1 AN ACT concerning State government.

2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

4 Section 5. The Department of Healthcare and Family 5 Services Law of the Civil Administrative Code of Illinois is 6 amended by adding Section 30 as follows:

- 7 (20 ILCS 2205/30 new)
- 8 <u>Sec. 30. Health care telementoring.</u>
- 9 (a) The Department of Healthcare and Family Services shall designate one or more health care telementoring entities based 10 on an application to be developed by the Department of 11 12 Healthcare and Family Services. Applicants shall demonstrate a record of expertise and demonstrated success in providing 13 14 health care telementoring services. Approved applicants from Illinois shall be eligible for State funding in accordance 15 with rules developed by the Department of Healthcare and 16 Family Services. Funding shall be provided based on the number 17 of physicians who are assisted by each approved health care 18 19 telementoring entity and the hours of assistance provided to 20 each physician.
- 21 (b) In this Section, "health care telementoring" means a
 22 program:
- 23 (1) based on interactive video technology that
