

102ND GENERAL ASSEMBLY

State of Illinois

2021 and 2022

HB4791

Introduced 1/27/2022, by Rep. Deb Conroy

SYNOPSIS AS INTRODUCED:

20 ILCS 505/21.6 new
20 ILCS 1305/10-75 new
20 ILCS 2805/39 new
730 ILCS 5/3-2-7.5 new
730 ILCS 5/3-2.5-40.5 new

Amends the Department of Human Services Act. Requires the Department of Human Services to develop, within 6 months after the effective date of the amendatory Act, an assessment protocol and training for tardive dyskinesia and other drug-induced involuntary movement disorders. Requires the Department to make the assessment protocol and training available to all State agencies that contract for or directly provide housing services. Requires the Department to utilize the assessment protocol to train the appropriate staff and screen all residents of facilities operated by the Department who have been prescribed psychotropic medication. Requires the Department to publish on its website a report on the number of facility residents assessed for tardive dyskinesia and other drug-induced involuntary movement disorders. Prohibits the Department from publishing medical information specific to a resident that may violate the resident's privacy. Amends the Children and Family Services Act, the Department of Veterans' Affairs Act, and the Unified Code of Corrections. Requires the Department of Children and Family Services, Department of Veterans' Affairs, Department of Corrections, and Department of Juvenile Justice to utilize the assessment protocol to train their staff on tardive dyskinesia and other drug-induced involuntary movement disorders and to screen residents of facilities operated by those Departments who have been prescribed psychotropic medication. Effective immediately.

LRB102 21834 KTG 30954 b

FISCAL NOTE ACT
MAY APPLY

A BILL FOR

1 AN ACT concerning State government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Children and Family Services Act is amended
5 by adding Section 21.6 as follows:

6 (20 ILCS 505/21.6 new)

7 Sec. 21.6. Tardive dyskinesia; staff training and resident
8 assessments. Utilizing the Department of Human Services'
9 assessment protocol described in Section 10-75 of the
10 Department of Human Services Act, within one year after the
11 effective date of this amendatory Act of the 102nd General
12 Assembly, the Department of Children and Family Services shall
13 train the appropriate staff on tardive dyskinesia and other
14 drug-induced involuntary movement disorders and screen all
15 residents of facilities operated by the Department of Children
16 and Family Services who have been prescribed psychotropic
17 medication.

18 The Department of Children and Family Services shall
19 publish a report and post on its website the number of
20 residents, by facility, who were assessed for tardive
21 dyskinesia and other drug-induced involuntary movement
22 disorders and the results of those assessments. Nothing in
23 this Section shall require the publication of medical

1 information specific to a resident that may violate the
2 resident's privacy.

3 Section 10. The Department of Human Services Act is
4 amended by adding Section 10-75 as follows:

5 (20 ILCS 1305/10-75 new)

6 Sec. 10-75. Tardive dyskinesia; assessment protocol and
7 training. Within 6 months after the effective date of this
8 amendatory Act of the 102nd General Assembly, the Department
9 shall develop an assessment protocol and training for tardive
10 dyskinesia and other drug-induced involuntary movement
11 disorders. This assessment protocol and training shall be made
12 available to all State agencies that contract for or directly
13 provide housing services, including, but not limited to, the
14 Department of Corrections, the Department of Children and
15 Family Services, the Department of Juvenile Justice, and the
16 Department of Veterans' Affairs.

17 Utilizing the assessment protocol, within one year after
18 the effective date of this amendatory Act of the 102nd General
19 Assembly, the Department shall train the appropriate staff and
20 screen all residents of facilities operated by the Department
21 who have been prescribed psychotropic medication.

22 The Department shall publish a report and post on its
23 website the number of residents, by facility, who were
24 assessed for tardive dyskinesia and other drug-induced

1 involuntary movement disorders and the results of those
2 assessments. Nothing in this Section shall require the
3 publication of medical information specific to a resident that
4 may violate the resident's privacy.

5 Section 15. The Department of Veterans' Affairs Act is
6 amended by adding Section 39 as follows:

7 (20 ILCS 2805/39 new)

8 Sec. 39. Tardive dyskinesia; staff training and resident
9 assessments. Utilizing the Department of Human Services'
10 assessment protocol described in Section 10-75 of the
11 Department of Human Services Act, within one year after the
12 effective date of this amendatory Act of the 102nd General
13 Assembly, the Department of Veterans' Affairs shall train the
14 appropriate staff on tardive dyskinesia and other drug-induced
15 involuntary movement disorders and screen all residents of the
16 veterans homes operated by the Department of Veterans' Affairs
17 who have been prescribed psychotropic medication.

18 The Department of Veterans' Affairs shall publish a report
19 and post on its website the number of residents, by veteran
20 home, who were assessed for tardive dyskinesia and other
21 drug-induced involuntary movement disorders and the results of
22 those assessments. Nothing in this Section shall require the
23 publication of medical information specific to a resident that
24 may violate the resident's privacy.

1 Section 20. The Unified Code of Corrections is amended by
2 adding Sections 3-2-7.5 and 3-2.5-40.5 as follows:

3 (730 ILCS 5/3-2-7.5 new)

4 Sec. 3-2-7.5. Tardive dyskinesia; staff training and
5 resident assessments. Utilizing the Department of Human
6 Services' assessment protocol described in Section 10-75 of
7 the Department of Human Services Act, within one year after
8 the effective date of this amendatory Act of the 102nd General
9 Assembly, the Department of Corrections shall train the
10 appropriate staff on tardive dyskinesia and other drug-induced
11 involuntary movement disorders and screen all residents of
12 facilities operated by the Department of Corrections who have
13 been prescribed psychotropic medication.

14 The Department of Corrections shall publish a report and
15 post on its website the number of residents, by facility, who
16 were assessed for tardive dyskinesia and other drug-induced
17 involuntary movement disorders and the results of those
18 assessments. Nothing in this Section shall require the
19 publication of medical information specific to a resident that
20 may violate the resident's privacy.

21 (730 ILCS 5/3-2.5-40.5 new)

22 Sec. 3-2.5-40.5. Tardive dyskinesia; staff training and
23 resident assessments. Utilizing the Department of Human

1 Services' assessment protocol described in Section 10-75 of
2 the Department of Human Services Act, within one year after
3 the effective date of this amendatory Act of the 102nd General
4 Assembly, the Department of Juvenile Justice shall train the
5 appropriate staff on tardive dyskinesia and other drug-induced
6 involuntary movement disorders and screen all residents of
7 facilities operated by the Department of Juvenile Justice who
8 have been prescribed psychotropic medication.

9 The Department of Juvenile Justice shall publish a report
10 and post on its website the number of residents, by facility,
11 who were assessed for tardive dyskinesia and other
12 drug-induced involuntary movement disorders and the results of
13 those assessments. Nothing in this Section shall require the
14 publication of medical information specific to a resident that
15 may violate the resident's privacy.

16 Section 99. Effective date. This Act takes effect upon
17 becoming law.
