

1 AN ACT concerning cybersecurity.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Freedom of Information Act is amended by
5 changing Section 7 as follows:

6 (5 ILCS 140/7) (from Ch. 116, par. 207)

7 Sec. 7. Exemptions.

8 (1) When a request is made to inspect or copy a public
9 record that contains information that is exempt from
10 disclosure under this Section, but also contains information
11 that is not exempt from disclosure, the public body may elect
12 to redact the information that is exempt. The public body
13 shall make the remaining information available for inspection
14 and copying. Subject to this requirement, the following shall
15 be exempt from inspection and copying:

16 (a) Information specifically prohibited from
17 disclosure by federal or State law or rules and
18 regulations implementing federal or State law.

19 (b) Private information, unless disclosure is required
20 by another provision of this Act, a State or federal law,
21 or a court order.

22 (b-5) Files, documents, and other data or databases
23 maintained by one or more law enforcement agencies and

1 specifically designed to provide information to one or
2 more law enforcement agencies regarding the physical or
3 mental status of one or more individual subjects.

4 (c) Personal information contained within public
5 records, the disclosure of which would constitute a
6 clearly unwarranted invasion of personal privacy, unless
7 the disclosure is consented to in writing by the
8 individual subjects of the information. "Unwarranted
9 invasion of personal privacy" means the disclosure of
10 information that is highly personal or objectionable to a
11 reasonable person and in which the subject's right to
12 privacy outweighs any legitimate public interest in
13 obtaining the information. The disclosure of information
14 that bears on the public duties of public employees and
15 officials shall not be considered an invasion of personal
16 privacy.

17 (d) Records in the possession of any public body
18 created in the course of administrative enforcement
19 proceedings, and any law enforcement or correctional
20 agency for law enforcement purposes, but only to the
21 extent that disclosure would:

23 reasonably contemplated law enforcement proceedings
24 conducted by any law enforcement or correctional
25 agency that is the recipient of the request;

26 (ii) interfere with active administrative

1 enforcement proceedings conducted by the public body
2 that is the recipient of the request;

7 confidential source, confidential information
8 furnished only by the confidential source, or persons
9 who file complaints with or provide information to
10 administrative, investigative, law enforcement, or
11 penal agencies; except that the identities of
12 witnesses to traffic accidents, traffic accident
13 reports, and rescue reports shall be provided by
14 agencies of local government, except when disclosure
15 would interfere with an active criminal investigation
16 conducted by the agency that is the recipient of the
17 request;

18 (v) disclose unique or specialized investigative
19 techniques other than those generally used and known
20 or disclose internal documents of correctional
21 agencies related to detection, observation or
22 investigation of incidents of crime or misconduct, and
23 disclosure would result in demonstrable harm to the
24 agency or public body that is the recipient of the
25 request;

26 (vi) endanger the life or physical safety of law

1 enforcement personnel or any other person; or

2 (vii) obstruct an ongoing criminal investigation
3 by the agency that is the recipient of the request.

4 (d-5) A law enforcement record created for law
5 enforcement purposes and contained in a shared electronic
6 record management system if the law enforcement agency
7 that is the recipient of the request did not create the
8 record, did not participate in or have a role in any of the
9 events which are the subject of the record, and only has
10 access to the record through the shared electronic record
11 management system.

12 (d-6) Records contained in the Officer Professional
13 Conduct Database under Section 9.2 of the Illinois Police
14 Training Act, except to the extent authorized under that

25 institution or facility or jail where the inmate is
26 confined.

1 (e-6) Records requested by persons committed to the
2 Department of Corrections, Department of Human Services

8 Department of Corrections or Department of Human Services
9 Division of Mental Health if those materials are available

13 (e-8) Records requested by a person committed to the

10 claim.

11 (f) Preliminary drafts, notes, recommendations,
12 memoranda, and other records in which opinions are
13 expressed, or policies or actions are formulated, except
14 that a specific record or relevant portion of a record

22 trade secrets or commercial or financial information are
23 furnished under a claim that they are proprietary,

5 obtained by a public body, including a public pension

9 a potential investment of public funds in a private equity
10 fund. The exemption contained in this item does not apply
11 to the aggregate financial performance information of a
12 private equity fund, nor to the identity of the fund's
13 managers or general partners. The exemption contained in

18 Nothing contained in this paragraph (g) shall be
19 construed to prevent a person or business from consenting
20 to disclosure.

21 (h) Proposals and bids for any contract, grant, or
22 agreement, including information which if it were
23 disclosed would frustrate procurement or give an advantage
24 to any person proposing to enter into a contractor

26 is made. Information prepared by or for the body in

1 preparation of a bid solicitation shall be exempt until an
2 award or final selection is made.

9 news media as defined in Section 2 of this Act when the
