2 AMENDMENT NO. _____. Amend House Bill 4609 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Illinois Criminal Justice Information Act
5 is amended by adding Section 7.10 as follows:

6 (20 ILCS 3930/7.10 new)

7 Sec. 7.10. Grant program for the purchase of a software
8 system.

9 (a) The Illinois Criminal Justice Information Authority
10 shall administer a grant program, subject to appropriation,
11 for the purchase of a software system to enable State or local
12 agencies to modernize:

13 (1) pretrial communication with or monitoring of
14 defendants;

15 (2) communication with victims or witnesses; and

16 (3) ongoing monitoring of or communications with

1 persons required to register in an offender registry or by
2 persons involved with the Prisoner Review Board.

3 (b) The software system must, at a minimum:

4 (1) be available for any State or local agency that
5 supervises persons in pretrial detention or serving a term
6 of probation, conditional discharge, parole, or mandatory
7 supervised release, including, but not limited to, clerks
8 of the circuit court, offices of the chief judge,
9 sheriffs, local law enforcement agencies, the Illinois
10 State Police, and the Prisoner Review Board. The software
11 system must be available for unlimited use for an
12 unlimited number of participants who are: (A) in pretrial
13 detention, serving terms of probation, conditional
14 discharge, parole, or mandatory supervised release, or
15 participating in a treatment court, a specialty court, a
16 juvenile program, or a restorative justice program; or (B)
17 required to register in an offender registry;

18 (2) use an application on the participant's smartphone
19 and provide a cloud-based platform to the supervising
20 agency that requires no hardware or software integration;

21 (3) provide location services, including inclusion
22 zones, exclusion zones, curfews, and immediate location at
23 the direction of the agency without action required by the
24 participant and without the use of body-attached hardware;

25 (4) provide biometric identification of the
26 participant;

1 (5) provide a directory of local services available to
2 the participant;

3 (6) provide chat and video calls with transcription
4 within the application;

5 (7) provide a scoring mechanism to measure compliance
6 with supervision orders;

7 (8) provide written questionnaires to improve
8 efficiency of supervision; and

9 (9) provide a dashboard to identify noncompliance on
10 specific issues across population groups.

11 (c) All nonpersonal data collected by the software system
12 shall be available for use by for any State or local agency for
13 data collection and analysis purposes to help assess the
14 efficacy and impact of criminal justice laws and practices,
15 especially pretrial services, including, but not limited to,
16 the Authority and the Sentencing Policy Advisory Council. All
17 nonpersonal data collected by the software system in a
18 specific county shall be available for use by any county
19 agency for data collection and analysis purposes.

20 (d) All funds or expenses saved by local judicial or law
21 enforcement agencies by the use of the software system shall
22 be retained by the local judicial or law enforcement agency.

23 (e) No person shall be assessed fees for the use of the
24 software system.

25 Section 99. Effective date. This Act takes effect upon

1 becoming law.".
