

1 AN ACT concerning local government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Property Tax Code is amended by changing
5 Section 18-185 as follows:

6 (35 ILCS 200/18-185)

7 Sec. 18-185. Short title; definitions. This Division 5
8 may be cited as the Property Tax Extension Limitation Law. As
9 used in this Division 5:

10 "Consumer Price Index" means the Consumer Price Index for
11 All Urban Consumers for all items published by the United
12 States Department of Labor.

23 only each non-home rule taxing district having the majority of

6 rule taxing district not subject to this Law before the 1995
7 levy year having the majority of its 1994 equalized assessed
8 value in an affected county or counties. Beginning with the
9 levy year in which this Law becomes applicable to a taxing
10 district as provided in Section 18-213, "taxing district" also
11 includes those taxing districts made subject to this Law as
12 provided in Section 18-213.

13 "Aggregate extension" for taxing districts to which this
14 Law applied before the 1995 levy year means the annual
15 corporate extension for the taxing district and those special
16 purpose extensions that are made annually for the taxing
17 district, excluding special purpose extensions: (a) made for
18 the taxing district to pay interest or principal on general
19 obligation bonds that were approved by referendum; (b) made
20 for any taxing district to pay interest or principal on
21 general obligation bonds issued before October 1, 1991; (c)

3 before October 1, 1991 for payment of which a property tax levy
4 or the full faith and credit of the unit of local government is

6 principal on those bonds shall be made only after the
7 governing body of the unit of local government finds that all
8 other sources for payment are insufficient to make those
9 payments; (f) made for payments under a building commission
10 lease when the lease payments are for the retirement of bonds

23 of principal and interest on bonds issued under Section 15 of
24 the Local Government Debt Reform Act; (k) made by a school
25 district that participates in the Special Education District

3 contributed by the Special Education District of Lake County

3 pension fund created under Article 4 of the Illinois Pension
4 Code, to the extent of the amount certified under item (5) of
5 Section 4-134 of the Illinois Pension Code.

6 "Debt service extension base" means an amount equal to
7 that portion of the extension for a taxing district for the
8 1994 levy year, or for those taxing districts subject to this
9 Law in accordance with Section 18-213, except for those
10 subject to paragraph (2) of subsection (e) of Section 18-213,
11 for the levy year in which the referendum making this Law
12 applicable to the taxing district is held, or for those taxing
13 districts subject to this Law in accordance with paragraph (2)
14 of subsection (e) of Section 18-213 for the 1996 levy year,
15 constituting an extension for payment of principal and
16 interest on bonds issued by the taxing district without
17 referendum, but not including excluded non-referendum bonds.
18 For park districts (i) that were first subject to this Law in
19 1991 or 1995 and (ii) whose extension for the 1994 levy year
20 for the payment of principal and interest on bonds issued by
21 the park district without referendum (but not including
22 excluded non-referendum bonds) was less than 51% of the amount
23 for the 1991 levy year constituting an extension for payment
24 of principal and interest on bonds issued by the park district
25 without referendum (but not including excluded non-referendum
26 bonds), "debt service extension base" means an amount equal to

1 that portion of the extension for the 1991 levy year
2 constituting an extension for payment of principal and
3 interest on bonds issued by the park district without
4 referendum (but not including excluded non-referendum bonds).
5 A debt service extension base established or increased at any
6 time pursuant to any provision of this Law, except Section
7 18-212, shall be increased each year commencing with the later
8 of (i) the 2009 levy year or (ii) the first levy year in which
9 this Law becomes applicable to the taxing district, by the
10 lesser of 5% or the percentage increase in the Consumer Price
11 Index during the 12-month calendar year preceding the levy
12 year. The debt service extension base may be established or
13 increased as provided under Section 18-212. "Excluded
14 non-referendum bonds" means (i) bonds authorized by Public Act
15 88-503 and issued under Section 20a of the Chicago Park
16 District Act for aquarium and museum projects; (ii) bonds
17 issued under Section 15 of the Local Government Debt Reform
18 Act; or (iii) refunding obligations issued to refund or to
19 continue to refund obligations initially issued pursuant to
20 referendum.

21 "Special purpose extensions" include, but are not limited
22 to, extensions for levies made on an annual basis for
23 unemployment and workers' compensation, self-insurance,
24 contributions to pension plans, and extensions made pursuant
25 to Section 6-601 of the Illinois Highway Code for a road
26 district's permanent road fund whether levied annually or not.

1 The extension for a special service area is not included in the
2 aggregate extension.

3 "Aggregate extension base" means the taxing district's
4 last preceding aggregate extension as adjusted under Sections
5 18-135, 18-215, 18-230, 18-206, and 18-233. An adjustment
6 under Section 18-135 shall be made for the 2007 levy year and
7 all subsequent levy years whenever one or more counties within
8 which a taxing district is located (i) used estimated
9 valuations or rates when extending taxes in the taxing
10 district for the last preceding levy year that resulted in the
11 over or under extension of taxes, or (ii) increased or
12 decreased the tax extension for the last preceding levy year
13 as required by Section 18-135(c). Whenever an adjustment is
14 required under Section 18-135, the aggregate extension base of
15 the taxing district shall be equal to the amount that the
16 aggregate extension of the taxing district would have been for
17 the last preceding levy year if either or both (i) actual,
18 rather than estimated, valuations or rates had been used to
19 calculate the extension of taxes for the last levy year, or
20 (ii) the tax extension for the last preceding levy year had not
21 been adjusted as required by subsection (c) of Section 18-135.

22 Notwithstanding any other provision of law, for levy year
23 2012, the aggregate extension base for West Northfield School
24 District No. 31 in Cook County shall be \$12,654,592.

25 Notwithstanding any other provision of law, for levy year
26 2022, the aggregate extension base of a home equity assurance

1 program that levied at least \$1,000,000 in property taxes in
2 levy year 2019 or 2020 under the Home Equity Assurance Act
3 shall be the amount that the program's aggregate extension
4 base for levy year 2021 would have been if the program had
5 levied a property tax for levy year 2021.

6 "Levy year" has the same meaning as "year" under Section
7 1-155.

8 "New property" means (i) the assessed value, after final
9 board of review or board of appeals action, of new
10 improvements or additions to existing improvements on any
11 parcel of real property that increase the assessed value of
12 that real property during the levy year multiplied by the
13 equalization factor issued by the Department under Section
14 17-30, (ii) the assessed value, after final board of review or
15 board of appeals action, of real property not exempt from real
16 estate taxation, which real property was exempt from real
17 estate taxation for any portion of the immediately preceding
18 levy year, multiplied by the equalization factor issued by the
19 Department under Section 17-30, including the assessed value,
20 upon final stabilization of occupancy after new construction
21 is complete, of any real property located within the
22 boundaries of an otherwise or previously exempt military
23 reservation that is intended for residential use and owned by
24 or leased to a private corporation or other entity, (iii) in
25 counties that classify in accordance with Section 4 of Article
26 IX of the Illinois Constitution, an incentive property's

1 additional assessed value resulting from a scheduled increase
2 in the level of assessment as applied to the first year final
3 board of review market value, and (iv) any increase in
4 assessed value due to oil or gas production from an oil or gas
5 well required to be permitted under the Hydraulic Fracturing
6 Regulatory Act that was not produced in or accounted for
7 during the previous levy year. In addition, the county clerk
8 in a county containing a population of 3,000,000 or more shall
9 include in the 1997 recovered tax increment value for any
10 school district, any recovered tax increment value that was
11 applicable to the 1995 tax year calculations.

12 "Qualified airport authority" means an airport authority
13 organized under the Airport Authorities Act and located in a
14 county bordering on the State of Wisconsin and having a
15 population in excess of 200,000 and not greater than 500,000.

16 "Recovered tax increment value" means, except as otherwise
17 provided in this paragraph, the amount of the current year's
18 equalized assessed value, in the first year after a
19 municipality terminates the designation of an area as a
20 redevelopment project area previously established under the
21 Tax Increment Allocation Redevelopment Act in the Illinois
22 Municipal Code, previously established under the Industrial
23 Jobs Recovery Law in the Illinois Municipal Code, previously
24 established under the Economic Development Project Area Tax
25 Increment Act of 1995, or previously established under the
26 Economic Development Area Tax Increment Allocation Act, of

1 each taxable lot, block, tract, or parcel of real property in
2 the redevelopment project area over and above the initial
3 equalized assessed value of each property in the redevelopment
4 project area. For the taxes which are extended for the 1997
5 levy year, the recovered tax increment value for a non-home
6 rule taxing district that first became subject to this Law for
7 the 1995 levy year because a majority of its 1994 equalized
8 assessed value was in an affected county or counties shall be
9 increased if a municipality terminated the designation of an
10 area in 1993 as a redevelopment project area previously
11 established under the Tax Increment Allocation Redevelopment
12 Act in the Illinois Municipal Code, previously established
13 under the Industrial Jobs Recovery Law in the Illinois
14 Municipal Code, or previously established under the Economic
15 Development Area Tax Increment Allocation Act, by an amount
16 equal to the 1994 equalized assessed value of each taxable
17 lot, block, tract, or parcel of real property in the
18 redevelopment project area over and above the initial
19 equalized assessed value of each property in the redevelopment
20 project area. In the first year after a municipality removes a
21 taxable lot, block, tract, or parcel of real property from a
22 redevelopment project area established under the Tax Increment
23 Allocation Redevelopment Act in the Illinois Municipal Code,
24 the Industrial Jobs Recovery Law in the Illinois Municipal
25 Code, or the Economic Development Area Tax Increment
26 Allocation Act, "recovered tax increment value" means the

1 amount of the current year's equalized assessed value of each
2 taxable lot, block, tract, or parcel of real property removed
3 from the redevelopment project area over and above the initial
4 equalized assessed value of that real property before removal
5 from the redevelopment project area.

6 Except as otherwise provided in this Section, "limiting
7 rate" means a fraction the numerator of which is the last
8 preceding aggregate extension base times an amount equal to
9 one plus the extension limitation defined in this Section and
10 the denominator of which is the current year's equalized
11 assessed value of all real property in the territory under the
12 jurisdiction of the taxing district during the prior levy
13 year. For those taxing districts that reduced their aggregate
14 extension for the last preceding levy year, except for school
15 districts that reduced their extension for educational
16 purposes pursuant to Section 18-206, the highest aggregate
17 extension in any of the last 3 preceding levy years shall be
18 used for the purpose of computing the limiting rate. The
19 denominator shall not include new property or the recovered
20 tax increment value. If a new rate, a rate decrease, or a
21 limiting rate increase has been approved at an election held
22 after March 21, 2006, then (i) the otherwise applicable
23 limiting rate shall be increased by the amount of the new rate
24 or shall be reduced by the amount of the rate decrease, as the
25 case may be, or (ii) in the case of a limiting rate increase,
26 the limiting rate shall be equal to the rate set forth in the

1 proposition approved by the voters for each of the years
2 specified in the proposition, after which the limiting rate of
3 the taxing district shall be calculated as otherwise provided.
4 In the case of a taxing district that obtained referendum
5 approval for an increased limiting rate on March 20, 2012, the
6 limiting rate for tax year 2012 shall be the rate that
7 generates the approximate total amount of taxes extendable for
8 that tax year, as set forth in the proposition approved by the
9 voters; this rate shall be the final rate applied by the county
10 clerk for the aggregate of all capped funds of the district for
11 tax year 2012.

15 Section 10. The Illinois Pension Code is amended by
16 changing Section 13-503 as follows:

17 (40 ILCS 5/13-503) (from Ch. 108 1/2, par. 13-503)

18 Sec. 13-503. Tax levy. Until fiscal year 2013, the Water
19 Reclamation District shall annually levy a tax upon all the
20 taxable real property within the District at a rate which,
21 when extended, will produce a sum that (i) when added to the
22 amounts deducted from the salaries of employees, interest
23 income on investments, and other income, will be sufficient to
24 meet the requirements of the Fund on an actuarially funded

1 basis, but (ii) shall not exceed an amount equal to the total
2 amount of contributions by the employees to the Fund made in
3 the calendar year 2 years prior to the year for which the tax
4 is levied, multiplied by 2.19, except that the amount of
5 employee contributions made on or after January 1, 2003
6 towards the purchase of additional optional benefits under
7 Section 13-304.1 shall only be multiplied by 1.00.

8 Beginning in fiscal year 2013, the District shall annually
9 levy a tax upon all the taxable real property within the
10 District at a rate which, when extended, will produce a sum
11 that (i) will be sufficient to meet the Fund's actuarially
12 determined contribution requirement, but (ii) shall not exceed
13 an amount equal to the total employee contributions 2 years
14 prior multiplied by 4.19. The actuarially determined
15 contribution requirement is equal to the employer's normal
16 cost plus the annual amount needed to amortize the unfunded
17 liability by the year 2050 as a level percent of payroll. The
18 funding goal is to attain a funded ratio of 100% ~~at least 90%~~
19 by the year 2050, with the funded ratio being the ratio of the
20 actuarial value of assets to the total actuarial liability.

21 The tax shall be levied and collected in the same manner as
22 the general taxes of the District.

23 The tax shall be exclusive of and in addition to the amount
24 of tax the District is now or may hereafter be authorized to
25 levy for general purposes under the Metropolitan Water
26 Reclamation District Act or under any other laws which may

1 limit the amount of tax for general purposes. The county clerk
2 of any county, in reducing tax levies as may be authorized by
3 law, shall not consider any such tax as a part of the general
4 tax levy for District purposes, and shall not include the same
5 in any limitation of the percent of the assessed valuation
6 upon which taxes are required to be extended.

7 Revenues derived from the tax shall be paid to the Fund for
8 the benefit of the Fund, except for the amount of revenue to be
9 retained by the District and used to pay principal and
10 interest on bonds issued for the sole purpose of making
11 contributions to the Fund as set forth in Section 9.6a of the
12 Metropolitan Water Reclamation District Act.

13 If the funds available for the purposes of this Article
14 are insufficient during any year to meet the requirements of
15 this Article, the District may issue tax anticipation warrants
16 or notes, as provided by law, against the current tax levy.

17 The Board shall submit annually to the Board of
18 Commissioners of the District an estimate of the amount
19 required to be raised by taxation for the purposes of the Fund.
20 The Board of Commissioners shall review the estimate and
21 determine the tax to be levied for such purposes.

23 Section 15. The Metropolitan Water Reclamation District
24 Act is amended by changing Section 9.6a as follows:

1 (70 ILCS 2605/9.6a) (from Ch. 42, par. 328.6a)

2 Sec. 9.6a. Bonds for sewage treatment and water quality
3 improvements. The corporate authorities of a sanitary
4 district, in order to provide funds required for the
5 replacing, remodeling, completing, altering, constructing and
6 enlarging of sewage treatment works, administrative buildings,
7 water quality improvement projects, or flood control
8 facilities, and additions therefor, pumping stations, tunnels,
9 conduits, intercepting sewers and outlet sewers, together with
10 the equipment, including air pollution equipment, and
11 appurtenances thereto, to acquire property, real, personal or
12 mixed, necessary for said purposes, for costs and expenses for
13 the acquisition of the sites and rights-of-way necessary
14 thereto, and for engineering expenses for designing and
15 supervising the construction of such works, may issue on or
16 before December 31, 2034, in addition to all other obligations
17 heretofore or herein authorized, bonds, notes or other
18 evidences of indebtedness for such purposes in an aggregate
19 amount at any one time outstanding not to exceed 3.35% of the
20 equalized assessed valuation of all taxable property within
21 the sanitary district, to be ascertained by the last
22 assessment for State and local taxes previous to the issuance
23 of any such obligations. Such obligations shall be issued
24 without submitting the question of such issuance to the legal
25 voters of such sanitary district for approval.

26 The corporate authorities may sell such obligations at

1 private or public sale and enter into any contract or
2 agreement necessary, appropriate or incidental to the exercise
3 of the powers granted by this Act, including, without
4 limitation, contracts or agreements for the sale and purchase
5 of such obligations and the payment of costs and expenses
6 incident thereto. The corporate authorities may pay such costs
7 and expenses, in whole or in part, from the corporate fund.

8 Such obligations shall be issued from time to time only in
9 amounts as may be required for such purposes but the amount of
10 such obligations issued during any one budget year shall not
11 exceed \$150,000,000 plus the amount of any obligations
12 authorized by this Act to be issued during the 3 budget years
13 next preceding the year of issuance but which were not issued,
14 provided, however, that this limitation shall not be
15 applicable (i) to the issuance of obligations to refund bonds,
16 notes or other evidences of indebtedness, (ii) to obligations
17 issued to provide for the repayment of money received from the
18 Water Pollution Control Revolving Fund for the construction or
19 repair of wastewater treatment works, and (iii) to obligations
20 issued as part of the American Recovery and Reinvestment Act
21 of 2009, issued prior to January 1, 2011, that are commonly
22 known as "Build America Bonds" as authorized by Section 54AA
23 of the Internal Revenue Code of 1986, as amended. Each
24 ordinance authorizing the issuance of the obligations shall
25 state the general purpose or purposes for which they are to be
26 issued, and the corporate authorities may at any time

1 thereafter pass supplemental appropriations ordinances
2 appropriating the proceeds from the sale of such obligations
3 for such purposes.

4 Notwithstanding anything to the contrary in Section 9.6 or
5 this Section, and in addition to any other amount of bonds
6 authorized to be issued under this Act, the corporate
7 authorities are authorized to issue from time to time bonds of
8 the district in a principal amount not to exceed \$600,000,000
9 for the purpose of making contributions to the pension fund
10 established under Article 13 of the Illinois Pension Code
11 without submitting the question of issuing bonds to the voters
12 of the District. Any bond issuances under this paragraph are
13 intended to decrease the unfunded liability of the pension
14 fund and shall not decrease the amount of the employer
15 contributions required in any given year under Section 13-503
16 of the Illinois Pension Code.

17 The corporate authorities may issue bonds, notes or other
18 evidences of indebtedness in an amount necessary to provide
19 funds to refund outstanding obligations issued pursuant to
20 this Section, including interest accrued or to accrue thereon.

24 (30 ILCS 805/8.46 new)

1 Sec. 8.46. Exempt mandate. Notwithstanding Sections 6 and
2 8 of this Act, no reimbursement by the State is required for
3 the implementation of any mandate created by this amendatory
4 Act of the 102nd General Assembly.

5 Section 99. Effective date. This Act takes effect upon
6 becoming law.
