to the lack of access to capital, many of the renters in these
15 neighborhoods were at the mercy of unscrupulous landlords, who
16 failed to provide the proper maintenance and improvements to
17 their properties. African-American homeowners in these
18 neighborhoods often lacked the funds for proper upkeep. As a
19 result, these neighborhoods began to become rundown and
20 dilapidated. Soon thereafter these neighborhoods were deemed
21 "blighted". Policymakers began to look for solutions to the
22 problem of "blighted areas".

23 (3) The Blighted Areas Redevelopment Act of 1947 was
24 enacted in an attempt to address the blighted areas problem.

1 However, the General Assembly finds that the ultimate effect
2 of this Act was to codify discriminatory housing practices by
3 declaring large swaths of African-American neighborhoods
4 blighted areas. This resulted in these areas being condemned
5 and demolished and the residents being forced to move without
6 affordable housing readily available. The ultimate result was
7 that the condemned areas were not redeveloped with affordable
8 housing, but rather converted to mixed industrial or highway
9 use, effectively serving as a "moat" between African-American
10 neighborhoods and the rest of the city.

11 (4) The General Assembly finds that the stain of the
12 discriminatory effects of the Blighted Areas Redevelopment Act
13 of 1947 cannot be erased. However, the effects can be
14 recognized and with the repeal of the Act, the path toward
15 healing can begin.

16 Section 5. The Illinois Municipal Code is amended by
17 changing Section 1-1-10 as follows:

18 (65 ILCS 5/1-1-10) (from Ch. 24, par. 1-1-10)

19 Sec. 1-1-10. It is the policy of this State that all powers
20 granted, either expressly or by necessary implication, by this
21 Code, by Illinois statute, or by the Illinois Constitution to
22 municipalities may be exercised by those municipalities, and
23 the officers, employees, and agents of each, notwithstanding
24 effects on competition.

1 It is further the policy of this State that home rule
2 ~~home rule~~ municipalities and, the officers, employees, and
3 agents of each may (1) exercise any power and perform any
4 function pertaining to their government and affairs or (2)
5 exercise those powers within traditional areas of municipal
6 activity, except as limited by the Illinois Constitution or a
7 proper limiting statute, notwithstanding effects on
8 competition.

9 It is the intention of the General Assembly that the
10 "State action exemption" to the application of federal
11 antitrust statutes be fully available to all municipalities,
12 and the agents, officers, and employees of each to the extent
13 they are exercising authority as aforesaid, including, but not
14 limited to, the provisions of Sections 6, 7, and 10 of Article
15 VII of the Illinois Constitution or the provisions of the
16 following Illinois statutes, as each is now in existence or
17 may hereinafter be amended:

18 (a) The Illinois Local Library Act; Article 27 of the
19 Property Tax Code ~~"An Act to provide the manner of levying or~~
20 ~~imposing taxes for the provision of special services to areas~~
21 ~~within the boundaries of home rule units and non-home rule~~
22 ~~municipalities and counties", approved September 21, 1973, as~~
23 ~~amended; the Housing Development and Construction Act ~~"An Act~~
24 ~~to facilitate the development and construction of housing, to~~
25 ~~provide governmental assistance therefor, and to repeal an Act~~
26 ~~herein named", approved July 2, 1947, as amended; or the~~~~

1 Housing Authorities Act, the Housing Cooperation Law, ~~the~~
2 ~~Blighted Areas Redevelopment Act of 1947,~~ the Blighted Vacant
3 Areas Development Act of 1949, the Urban Community
4 Conservation Act, the Illinois Enterprise Zone Act, or any
5 other power exercised pursuant to the Intergovernmental
6 Cooperation Act; or

7 (b) Divisions 1, 2, 3, 4, 5, and 6 of Article 7 of the
8 Illinois Municipal Code; Divisions 9, 10, and 11 of Article 8
9 of the Illinois Municipal Code; Divisions 1, 2, 3, 4, and 5 of
10 Article 9 of the Illinois Municipal Code; and all of Divisions
11 of Articles 10 and 11 of the Illinois Municipal Code; or

12 (c) Any other Illinois statute or constitutional provision
13 now existing or which may be enacted in the future, by which
14 any municipality may exercise authority.

15 The "State action exemption" for which provision is made
16 by this Section shall be liberally construed in favor of such
17 municipalities and the agents, employees, and officers
18 thereof, and such exemption shall be available notwithstanding
19 that the action of the municipality or its agents, officers,
20 or employees constitutes an irregular exercise of
21 constitutional or statutory powers. However, this exemption
22 shall not apply where the action alleged to be in violation of
23 antitrust law exceeds either (1) powers granted, either
24 expressly or by necessary implication, by Illinois statute or
25 the Illinois Constitution or (2) powers granted to a home rule
26 municipality to perform any function pertaining to its

1 government and affairs or to act within traditional areas of
2 municipal activity, except as limited by the Illinois
3 Constitution or a proper limiting statute.

4 Notwithstanding the foregoing, where it is alleged that a
5 violation of the antitrust laws has occurred, the relief
6 available to the plaintiffs shall be limited to an injunction
7 which enjoins the alleged activity.

8 Nothing in this Section is intended to prohibit or limit
9 any cause of action other than under an antitrust theory.

11 Section 10. The Housing Authorities Act is amended by
12 changing Sections 9 and 17 and by adding Section 8.24 as
13 follows:

14 (310 ILCS 10/8.24 new)

15 Sec. 8.24. Land clearance commissions. Any Land Clearance
16 Commission created prior to the effective date of this
17 amendatory Act of the 102nd General Assembly in accordance
18 with the Blighted Areas Redevelopment Act of 1947 (repealed)
19 shall be deemed lawful and valid except as provided under the
20 Urban Renewal Consolidation Act of 1961. Nothing herein
21 contained shall affect or impair the validity of any act or
22 proceeding done or performed by such Land Clearance Commission
23 under the Blighted Areas Redevelopment Act of 1947 prior to
24 the effective date of this amendatory Act of the 102nd General

1 Assembly.

2 (310 ILCS 10/9) (from Ch. 67 1/2, par. 9)

3 Sec. 9. Whenever it shall be deemed necessary by an
4 Authority in connection with the exercise of its powers herein
5 conferred to take or acquire the fee of any real property in
6 the area of operation or any interest therein or right with
7 respect thereto, such Authority may acquire the same directly
8 or through its agent or agents from the owner or owners thereof
9 or may acquire the same by the exercise of eminent domain in
10 the manner provided by the Eminent Domain Act.

11 If any of such property is devoted to a public use it may
12 nevertheless be acquired, provided that no property belonging
13 to a government may be acquired without its consent and that no
14 property belonging to a corporation subject to the
15 jurisdiction of the Illinois Commerce Commission may be
16 acquired without the approval of the Illinois Commerce
17 Commission.

18 The power of eminent domain shall apply not only to
19 improved or unimproved property which may be acquired for or
20 as an incident to the development or operation of a project or
21 projects, but also to: (a) any improved or unimproved property
22 the acquisition of which is necessary or appropriate for the
23 rehabilitation or redevelopment of any blighted or slum area,
24 or (b) any improved or unimproved property which the Authority
25 may require to carry out the provisions of this Act. Such power

1 may be exercised by the Housing Authority on its own
2 initiative or as an agent of the city, village, incorporated
3 town, county or counties, or any government, or for the
4 purpose of sale or lease to: (a) a housing corporation
5 operating under "An Act in relation to housing", approved July
6 12, 1933, as amended; (b) neighborhood redevelopment
7 corporations operating under the "Neighborhood Redevelopment
8 Corporation Law", approved July 9, 1941, as amended; (c)
9 insurance companies operating under Section 125a of the
10 "Illinois Insurance Code", approved June 29, 1937, as amended;
11 (d) non-profit corporations organized for the purpose of
12 constructing, managing and operating housing projects and for
13 the improvement of housing conditions, including the rental or
14 sale of housing units to persons in need thereof; or to any
15 other individual, association or corporation desiring to
16 engage in a development or redevelopment project. No sale or
17 lease shall be made hereunder to any of the aforesaid
18 corporations, associations or individuals unless a plan has
19 been approved by the Authority and the Department for the
20 development or redevelopment of such property and unless the
21 purchaser or lessee furnishes the Authority a bond, with
22 satisfactory sureties, in an amount not less than 10% of the
23 cost of such development or redevelopment, conditioned on the
24 completion of such development or redevelopment in accordance
25 with the approved plan; provided that the requirement of the
26 bond may be waived by the Department if it is satisfied of the

1 financial ability of the purchaser or lessee to complete such
2 development or redevelopment in accordance with the approved
3 plan. To further assure that the real property so sold or
4 leased shall be used in accordance with the plan, the
5 Department may require the purchaser or lessee to execute in
6 writing such undertakings as the Department deems necessary to
7 obligate such purchaser or lessee (1) to use the property for
8 the purposes presented in plans; (2) to commence and complete
9 the building of the improvements designated in the plan within
10 the periods of time that the Department fixes as reasonable;
11 and (3) to comply with such other conditions as are necessary
12 to carry out the purpose of this Act. Any such property may be
13 sold pursuant to this section for any legal consideration in
14 an amount to be approved by the Department.

15 If the area of operation of a housing authority includes a
16 city, village or incorporated town having a population in
17 excess of 500,000 as determined by the last preceding Federal
18 census, no real property or interest in real property shall be
19 acquired in such municipality by the housing authority until
20 such time as the housing authority has advised the governing
21 body of such municipality of the description of the real
22 property, or interest therein, proposed to be acquired, and
23 the governing body of the municipality has approved the
24 acquisition thereof by the housing authority.

25 A "blighted or slum area" means any area of not less, in
26 the aggregate, than one acre, excepting that in any

1 municipality having a population in excess of 500,000, as
2 determined by the last preceding Federal census, a "blighted
3 or slum area" means any area of not less in the aggregate of 2
4 acres which area, in either case, has been designated by
5 municipal ordinance or by the Authority as an integrated
6 project for rehabilitation, development or redevelopment,
7 where (a) buildings or improvements, by reason of
8 dilapidation, obsolescence, overcrowding, faulty arrangement
9 or design, lack of ventilation, light or sanitary facilities,
10 excessive land coverage, deleterious land use or layout or any
11 combination of these factors, are a detriment to public
12 safety, health or morals, or welfare, or (b) there exists
13 platted land which is predominantly open and which, because of
14 obsolete platting, diversity of ownership, deterioration of
15 structures or of site improvements, or otherwise substantially
16 impairs or arrests the sound growth of the community and which
17 is to be developed for predominantly residential uses, or (c)
18 there exists open unplatted land necessary for sound community
19 growth which is to be developed for predominantly residential
20 uses, or (d) parcels of land remain undeveloped because of
21 improper platting, delinquent taxes or special assessments,
22 scattered or uncertain ownerships, clouds on title, artificial
23 values due to excessive utility costs, or any other impediment
24 to the use of such area for predominantly residential uses;
25 provided, that if in any city, village or incorporated town
26 there exists a land clearance commission, created under the

1 "Blighted Areas Redevelopment Act of 1947 (repealed) prior to
2 the effective date of this amendatory Act of the 102nd General
3 Assembly ", having the same area of operation as a housing
4 authority created in and for any such municipality, such
5 housing authority shall have no power to acquire land of the
6 character described in sub-paragraphs (b), (c) or (d) of the
7 definition of "blighted or slum area", in this paragraph for
8 the purpose of development or redevelopment by private
9 enterprise.

10 The Housing Authority shall have power to hold or use any
11 such property for uses authorized by this Act, or to sell,
12 lease or exchange such property as is not required for such
13 uses by the Authority. In case of sale or lease to other than a
14 public corporation or public agency, notice shall be given and
15 bids shall be received in the manner provided by Section
16 11-76-2 of the Illinois Municipal Code, as amended, and bids
17 may be accepted by vote of three of the five Commissioners of
18 the Authority; provided, however, that such requirement of
19 notice and bidding shall not apply to a sale or lease to any
20 individual, association or corporation described in the
21 preceding paragraph; nor to a sale or lease of an individual
22 dwelling unit in a project, to be used by the purchaser as a
23 dwelling for his family; nor to a sale or lease of a project or
24 part thereof to an association to be so used by its members. In
25 case of exchange of property for property privately owned,
26 three disinterested appraisers shall be appointed to appraise

1 the value of the property to be exchanged, and such exchange
2 shall not be made unless the property to be received by the
3 Authority is equal or greater in value than the property to be
4 exchanged therefor, or if less than such value, that the
5 difference shall be paid in money.

7 (310 ILCS 10/17) (from Ch. 67 1/2, par. 17)

8 Sec. 17. Definitions. The following terms, wherever used
9 or referred to in this Act shall have the following respective
10 meanings, unless in any case a different meaning clearly
11 appears from the context:

12 (a) "Authority" or "housing authority" shall mean a
13 municipal corporation organized in accordance with the
14 provisions of this Act for the purposes, with the powers and
15 subject to the restrictions herein set forth.

16 (b) "Area" or "area of operation" shall mean: (1) in the
17 case of an authority which is created hereunder for a city,
18 village, or incorporated town, the area within the territorial
19 boundaries of said city, village, or incorporated town, and so
20 long as no county housing authority has jurisdiction therein,
21 the area within three miles from such territorial boundaries,
22 except any part of such area located within the territorial
23 boundaries of any other city, village, or incorporated town;
24 and (2) in the case of a county shall include all of the county
25 except the area of any city, village or incorporated town

1 located therein in which there is an Authority. When an
2 authority is created for a county subsequent to the creation
3 of an authority for a city, village or incorporated town
4 within the same county, the area of operation of the authority
5 for such city, village or incorporated town shall thereafter
6 be limited to the territory of such city, village or
7 incorporated town, but the authority for such city, village or
8 incorporated town may continue to operate any project
9 developed in whole or in part in an area previously a part of
10 its area of operation, or may contract with the county housing
11 authority with respect to the sale, lease, development or
12 administration of such project. When an authority is created
13 for a city, village or incorporated town subsequent to the
14 creation of a county housing authority which previously
15 included such city, village or incorporated town within its
16 area of operation, such county housing authority shall have no
17 power to create any additional project within the city,
18 village or incorporated town, but any existing project in the
19 city, village or incorporated town currently owned and
20 operated by the county housing authority shall remain in the
21 ownership, operation, custody and control of the county
22 housing authority.

23 (c) "Presiding officer" shall mean the presiding officer

10 improvements, acquired, owned, leased, managed or operated by
11 a housing authority, and all buildings and improvements
12 constructed, reconstructed or repaired by a housing authority,
13 designed to provide housing accommodations and facilities
14 appurtenant thereto (including community facilities and
15 stores) which are planned as a unit, whether or not acquired or
16 constructed at one time even though all or a portion of the
17 buildings are not contiguous or adjacent to one another; and
18 the planning of buildings and improvements, the acquisition of
19 property, the demolition of existing structures, the clearing
20 of land, the construction, reconstruction, and repair of
21 buildings or improvements and all other work in connection
22 therewith. As provided in Sections 8.14 to 8.18, inclusive,
23 "project" also means, for Housing Authorities for
24 municipalities of less than 500,000 population and for
25 counties, the conservation of urban areas in accordance with
26 an approved conservation plan. "Project" shall also include

1 (1) acquisition of (i) a slum or blighted area or a
2 deteriorated or deteriorating area which is predominantly
3 residential in character, or (ii) any other deteriorated or
4 deteriorating area which is to be developed or redeveloped for
5 predominantly residential uses, or (iii) platted urban or
6 suburban land which is predominantly open and which because of
7 obsolete platting, diversity of ownership, deterioration of
8 structures or of site improvements, or otherwise substantially
9 impairs or arrests the sound growth of the community and which
10 is to be developed for predominantly residential uses, or (iv)
11 open unplatted urban or suburban land necessary for sound
12 community growth which is to be developed for predominantly
13 residential uses, or (v) any other area where parcels of land
14 remain undeveloped because of improper platting, delinquent
15 taxes or special assessments, scattered or uncertain
16 ownerships, clouds on title, artificial values due to
17 excessive utility costs, or any other impediments to the use
18 of such area for predominantly residential uses; (2)
19 installation, construction, or reconstruction of streets,
20 utilities, and other site improvements essential to the
21 preparation of sites for uses in accordance with the
22 development or redevelopment plan; and (3) making the land
23 available for development or redevelopment by private
24 enterprise or public agencies (including sale, initial
25 leasing, or retention by the local public agency itself). If
26 in any city, village or incorporated town there exists a land

1 clearance commission created under the "Blighted Areas
2 Redevelopment Act of 1947 (repealed) prior to the effective
3 date of this amendatory Act of the 102nd General Assembly "
4 having the same area of operation as a housing authority
5 created in and for any such municipality such housing
6 authority shall have no power to acquire land of the character

24 village, and the county board of any county.

2 company, insurance company, housing corporation, neighborhood
3 redevelopment corporation, non-profit corporation,

5 educational institution, hospital, or charitable organization,
6 and any mutual ownership or cooperative organization.

7 (l) "Conservation area", for the purpose of the exercise
8 of the powers granted in Sections 8.14 to 8.18, inclusive, for
9 housing authorities for municipalities of less than 500,000
10 population and for counties, means an area of not less than 2
11 acres in which the structures in 50% or more of the area are
12 residential having an average age of 35 years or more. Such an
13 area ~~is not yet a slum or blighted area as defined in the~~
14 ~~Blighted Areas Redevelopment Act of 1947, but such an area by~~
15 reason of dilapidation, obsolescence, deterioration or illegal
16 use of individual structures, overcrowding of structures and
17 community facilities, conversion of residential units into
18 non-residential use, deleterious land use or layout, decline

21 area.

22 (m) "Conservation plan" means the comprehensive program

23 Section 15. The Housing Development and Construction Act
24 is amended by changing Sections 2, 3b, 4, and 10 and by adding
25 Section 10a as follows:

1 (310 ILCS 20/2) (from Ch. 67 1/2, par. 54)

2 Sec. 2. Any housing authority now or hereafter organized
3 under the "Housing Authorities Act," approved March 19, 1934,
4 as amended, and any Land Clearance Commission heretofore
5 organized under the Act herein repealed or organized prior to
6 the effective date of this amendatory Act of the 102nd General
7 Assembly hereafter organized under the provisions of the
8 "Blighted Areas Redevelopment Act of 1947 (repealed),"
9 ~~enacted by the 65th General Assembly,~~ may make application to
10 the Department of Commerce and Economic Opportunity for a
11 grant of state funds from the appropriation designated for the
12 making of grants under this Act. No such housing authority or
13 Land Clearance Commission shall apply for a sum larger than
14 the proportion of the population of its area of operation to
15 the population of the State, and where an authority and Land
16 Clearance Commission have been created by the governing body
17 of the same municipality, an amount not in excess of one-half
18 (1/2) of the maximum grant allocable for such municipality on
19 the foregoing basis of proportion of population may be
20 allocated to the housing authority and an amount not in excess
21 of one-half (1/2) of the maximum grant so allocable for such
22 municipality may be allocated to the Land Clearance
23 Commission.

24 The foregoing provisions of this Section in respect to
25 maximum allocable grants to housing authorities and land

1 clearance commissions from funds appropriated by the 66th or
2 any succeeding General Assembly, and applications therefor,
3 shall be subject to the provisions of Section 3a of this Act.

5 (310 ILCS 20/3b) (from Ch. 67 1/2, par. 55b)

6 Sec. 3b. In any municipality or county for which a Land
7 Clearance Commission has been established, and for which no
8 Housing Authority has been established, the Land Clearance
9 Commission, if a recipient of state grants under this Act,
10 may, subject to the approval of the Department of Commerce and
11 Economic Opportunity, exercise the powers vested in Housing
12 Authorities under the provisions of this Act and the "Housing
13 Authorities Act," approved March 19, 1934, as amended, and
14 apply state grant funds allocated under this Act to any such
15 purpose. For the purpose of any project so undertaken, the
16 Land Clearance Commission shall be subject to all laws and
17 regulations applicable to Housing Authorities. ~~In If a Housing~~
18 ~~Authority is established for any such municipality or county,~~
19 ~~the Land Clearance Commission shall thereafter exercise only~~
20 ~~those powers designated in the "Blighted Areas Redevelopment~~
21 ~~Act of 1947," approved July 2, 1947, as amended, and, in~~
22 respect to pending, uncompleted or existing projects
23 undertaken as a Housing Authority, the Land Clearance
24 Commission, subject to the approval of the Department of
25 Commerce and Economic Opportunity, may either complete or

1 continue such project, or transfer full and complete power
2 thereover to the Housing Authority.

3 (Source: P.A. 94-793, eff. 5-19-06.)

4 (310 ILCS 20/4) (from Ch. 67 1/2, par. 56)

5 Sec. 4. Grants paid to Land Clearance Commissions pursuant
6 to this Act shall be deposited in a separate fund ~~and, except~~
7 ~~as otherwise authorized by Section 3b, be applied only to the~~
8 ~~uses authorized by the "Blighted Areas Redevelopment Act of~~
9 ~~1947," approved July 2, 1947, as amended.~~ If any such Land
10 Clearance Commission has received state or municipal grants
11 under the "Blighted Areas Redevelopment Act of 1947 (repealed)
12 prior to the effective date of this amendatory Act of the 102nd
13 General Assembly," the sum paid under this Act shall be
14 deposited in the separate fund into which such other grants
15 were placed for use in connection with any redevelopment
16 project or projects undertaken by such commission. No grant to
17 a Land Clearance Commission hereunder shall be conditioned
18 upon the matching thereof by the municipality in which the
19 redevelopment project is located.
