WHEREAS, The family history of both Jim Brazinski's parents is rich in farming tradition; his paternal grandfather set up his farm in the current Coulterville location in the 1920s; since his parents grew up on farms caring for various animals, it was only natural for them to consider raising animals; and

10 efficiency of the growing hogs, and as a result, the family is
11 still following this structure today; and

12 WHEREAS, Family is a huge part of the Brazinski's core
13 values; this is evident as the family formed a small LLC called
