

1 AN ACT concerning education.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The School Code is amended by changing Section  
5 21B-45 as follows:

6 (105 ILCS 5/21B-45)

7 Sec. 21B-45. Professional Educator License renewal.

8 (a) Individuals holding a Professional Educator License  
9 are required to complete the licensure renewal requirements as  
10 specified in this Section, unless otherwise provided in this  
11 Code.

12 Individuals holding a Professional Educator License shall  
13 meet the renewal requirements set forth in this Section,  
14 unless otherwise provided in this Code. If an individual holds  
15 a license endorsed in more than one area that has different  
16 renewal requirements, that individual shall follow the renewal  
17 requirements for the position for which he or she spends the  
18 majority of his or her time working.

19 (b) All Professional Educator Licenses not renewed as  
20 provided in this Section shall lapse on September 1 of that  
21 year. Notwithstanding any other provisions of this Section, if  
22 a license holder's electronic mail address is available, the  
23 State Board of Education shall send him or her notification

1 electronically that his or her license will lapse if not  
2 renewed, to be sent no more than 6 months prior to the license  
3 lapsing. Lapsed licenses may be immediately reinstated upon  
4 (i) payment by the applicant of a \$500 penalty to the State  
5 Board of Education or (ii) the demonstration of proficiency by  
6 completing 9 semester hours of coursework from a regionally  
7 accredited institution of higher education in the content area  
8 that most aligns with one or more of the educator's  
9 endorsement areas. Any and all back fees, including without  
10 limitation registration fees owed from the time of expiration  
11 of the license until the date of reinstatement, shall be paid  
12 and kept in accordance with the provisions in Article 3 of this  
13 Code concerning an institute fund and the provisions in  
14 Article 21B of this Code concerning fees and requirements for  
15 registration. Licenses not registered in accordance with  
16 Section 21B-40 of this Code shall lapse after a period of 6  
17 months from the expiration of the last year of registration or  
18 on January 1 of the fiscal year following initial issuance of  
19 the license. An unregistered license is invalid after  
20 September 1 for employment and performance of services in an  
21 Illinois public or State-operated school or cooperative and in  
22 a charter school. Any license or endorsement may be  
23 voluntarily surrendered by the license holder. A voluntarily  
24 surrendered license shall be treated as a revoked license. An  
25 Educator License with Stipulations with only a  
26 paraprofessional endorsement does not lapse.

1 (c) From July 1, 2013 through June 30, 2014, in order to  
2 satisfy the requirements for licensure renewal provided for in  
3 this Section, each professional educator licensee with an  
4 administrative endorsement who is working in a position  
5 requiring such endorsement shall complete one Illinois  
6 Administrators' Academy course, as described in Article 2 of  
7 this Code, per fiscal year.

8 (c-5) All licenses issued by the State Board of Education  
9 under this Article that expire on June 30, 2020 and have not  
10 been renewed by the end of the 2020 renewal period shall be  
11 extended for one year and shall expire on June 30, 2021.

12 (d) Beginning July 1, 2014, in order to satisfy the  
13 requirements for licensure renewal provided for in this  
14 Section, each professional educator licensee may create a  
15 professional development plan each year. The plan shall  
16 address one or more of the endorsements that are required of  
17 his or her educator position if the licensee is employed and  
18 performing services in an Illinois public or State-operated  
19 school or cooperative. If the licensee is employed in a  
20 charter school, the plan shall address that endorsement or  
21 those endorsements most closely related to his or her educator  
22 position. Licensees employed and performing services in any  
23 other Illinois schools may participate in the renewal  
24 requirements by adhering to the same process.

25 Except as otherwise provided in this Section, the  
26 licensee's professional development activities shall align

1 with one or more of the following criteria:

2 (1) activities are of a type that engage participants  
3 over a sustained period of time allowing for analysis,  
4 discovery, and application as they relate to student  
5 learning, social or emotional achievement, or well-being;

6 (2) professional development aligns to the licensee's  
7 performance;

8 (3) outcomes for the activities must relate to student  
9 growth or district improvement;

10 (4) activities align to State-approved standards; and

11 (5) higher education coursework.

12 (e) For each renewal cycle, each professional educator  
13 licensee shall engage in professional development activities.  
14 Prior to renewal, the licensee shall enter electronically into  
15 the Educator Licensure Information System (ELIS) the name,  
16 date, and location of the activity, the number of professional  
17 development hours, and the provider's name. The following  
18 provisions shall apply concerning professional development  
19 activities:

20 (1) For any 5-year renewal cycle that does not include  
21 the 2021-2022 school year, each ~~Each~~ licensee shall  
22 complete a total of 120 hours of professional development  
23 per 5-year renewal cycle in order to renew the license,  
24 except as otherwise provided in this Section. For any  
25 5-year renewal cycle that includes the 2021-2022 school  
26 year, each licensee shall complete a total of 100 hours of

1       professional development during the 5-year renewal cycle  
2       in order to renew the license, except as otherwise  
3       provided in this Section.

4           (2) Beginning with his or her first full 5-year cycle,  
5       any licensee with an administrative endorsement who is not  
6       working in a position requiring such endorsement is not  
7       required to complete Illinois Administrators' Academy  
8       courses, as described in Article 2 of this Code. Such  
9       licensees must complete one Illinois Administrators'  
10      Academy course within one year after returning to a  
11      position that requires the administrative endorsement.

12          (3) Any licensee with an administrative endorsement  
13      who is working in a position requiring such endorsement or  
14      an individual with a Teacher Leader endorsement serving in  
15      an administrative capacity at least 50% of the day shall  
16      complete one Illinois Administrators' Academy course, as  
17      described in Article 2 of this Code, each fiscal year in  
18      addition to 100 hours of professional development per  
19      5-year renewal cycle in accordance with this Code.  
20      However, for the 2021-2022 school year only, a licensee  
21      under this paragraph (3) is not required to complete an  
22      Illinois Administrators' Academy course.

23          (4) Any licensee holding a current National Board for  
24      Professional Teaching Standards (NBPTS) master teacher  
25      designation shall complete a total of 60 hours of  
26      professional development per 5-year renewal cycle in order

1 to renew the license.

2 (5) Licensees working in a position that does not  
3 require educator licensure or working in a position for  
4 less than 50% for any particular year are considered to be  
5 exempt and shall be required to pay only the registration  
6 fee in order to renew and maintain the validity of the  
7 license.

8 (6) Licensees who are retired and qualify for benefits  
9 from a State of Illinois retirement system shall notify  
10 the State Board of Education using ELIS, and the license  
11 shall be maintained in retired status. For any renewal  
12 cycle in which a licensee retires during the renewal  
13 cycle, the licensee must complete professional development  
14 activities on a prorated basis depending on the number of  
15 years during the renewal cycle the educator held an active  
16 license. If a licensee retires during a renewal cycle, the  
17 licensee must notify the State Board of Education using  
18 ELIS that the licensee wishes to maintain the license in  
19 retired status and must show proof of completion of  
20 professional development activities on a prorated basis  
21 for all years of that renewal cycle for which the license  
22 was active. An individual with a license in retired status  
23 shall not be required to complete professional development  
24 activities or pay registration fees until returning to a  
25 position that requires educator licensure. Upon returning  
26 to work in a position that requires the Professional

1 Educator License, the licensee shall immediately pay a  
2 registration fee and complete renewal requirements for  
3 that year. A license in retired status cannot lapse.  
4 Beginning on January 6, 2017 (the effective date of Public  
5 Act 99-920) through December 31, 2017, any licensee who  
6 has retired and whose license has lapsed for failure to  
7 renew as provided in this Section may reinstate that  
8 license and maintain it in retired status upon providing  
9 proof to the State Board of Education using ELIS that the  
10 licensee is retired and is not working in a position that  
11 requires a Professional Educator License.

12 (7) For any renewal cycle in which professional  
13 development hours were required, but not fulfilled, the  
14 licensee shall complete any missed hours to total the  
15 minimum professional development hours required in this  
16 Section prior to September 1 of that year. Professional  
17 development hours used to fulfill the minimum required  
18 hours for a renewal cycle may be used for only one renewal  
19 cycle. For any fiscal year or renewal cycle in which an  
20 Illinois Administrators' Academy course was required but  
21 not completed, the licensee shall complete any missed  
22 Illinois Administrators' Academy courses prior to  
23 September 1 of that year. The licensee may complete all  
24 deficient hours and Illinois Administrators' Academy  
25 courses while continuing to work in a position that  
26 requires that license until September 1 of that year.

1           (8) Any licensee who has not fulfilled the  
2 professional development renewal requirements set forth in  
3 this Section at the end of any 5-year renewal cycle is  
4 ineligible to register his or her license and may submit  
5 an appeal to the State Superintendent of Education for  
6 reinstatement of the license.

7           (9) If professional development opportunities were  
8 unavailable to a licensee, proof that opportunities were  
9 unavailable and request for an extension of time beyond  
10 August 31 to complete the renewal requirements may be  
11 submitted from April 1 through June 30 of that year to the  
12 State Educator Preparation and Licensure Board. If an  
13 extension is approved, the license shall remain valid  
14 during the extension period.

15           (10) Individuals who hold exempt licenses prior to  
16 December 27, 2013 (the effective date of Public Act  
17 98-610) shall commence the annual renewal process with the  
18 first scheduled registration due after December 27, 2013  
19 (the effective date of Public Act 98-610).

20           (11) Notwithstanding any other provision of this  
21 subsection (e), if a licensee earns more than the required  
22 number of professional development hours during a renewal  
23 cycle, then the licensee may carry over any hours earned  
24 from April 1 through June 30 of the last year of the  
25 renewal cycle. Any hours carried over in this manner must  
26 be applied to the next renewal cycle. Illinois

1 Administrators' Academy courses or hours earned in those  
2 courses may not be carried over.

3 (f) At the time of renewal, each licensee shall respond to  
4 the required questions under penalty of perjury.

5 (f-5) The State Board of Education shall conduct random  
6 audits of licensees to verify a licensee's fulfillment of the  
7 professional development hours required under this Section.  
8 Upon completion of a random audit, if it is determined by the  
9 State Board of Education that the licensee did not complete  
10 the required number of professional development hours or did  
11 not provide sufficient proof of completion, the licensee shall  
12 be notified that his or her license has lapsed. A license that  
13 has lapsed under this subsection may be reinstated as provided  
14 in subsection (b).

15 (g) The following entities shall be designated as approved  
16 to provide professional development activities for the renewal  
17 of Professional Educator Licenses:

18 (1) The State Board of Education.

19 (2) Regional offices of education and intermediate  
20 service centers.

1 Section shall make available professional development

25 without disabilities, in a general education setting.

26 (i) Approved providers under subsection (g) of this

1 Section shall do the following:

2 (1) align professional development activities to the  
3 State-approved national standards for professional  
4 learning;

5 (2) meet the professional development criteria for

19 the State Board of Education prior to offering any  
20 professional development opportunities in the current  
21 fiscal year.

22 (j) The State Board of Education shall conduct annual  
23 audits of a subset of approved providers, except for school  
24 districts, which shall be audited by regional offices of  
25 education and intermediate service centers. The State Board of  
26 Education shall ensure that each approved provider, except for

1 a school district, is audited at least once every 5 years. The  
2 State Board of Education may conduct more frequent audits of  
3 providers if evidence suggests the requirements of this  
4 Section or administrative rules are not being met.

5 (1) (Blank).

6 (2) Approved providers shall comply with the  
7 requirements in subsections (h) and (i) of this Section by  
8 annually submitting data to the State Board of Education  
9 demonstrating how the professional development activities  
10 impacted one or more of the following:

11 (A) educator and student growth in regards to  
12 content knowledge or skills, or both;

13 (B) educator and student social and emotional  
14 growth; or

15 (C) alignment to district or school improvement  
16 plans.

17 (3) The State Superintendent of Education shall review  
18 the annual data collected by the State Board of Education,  
19 regional offices of education, and intermediate service  
20 centers in audits to determine if the approved provider

23 in rules.

24 (k) Registration fees shall be paid for the next renewal  
25 cycle between April 1 and June 30 in the last year of each

2 and entered by the licensee, the licensee shall pay the

4 debit card.

5 (l) Any professional educator licensee endorsed for school  
6 support personnel who is employed and performing services in  
7 Illinois public schools and who holds an active and current  
8 professional license issued by the Department of Financial and  
9 Professional Regulation or a national certification board, as  
10 approved by the State Board of Education, related to the  
11 endorsement areas on the Professional Educator License shall  
12 be deemed to have satisfied the continuing professional  
13 development requirements provided for in this Section. Such  
14 individuals shall be required to pay only registration fees to  
15 renew the Professional Educator License. An individual who  
16 does not hold a license issued by the Department of Financial  
17 and Professional Regulation shall complete professional  
18 development requirements for the renewal of a Professional  
19 Educator License provided for in this Section.

20 (m) Appeals to the State Educator Preparation and  
21 Licensure Board must be made within 30 days after receipt of  
22 notice from the State Superintendent of Education that a

4 State Board of Education.

5           (2) The State Educator Preparation and Licensure Board  
6 shall review each appeal regarding renewal of a license  
7 within 90 days after receiving the appeal in order to  
8 determine whether the licensee has met the requirements of  
9 this Section. The State Educator Preparation and Licensure  
10 Board may hold an appeal hearing or may make its  
11 determination based upon the record of review, which shall  
12 consist of the following:

14 rationale for recommending nonrenewal of the license,  
15 if applicable;

24 requested, no later than 30 days after reaching a  
25 decision. Upon receipt of notification of renewal, the  
26 licensee, using ELIS, shall pay the applicable
