1 AN ACT concerning revenue.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Illinois Income Tax Act is amended by  
5 adding Section 232 as follows:

6 (35 ILCS 5/232 new)

7 Sec. 232. Credit for Illinois wineries and craft  
8 breweries.

9 (a) For each taxable year ending on or after December 31,  
10 2022, each taxpayer is entitled to a credit against the tax  
11 imposed by subsections (a) and (b) of Section 201 of this Act  
12 in an amount equal to 50% of the qualified costs incurred by a  
13 qualified taxpayer during the taxable year. In no event shall  
14 a taxpayer receive a credit of more than \$1,500. In no event  
15 shall more than one credit be allowed for any one licensed wine  
16 manufacturer or craft brewer.

17 (b) In order to be eligible for a tax credit under this  
18 Section, a taxpayer must: (i) own or operate a licensed  
19 Illinois-based wine manufacturing business; or (ii) own or  
20 operate a licensed Illinois-based craft brewery. The credit  
21 shall be awarded on the basis of costs related to the purchase  
22 of crops used in the manufacture of beer or wine that are grown  
23 and harvested in Illinois.

1       (c) For partners, shareholders of Subchapter S  
2 corporations, and owners of limited liability companies, if  
3 the liability company is treated as a partnership for purposes  
4 of federal and State income taxation, there shall be allowed a  
5 credit under this Section to be determined in accordance with  
6 the determination of income and distributive share of income  
7 under Sections 702 and 704 and Subchapter S of the Internal  
8 Revenue Code.

9       (d) In no event shall a credit under this Section reduce  
10 the taxpayer's liability to less than zero. If the amount of  
11 the tax credit exceeds the tax liability for the year, the  
12 excess may be carried forward and applied to the tax liability  
13 of the 5 taxable years following the excess credit year. The  
14 credit must be applied to the earliest year for which there is  
15 a tax liability. If there are credits from more than one tax  
16 year that are available to offset a liability, then the  
17 earlier credit must be applied first.

18       (e) The Department of Revenue shall adopt any necessary  
19 rules in order to implement and administer the provisions of  
20 this Section.

21       (f) For purposes of this Section:

22       "Qualified costs" means costs associated to the purchase  
23 of crops, including, but not limited to, barley, hops, and  
24 grapes, that are grown and harvested in Illinois.

6 becoming law.
