1 AMENDMENT TO HOUSE BILL 4696

2 AMENDMENT NO. _____. Amend House Bill 4696 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Department of Natural Resources Act is
5 amended by changing Section 1-17 as follows:

6 (20 ILCS 801/1-17)

7 Sec. 1-17. Licenses; privacy protection.

8 (a) For purposes of this Section, "license" means a
9 license required under Article 3 of the Wildlife Code or under
10 Article 20 of the Fish and Aquatic Life Code.

11 (b) As soon as practicable, the Department must assign a
12 customer identification number to each applicant for a
13 license. After the applicant has been assigned a customer
14 identification number, the applicant may use that customer
15 identification number in place of his or her social security
16 number on any subsequent application for a license. The

1 Department must keep a record of the social security number of
2 each applicant. The Department shall notify the applicant that
3 his or her social security number is kept on file with the
4 Department.

5 (c) A licensee's social security number shall not appear
6 on the face of his or her license.

7 (d) The Department shall offer to each applicant for a
8 hunting license issued under the Wildlife Code the opportunity
9 to have his or her name included in the First Person Consent
10 organ and tissue donor registry maintained by the Secretary of
11 State under Section 6-117 of the Illinois Vehicle Code. The
12 Department must advise the applicant that he or she is under no
13 compulsion to have his or her name included in the registry. An
14 individual who agrees to have his or her name included in the
15 First Person Consent organ and tissue donor registry has given
16 full legal consent to the donation of any of his or her organs
17 or tissue upon his or her death. A brochure explaining this
18 method of executing an anatomical gift must be given to each
19 applicant for a hunting license issued under the Wildlife
20 Code. The brochure must advise the applicant (i) that he or she
21 is under no compulsion to have his or her name included in this
22 registry; and (ii) that he or she may wish to consult with
23 family, friends, or clergy before doing so. The Department is
24 authorized to collect and compile the names of individuals
25 that agree to be included in the First Person Consent organ and
26 tissue donor registry and provide the information to the

1 Secretary of State for notation of the agreement in the First
2 Person Consent organ and tissue donor registry. A hunting
3 license issued under the Wildlife Code may contain information
4 indicating whether the holder of the license is registered as
5 a donor in the First Person Consent organ and tissue donor
6 registry.
