

## 102ND GENERAL ASSEMBLY

### State of Illinois

2021 and 2022

HB4795

Introduced 1/27/2022, by Rep. Anna Moeller

#### SYNOPSIS AS INTRODUCED:

415 ILCS 170/40 new

Amends the PFAS Reduction Act. Provides that the Agency shall establish a take back program for local fire departments and fire protection districts that use and store firefighting foam identified as having added perfluoroalkyl or polyfluoroalkyl substances, otherwise known as PFAs. Provides that the program will be available to those fire departments or fire districts who have participated in the annual survey under the Act. Provides that the program shall provide funding and resources to assure the proper destruction of these products, however not require the participation of any fire department or fire protection district.

LRB102 24767 CPF 34009 b

1 AN ACT concerning safety.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The PFAS Reduction Act is amended by adding  
5 Section 40 as follows:

6

7 (415 ILCS 170/40 new)

8 Sec. 40. PFAs disposal program. The Agency shall establish  
9 a take back program for local fire departments and fire  
10 protection districts that use and store firefighting foam  
11 identified as having added perfluoroalkyl or polyfluoroalkyl  
12 substances, otherwise known as PFAs. This program will be  
13 available to those fire departments or fire districts who have  
14 participated in the annual survey conducted in accordance with  
15 Section 25. This program shall provide funding and resources  
16 to assure the proper destruction of these products, however  
17 not require the participation of any fire department or fire  
18 protection district. This program shall commence within six  
19 months of becoming law and continue for a period of five years  
20 or until no foam containing PFAS is reported in the annual  
21 survey.
